# De l'utilité des voyages...

Les voyages forment la jeunesse, dit-on. Visiblement, Pradeep Roopun ne connaît pas cet adage, puisqu'il se rend ce samedi au couronnement de Charles, roi d'Angleterre. A l'abbaye de Westminster, notre président de la république croisera sûrement Chris Hipkins, le Premier ministre Néo-Zélandais. Ce dernier, avant de partir pour la Grande Bretagne, a émis le vœu que son pays quitte le Commonwealth.

De fait, on peut se demander en quoi il serait « urgent » pour notre président d'aller assister au spectacle de la monarchie, alors qu'il sait très bien qu'il y a un gros contentieux entre notre pays et la Grande Bretagne. Comment peut-il aller applaudir Charles, alors que ce Roi piétine les droits des Chagossiens et ne reconnaît pas notre souveraineté sur cet archipel ? Et ce, malgré deux verdicts de la Cour Pénale internationale et des Nations Unies !

De plus, étant une république, comment notre président peut-il trouver normal d'aller se mêler aux affaires de la monarchie Britannique, alors que même la Nouvelle-Zélande trouve obsolète de rester au sein du Commonwealth, une institution vieillotte présidée par le Roi Charles ? De plus, Pradeep Roopun sait-il que plus de deux-tiers des Britanniques sont indifférents à ce couronnement, qui coûtera 100 millions de livres sterling, alors que nombre de Britanniques croulent sous la misère ? Quelle est donc l'utilité de faire ce déplacement à Londres, monsieur le président ? Et combien coûtera ce voyage, dont les fonds sont puisés de la poche des contribuables ?

Se pose aussi la question de la pertinence de telles invitations ? Le Premier ministre pense-t-il vraiment que la présence de Pradeep Roopun à cette cérémonie fera avancer le dossier Chagossien ? Qui nous dit qu'il n'y aura pas de nouveaux coups de Jarnac de la part des Britan-

niques ? De plus, sachant qu'il y aura de nouvelles élections en 2024, la Grande Bretagne ne risque-t-elle pas de faire traîner ce dossier, dans l'espoir d'ouvrir de nouvelles discussions avec un autre Premier ministre Mauricien, et ainsi retarder encore une fois l'épilogue sur l'archipel ? Bien entendu, nul ne peut préjuger de l'issue de ces élections, mais la

Grande Bretagne, qui a une ambassade ici, connaît très bien les protagonistes locaux. Et peut décider de jouer sur le long terme, plutôt que de vouloir régler au plus vite ce dossier. Tout cela a-t-il été pris en compte par Pradeep Roopun et Pravind Jugnauth, avant de décider de la présence du président de la république à ce couronnement ? Pense-t-on vraiment que ce déplacement servira les intérêts du pays ?

Mais revenons à Chris Hipkins. Quand la Nouvelle-Zélande deviendra république, après référendum populaire précisons-le, là-bas on parle aussi sur le besoin « d'être un pays totalement indépendant ». De plus, ce pays ne veut plus entendre parler de gouverneur-général, comme il

en existait chez nous. » Ce questionnaire sur le devenir de la monarchie s'inscrit dans une remise en cause du Commonwealth depuis la mort de la reine Élisabeth II. L'Australie se défait progressivement de la monarchie britannique en choisissant de ne pas faire figurer le roi Charles III sur ses billets de banque. En novembre 2021, la Barbade avait acté son départ du Commonwealth. La Jamaïque, elle, avait fait part de sa "volonté d'indépendance" lors de la visite du prince William à Kingston en 2022. »

Alors que se posent de telles questions dans les pays appartenant au bloc Commonwealth, et que nous avons un contentieux qui traîne avec la Grande Bretagne, notre président de la république ne trouve donc rien de mieux que d'aller à Westminster pour voir couronner un homme de 74 ans. Dans de tels cas de figure, n'aurait-il pas été sain de consulter le peuple, pour savoir si un tel voyage était utile. Oui, mais voilà on ne fait pas de référendum chez nous. Et surtout pas sur un tel sujet. Pourquoi les Mauriciens devraient avoir leur mot à dire sur les voyages du président de la république, voire du Premier ministre aussi ? Contentons-nous de voter, et basta n'est-ce pas ?

Puisqu'on parlait d'élections générales, pensez-vous que le vœu d'une consultation populaire concernant les voyages de notre président de la république peut figurer sur les programmes qui seront présentés par les partis politiques ? Why not ? Puisque c'est quand de l'argent puisé des poches des contribuables que ces personnalités publiques voyagent. Il serait temps qu'on leur fasse comprendre que leurs allers-retours dans le ciel doivent se faire de façon judicieuse. D'autant plus que, comme en Grande Bretagne, il y a des Mauriciens qui ne pourront jamais prendre l'avion de toute leur vie !

## ANALYSE

# Oppositions : décomposition et recomposition

La dérive des opposants continue. Plus que jamais, le extraparlémentaire semble préférer le tandem Ramgoolam-Berenger en tant que cible principale plutôt que Pravind Jugnauth. C'est ce dont témoigne l'alliance scellée entre le Rassemblement Mauricien (RM), par Nando Bodha et l'inon Pep Morisien (LPM), par Rama Valayden. Il ne fait aucun doute que cette constitution d'un nouveau bloc de l'opposition extra-parlementaire ne fera qu'affaiblir davantage le tandem Ramgoolam-Berenger, lequel a exclu toute idée d'élargir une éventuelle alliance avec Nando Bodha et Roshni Bhadain. Voilà qui nous promet une belle empoignade en attendant de voir comment Xavier Duval a digéré le fait que Paul Bérenger souhaite le voir s'exiler à réduit afin de mieux décapiter son parti et de mettre la main sur ses partisans. En ce qui concerne le calcul machiavélique, il n'y a rien de mieux. Mais c'est aussi une indication de la façon dont l'opposition est réduite à des tergiversations nauséabondes, car elle est incapable d'offrir une alternative crédible à l'alliance menée par Pravind Jugnauth.

## Oppositions toutes tendances

Le fait est que ces oppositions toutes tendances confondues ne voient aucune faille à exploiter dans la politique du gouvernement, elle aurait souhaité voir en face d'elles un pouvoir totalitaire et un régime capitaliste insensible aux conséquences économiques de la pandémie et du conflit ukrainien. Depuis l'apparition de la Covid-19 en mars 2020, le Premier ministre, Pravind Jugnauth a gagné en stature et a affronté les adversités multiples sans jamais dévier de sa politique sociale et économique définie au lendemain de sa victoire aux élections législatives de 2019. Rien dans sa personnalité ni dans sa vision d'un Maurice meilleur et inclusif ne ressemble à Navin Ramgoolam. Il aurait pu se dérober au 1er mai, fête du Travail, en invoquant le fallacieux prétexte selon lequel cet événement est exclusivement réservé aux salariés et à leurs organisations. Pravind Jugnauth a pris le pari d'organiser un meeting à Vacoas alors que l'opposition parlementaire se perdait dans des conjectures plus improbables que les autres. Il fallait

avoir une oreille qui traînait pour entendre les Mauriciens rigoler de leurs mensonges, sachant que le MMM et le PTR sont les partis qui depuis des décennies se faisaient un devoir d'organiser, chacun de leur côté, des meetings pour célébrer la Fête du Travail. Il s'agit d'une grosse erreur que ces deux partis ont commise, exposant leur incapacité à mobiliser leurs partisans autour de thèmes crédibles et unificateurs. Ceci est dû au fait que ces derniers nagent dans le doute et dans la confusion.

visage de manière magistrale. Depuis cette date historique, ce qui reste de militants au MMM est toujours allergique au Dr Ramgoolam dont la descente aux enfers s'est confirmée en 2019 lorsqu'il entraîna le PTR dans sa chute. Une vérité saute aux yeux : en voulant désespérément s'accrocher au leadership du PTR, l'ex-Premier ministre précipite un peu plus son parti dans les oubliettes de l'histoire car plus grand monde chez les rouges n'est convaincu qu'il soit capable de requinquer le PTR. Mais, ce qui vient davantage corser l'addition est cette extrême méfiance des rouges et mauves à l'égard d'une alliance entre leurs deux partis. Personne ne croit dans la victoire de cette alliance contre Pravind Jugnauth. Il faut aussi que le bilan du gouvernement soit équilibré sur le plan de la protection des emplois et de la stimulation de l'économie.

## Situation économique mondiale

Très avertis sur la situation économique mondiale, les Mauriciens sont conscients que depuis 2020 le gouvernement aura mobilisé tous les efforts pour maintenir les entreprises, leurs salariés de même que les emplois informels. Et à ce jour, ces efforts ont payé car l'île Maurice est sur la voie de la reprise, avec en miroir le secteur du tourisme dont l'embellie ne cesse

de gagner du terrain. Mais, Pravind Jugnauth n'est pas du genre jubilatoire, conscient qu'il est de la nécessité de voir se confirmer cette reprise sur le temps. Le conflit militaire en Ukraine continue ainsi à impacter l'économie européenne avec une conséquence directe sur le pouvoir d'achat des Européens. Comment dans un tel contexte encore marqué par des imprévisions avancer avec assurance, compte tenu de notre extrême dépendance de l'économie mondiale ? La situation géoéconomique mondiale est devenue complexe, nous imposant de faire des choix judicieux. Aussi n'y a-t-il pas de remède miracle pour sortir définitivement du tunnel. Seule une gestion saine de l'économie axée sur des soutiens aux couches rendues vulnérables par la fermeture de notre économie durant ces deux dernières années et en consolidant les rapports publics privés permet d'envisager l'avenir avec une sérénité mesurée.

## Opposition féroce des militants

Dans ces mêmes colonnes, nous avons souligné l'opposition farouche des militants du MMM à toute éventuelle nouvelle alliance avec un PTR dirigé par le Dr Ramgoolam. Car le traumatisme vécu en 2014, lorsque Paul Bérenger avait rompu une alliance solide et honnête avec le MSM de feu Sir Anerood Jugnauth, est encore dans les esprits. On se souvient encore dans le camp des mauves du prétexte mis de l'avant par Paul Bérenger pour rompre cette alliance et en nouer nouvelle une autre avec le Dr Ramgoolam dont la crédibilité commençait déjà à pâlir dangereusement. Partout à travers l'île Maurice, mis devant cette réalité, Paul Bérenger, fidèle à ses habitudes, ne voulut rien entendre et aux législatives de novembre 2014, le verdict des urnes lui claqua au

## PRIX DES PRODUITS PÉTROLIERS

# Réunion du Petroleum Pricing Committee la semaine prochaine

Avec l'approche de la réunion du Petroleum Pricing Committee, prévue pour la semaine prochaine, les spéculations vont bon train quant à la décision que prendra ce comité de la State Trading Corporation (STC). Les prix seront-ils maintenus à leur niveau actuel, ou y aura-t-il baisse comme le souhaitent la plupart des consommateurs ? En tout cas, peu nombreux sont ceux qui pensent que les prix seront revus à la hausse du fait qu'ils sont déjà à un niveau très élevé comparé aux pays ayant un coût de la vie similaire au nôtre. Aucune date n'a encore été fixée pour la réunion qui devra se réunir avant jeudi prochain.

Du côté de la STC, on explique que le Price Stabilisation Account est toujours déficitaire, ce qui devrait impacter sur la décision du PPC. Quoi qu'il en soit, le comité devra également tenir

en ligne de compte l'évolution des prix sur le marché international où le Brent a chuté à 72 dollars USD le baril, hier, ce

qui représente une baisse 36% par rapport à mai de l'année dernière, soit son niveau le plus bas depuis plus d'un an. Cette baisse de prix est attribuée, entre

autres, à une augmentation de la production aux Etats Unis et dans d'autres pays producteurs et à un ralentissement de la croissance économique mondiale.

À Maurice, cela fait un an que le prix des produits pétroliers plafonnent car c'est en mai de l'année dernière que le prix de l'essence avait été fixé à Rs74.10 le litre et celui du diesel à Rs 54.55 le litre. Pour rappel, chez nos voisins seychellois l'essence se vend à Rs 68 le litre et aux Maldives à Rs 46 le litre. Rappelons également que les associations de défense des consommateurs, ainsi que les partis d'opposition dans leur ensemble, réclament, depuis des mois, que la structure des prix des carburants soit revue à la baisse et que soit enlevée la taxe de deux roupies perçue sur chaque litre d'essence pour l'achat de vaccins anti-Covid.

## RAPPORT DES CONSULTANTS DE LA FIRME DELOITTE

# Augmentation de salaires de 19 à 25 % au CEB

Une hausse des salaires variant entre 19 et 25 %. C'est ce que recommande le rapport de révision salariale des employés du Central Electricity Board (CEB) rendu public, hier, par le ministre l'Energie et des Utilités publiques, Joe Lesjongard. Cette révision des salaires augmentera la masse salariale du CEB de quelque Rs 18 millions par mois. Ce rapport, préparé par la firme de consultants Deloitte, intervient à un moment important dans l'évolution que connaît le CEB avec la transition vers les énergies renouvelables, a précisé le ministre.

Les propositions faites par la firme Deloitte concernent non seulement les salaires mais l'ensemble des conditions d'emploi de différentes catégories d'employés. Les consultants ont commencé à recevoir les représentations du Board et des employés à partir de janvier de l'année dernière. Après plusieurs mois de travail une première ébauche a été remise au conseil d'administration et aux trois syndicats d'employés, à savoir le Central Electricity Board Staff Association, qui regroupe les cadres, la Union

of Employees of the CEB and of other Energy Sector et la CEB Workers Union qui représentent les travailleurs manuels.

### Paiement avec effet rétroactif

Des ajustements de nature technique ont par la suite été apportés à la grille salariale avant que les syndicats et le conseil d'administration se mettent d'accord et acceptent à l'unanimité les propositions finales de la firme de consultants. Ces propositions couvrent la période 2021-2025. Les nouveaux salaires entreront en vigueur avec effet rétroactif à partir du 1er juillet 2021. Le paiement sera effectué en trois tranches étalées sur une période de deux ans. Les propositions des consultants tiennent compte du taux d'inflation des quatre dernières années, car le dernier exercice du genre remonte à 2017, et du taux prévu pour l'année financière 2022-2023. Elles tiennent également compte de la perte de pouvoir d'achat des employés du CEB pendant cette période.

En sus des salaires, le rapport des consultants ont également revu la contribution du CEB au fonds de pension des employés, contribution qui sera augmentée de 17% à compter du 1er juillet de cette année. La nouvelle échelle de salaires est le résultat d'une réévaluation de la nature du travail (job description) de chaque employé. La structure salariale a été rationalisée avec l'abolition de cinq postes, la création de dix nouveaux postes et la mise à niveau de sept postes.

Cette rationalisation a permis de régler certains litiges entre les syndicats et le Board qui traînaient devant l'Employment Relations Tribunal depuis des années. De plus, certains employés qui travaillaient pour des compagnies subsidiaires, notamment CEB Facilities pour l'élagage des branches d'arbres, et CEB Green Ltd, engagée dans des projets d'énergies renouvelables, ont intégré le CEB. Ceux affectés au centre d'appels ont intégré le département customer service du CEB.

## JOB & EDUCATIONAL FAIR

# Les jeunes invités à découvrir les opportunités de carrière

Cœur de Ville Flacq et Talent Lab revient cette année encore avec le salon de l'emploi. L'objectif vise à proposer les meilleurs débouchés professionnels de la région aux jeunes Mauriciens. La prochaine édition de cet événement, dont les précédentes éditions ont permis à de nombreuses personnes de trouver un emploi, a lieu aujourd'hui et demain (5 et 6 mai) au centre commercial de Cœur de Ville Flacq, de 10h à 16h.

Cette année, le Job & Educational Fair de Cœur de Ville Flacq a été baptisé « Au boulot », et accueillera 20 stands animés par diverses compagnies et organisations de la région. « La région Est se développe de plus en plus, et les opportunités d'emploi sont par conséquent plus nombreuses chaque année. Ce Job Fair est devenu un rendez-vous important de la région, autant pour les employeurs que pour les chercheurs d'emplois, et surtout pour les jeunes diplômés qui cherchent

des débouchés professionnels intéressants et de belles opportunités de carrière », explique Rajiv Gungadin, Asset Manager de

initiative fait partie de l'engagement social et environnemental des centres commerciaux Cœur de Ville, qui ont pour mission de participer activement à la vie de leurs zones d'implantation et à l'amélioration du niveau de vie des habitants.

Les compagnies et organisations participantes à cette édition sont : Arrivals Canada ; Colorado Ltd (Anelia Resort & Spa) ; Compagnie Marmites des Iles Ltee ; EURO CRM ; Sun Limited ; Radisson Blu Resort and Spa ; Linkeo ; BIA Africa ; Brink's Mauritius ; Solana Beach Mauritius ; AVIPRO ; LUX Belle Mare ; Kadosh Training ; Hôtel 20 Degrés Sud - Relais & Châteaux ; Accenture ; MCCI Business School ; Princes ; Intelcia ; SWAN ; Cœur de Ville Flacq ; et Talent Lab. « Nous espérons

accueillir un maximum de monde lors de cette édition, car les opportunités d'emploi seront encore plus nombreuses et intéressantes que les années précédentes », promet Rajiv Gungadin.

Cœur de Ville.

Organisée en collaboration avec Talent Lab, une boîte spécialisée dans les ressources humaines et le recrutement, cette

## MONTHLY STATISTICAL BULLETIN

# Une reprise endiguée par l'inflation

La récente publication du Monthly Statistical Bulletin de la Banque de Maurice livre de précieux éclairages sur la reprise de l'économie domestique.

Le 'Monthly Statistical Bulletin' du mois de mars 2023 de la Banque de Maurice, met en lumière l'état de la situation de l'économie domestique pour 2022. Ainsi, des sujets épineux est : est-ce que le tourisme mauricien connaît vraiment une certaine ? Selon le document de la BoM, les arrivées touristiques affichent meilleure mine que les deux précédentes années, soit 2020 et 2021, dominées par la COVID-19, la fermeture de la frontière mauricienne et des restrictions de voyages vers Maurice.

Ainsi, les arrivées touristiques étaient de 997, 290 contre 780, 997 en 2021 et 980, 170 en 2020. Néanmoins, l'objectif d'un million de touristes n'a pas été atteint. Ainsi, les arrivées touristiques, en 2022, demeurent inférieures à celles d'avant la pandémie, soit par exemple en 2019, où 1,383, 488 touristes avaient foulé le sol mauricien. Il faut dire que Maurice subisse des com-

pétitions par des destinations plus prisées par les touristes, les Seychelles et les Maldives.

Malgré des arrivées touristiques inférieures d'avant la COVID, les revenus engendrés par ce secteur pour 2022, est au-dessus des recettes en 2019. Le rapport de BoM affiche un score de Rs 64, 845 millions contre les Rs 63,107 millions de 2019.

### Un taux de chômage inquiétant

Ce rapport évoque aussi la montée des prix des denrées alimentaire, et ce, depuis 2022. Grosso modo, les Mauriciens subissent de plein fouet les effets de l'inflation. Selon le 'Food Price Indices and Oil Indices', les prix des denrées alimentaires ont augmentés. En 2022, ils affichent un indice de 114.5 points contre 95.1 points en 2019. Par exemple, le sucre affiche un indice de 114.5 points en 2022 contre 109.3 points en 2021, les huiles 187.8 points en 2022 contre 164.9 points en 2021 ou encore, les produits laitiers 142.4 points en 2022

contre 119.1 points en 2021. Les indices continuent de monter, car en mars 2023, le total indice des denrées alimentaires est de 126.9 points. Ce qui affecte directement, le 'Consumer Price Index', qui était de 122.5 points en 2022. En mars 2023, l'indice est de 131.1 points. L'inflation tourne autour des 11.1 % en mars 2023 contre 10.8 % en décembre 2022.

Autre information précieuse que livre le 'Monthly Statistical Bulletin' de la BoM, est que le taux de chômage a connu une baisse par rapport à 2021. Le taux de chômage gravitait autour des 7.7% en 2022 contre les 9.1%. Cela est certainement causée par le fait que de nombreuses entreprises recrutent massivement, depuis la reprise de l'économie domestique. Cependant, le taux de chômage reste toujours supérieur d'avant la COVID – en 2019, le taux de chômage tournait autour 6.7%. Ce qui signifie qu'il y un grand nombre de Mauriciens, qui peinent toujours à trouver de l'emploi et continuent de subir les conséquences de la COVID.

## JOURNÉE INTERNATIONALE DES POMPIERS

# Anwar Husnoo salue le courage des pompiers pour assurer la sécurité

La bravoure, l'engagement, le dévouement et les sacrifices des pompiers pour assurer la sécurité des communautés et de l'environnement ont été mis en avant par le vice-Premier ministre, ministre des Administrations locales et de la Gestion des risques de catastrophe, Anwar Husnoo, à l'occasion de la Journée Internationale des Pompiers, célébrée le 4 mai chaque année. Cette journée a été célébrée au Caserne de pompiers, à Coromandel hier.

Une cérémonie de dépôt de gerbes et le son des sirènes d'incendie ont également marqué l'évènement, notamment pour rendre hommage aux pompiers qui ont perdu la vie au service de la communauté. S'adressant aux pompiers, Anwar Husnoo a exprimé son soutien et son appréciation pour leur tâche difficile consistant à sauver la vie de personnes au niveau local et mondial. « La Journée internationale des pompiers reconnaît la valeur des pompiers et rend hommage à la mémoire des pompiers qui ont sacrifié leur vie en service. La Journée offre également l'occasion au public d'en savoir plus sur les devoirs des pompiers et les équipements qu'ils utilisent dans leurs tâches quotidiennes et de les sensibiliser aux dangers qu'ils bravent », a déclaré le VPM.

D'emblée, Anwar Husnoo a réitéré l'engagement du gouvernement à fournir au Mauritius Fire and Rescue Service (MFRS) les ressources financières et le soutien nécessaires pour développer son potentiel humain et moderniser sa structure physique et organisationnelle. Il a d'ailleurs parlé de la construction de nouvelles casernes de pomp-

iers à Goodlands et Montagne Blanche qui devraient commencer dans quelques mois. D'autres projets incluent la relocalisation de la caserne de pompiers de Quatre Bornes à Avenues Des Tulipes pour un meilleur accès au réseau routier pour une intervention rapide, ainsi que la mise en œuvre d'une autre nouvelle caserne de pompiers à Jin Fei qui sera entreprise par phases. Commentant les investissements gouvernementaux au cours du dernier exercice financier pour équiper le MFRS, Anwar Husnoo évoque la fourniture de 20 Firefighting and Rescue vehicles dont trois Foam water tenders; 13 pompes Trailer mounted Flood Pumps ; un véhicule Hazmat ; deux camions-grues ; un Swift Water Vehicle avec canot pneumatique ; une Articulated Hydraulic Platform (AHP) 55mts ; et neuf véhicules Double Cab. De nouveaux ensembles d'équipements de radiocommunication sont également en cours d'acquisition pour moderniser l'infrastructure de communication au MFRS.

### Journée internationale des pompiers

La Journée rend hommage aux pompiers en services et à la retraite pour leurs contributions à la société. Le 4 mai marque la fête de Saint Florian, le Saint Patron des sapeurs-pompiers. Elle a été déclarée Journée internationale des pompiers depuis 1999 à la suite de la mort de cinq pompiers dans des circonstances tragiques lors d'un incendie de forêt en Australie. Pour la Journée internationale des pompiers, après son inaugural en 2002 qui a été réalisé pour réfléchir sur l'engagement et les sacrifices des pompiers du monde entier pour les travail-

leurs des services d'urgence, il y a un Sound Off annuel le 4 mai de chaque année.

## FLORE DES MASCAREIGNES

# Les deux derniers volumes font la part belle aux Orchidées

Plus de 800 pages dédiées aux orchidées de Maurice, Rodrigues et La Réunion ! Les deux derniers volumes de la collection « Flore des Mascareignes » ont été lancés le mercredi 3 mai dernier à la salle Philippe Bonâme, au MSIRI à Réduit. L'évènement s'est tenu devant un parterre d'invités dont le Président de la République, Prithvirajsing Roopun ; la vice-Première ministre et ministre de l'Éducation tertiaire, de la science et de la technologie, Leela Devi Dookun-Luchoomun ; et du directeur de la Flore, le Dr. Jean-Claude Autrey.

Ces nouveaux fascicules viennent compléter 50 ans de recherches et de coopération entre différentes institutions mauriciennes et étrangères, dont le Mauritius Sugarcane Industry Research Institute (MSIRI), le Royal Botanic Gardens de Kew, l'Institut de Recherche pour le Développement (IRD) et le Muséum National d'Histoire Naturelle (MNHN). « À une époque où on parle quotidiennement de biodiversité, d'espèces disparues ou alors de celles qui sont menacées de disparition, notamment avec les conséquences du changement climatique, il est non seulement important de signifier ce qui doit être fait, mais il est également vital de considérer ce qui a été fait et ce qui se fait. Ces deux derniers volumes viennent justement démontrer la grande diversité des Orchidées peuplant nos îles et l'impératif de les protéger », a déclaré le Dr. Jean-Claude Autrey.

La collection « Flore des Mascareignes » constitue une source unique de documentation sur la taxonomie, la répartition géographique ainsi que la fréquence des

espèces végétales présentes dans les îles Maurice, Rodrigues et à La Réunion. Indispensable aux décideurs et techniciens ayant en charge la conservation du patrimoine végétal des îles de l'océan Indien, la collection s'adresse également aux chercheurs, aux naturalistes professionnels et autres amateurs concernés par cette flore fortement endémique, très riche et diversifiée. Elle comprend un nombre considérable d'espèces endémiques de haute valeur scientifique et économique.

Depuis le lancement du projet en 1971, 28 fascicules ont été publiés au total, couvrant plus de 225 familles, 2 500 espèces, dont plus d'une centaine d'entre elles nouvelles. Le dernier volume publié date de 2018, quand une famille restait à être publiée - les Orchidées. La rédaction du texte consacré à la famille des Orchidées a été complétée en deux volumes illustrés couleur, le premier sur les espèces épiphytes – qui se développent sur d'autres végétaux, sans pour autant les parasiter et perturber leur croissance et développement – le second sur les espèces terrestres. Alors que Maurice compte la flore la plus riche en espèces endémiques – au moins deux fois plus riche que La Réunion – les espèces d'Orchidées endémiques y sont beaucoup moins nombreuses qu'à La Réunion.

Le président de la République, Prithvirajsing Roopun, a pour sa part remercié « les pays amis, dont la France et le Royaume Uni, qui ont contribué à la concrétisation de la Flore ». « Ces deux nouveaux volumes représentent l'aboutissement d'un projet remarquable mené par des scientifiques de renom, notamment Robert Antoine, Jean

Bosser, Keith Ferguson, Francis Friedmann et Jean-Claude Autrey, entre autres. Ces nouvelles publications sont d'importants outils mis à la disposition de la communauté scientifique et des générations à venir », a-t-il dit.

L'ensemble de la collection étant désormais publiée, la prochaine étape consiste en la numérisation des 30 volumes (dont les 26 premiers fascicules ont été actualisés) et leur mise en ligne sur un nouveau site web dédié au projet. Le but étant de permettre leur accès au plus grand nombre, dont des scientifiques, des étudiants et le public en général.

### Historique de la collection

1971 : Lancement de la Flore. Alors que les publications sur la flore insulaire de l'océan Indien remontent à la seconde moitié du XIXe siècle, il devient vite évident qu'une description actualisée de la flore des îles du sud-ouest de l'océan Indien s'impose.

1976-2018 : Publication régulière des 28 premiers fascicules. Ceux-ci sont à l'origine produits à Maurice par l'imprimerie du Gouvernement sous la direction du MSIRI/MCIA, puis, à partir de 1990, édités et imprimés par l'IRD. Quelque 225 familles de plantes comprenant environ 2 500 espèces, dont plus d'une centaine d'entre elles nouvelles, ont été décrites dans l'ensemble des 30 volumes.

2023 : Publication des volumes 29 et 30 sur les Orchidées, les deux derniers ouvrages de la Flore.

## HIPPISME – 7E JOURNÉE

# Une journée dominicale sous le charme de Sylvain Kaleecharan

Beau temps, courses disputées et ambiance séga. Le cocktail idéal pour une journée de course réussie. Après les émotions de la sixième course, Sylvain Kaleecharan accompagné de ses danseuses a repris Ravanne a pe bate, un de ses nombreux tubes. Si ses fans chantaient les refrains, les plus petits se déhanchaient pour le plus grand bonheur de la foule. Et en clôture de la journée, il a remis ça avec Fam la zeness.

Après sa prestation, le chanteur a bien voulu nous parler un peu de lui et de ses projets futurs. Si Sylvain est comme un poisson dans l'eau, il reste un artiste humble et respectueux.

Influencé par son père, Sylvain Kaleecharan commence à pousser la chansonnette très jeune. Il reçoit le soutien des artistes

comme Tian et fait partie du groupe Zotsa avant de se lancer dans une carrière solo. Très vite il marque les esprits avec ses tubes, dont un certain Fam la Zeness. Le ségater n'a pas manqué pas de faire l'éloge de ses danseuses, qui dit-il contribuent à son succès. Et il a tout à fait raison à en juger de la prestation de ses danseuses.

People's Turf, une plateforme pour les artistes

Sylvain Kaleecharan se dit fier et honoré que la People's Turf ait fait appel à lui pour cette journée dominicale. Il avance que la PTP est une plateforme pour les artistes de faire montre de leur talent, surtout en ces temps difficiles. Les projets plein la tête, il dit chercher un sponsor pour son prochain album.
