Ceux qui “découvrent” l’Amérique...

Il n’y a rien de nouveau dans ce qu’a « révélé » l’émission de Radioplus, vendredi soir. Si Nawaz Noorbux et Jean-Luc Emile comptaient sur l’élément « choc » pour faire monter l’audience de leur radio, ils auront certainement pleinement réussi à épater les accrocs de cette radio privée, et les « naïfs » qui croient encore que notre île est un endroit paradisiaque où il fait bon vivre. Mais pour ceux qui nous lisent depuis longtemps, ils savent que la seule nouveauté de l’émission était la clef USB (pendrive) qui accompagne le document juridique (affidavit).

Car, c’est bien la première fois qu’une personne, en l’occurrence Vimen Sabapati, soupçonnée et arrêtée par la police pour trafic de drogue dure, met en avant une certaine façon de faire d’une certaine police. Et ce, en enregistrant des policiers qui dévoilent en quelque sorte le modus operandi de leurs propres collègues. Et hormis cela, tous les Mauriciens avertis savaient déjà comment opéraient certains policiers.

Raquel Jolicoeur n’avait-il pas interpellé le responsable d’une unité de la police dans une vidéo ? Et ne dévoilait-il pas en direct sur les réseaux sociaux comment cette unité avait planté de la drogue chez son frère, et détruit tout le réseau de vidéosurveillance qui aurait pu prouver ses dires ? Une semaine plus tard, cette unité l’arrêtait et « découvrait » armes et explosifs chez lui. Et il était arrêté pour vouloir soi-disant faire exploser le Parlement et les Casernes Centrales. Depuis 1968 à ce jour, jamais aucun « felon » n’avait jamais planifié un tel attentat. Un Raquel Jolicoeur aurait fait ça ? Il croupit toujours en cellule, le judiciaire n’ayant toujours pas compris qu’il disait vrai d’avoir été « framed » !

Prenons le cas Navind Kistnah. Cerveau, ou pion, d’un trafic de drogue dure, il est finalement arrêté au Mozambique, et depuis plus de 7 ans maintenant il est gardé à Alcatraz. Quand les « limiers » arrêtent un tel gros poisson, ils disent toujours au magistrat ou au Juge que « le suspect ne peut pas être relâché. Il pourrait s’enfuir ou communiquer avec d’autres complices. ». Com-

ment expliquer que Kistnah n’ait pas encore été déféré aux Assises, et condamné à 42 ans de prison ? Justement, dans la majeure partie des cas de ce genre, JAMAIS les portables saisis sur les suspects n’ont révélé leurs secrets ! Rappelez-vous de l’arrestation de l’artiste Double K, à Roche Bois, avec une grosse cargaison d’héroïne. Kot in arive sa ? Tegn net, nepli tande !

Tous ceux qui ont écouté les propos d’un des limiers de l’ADSU, disant « ki nou oblize plant ladrog kot sartin dimoun », doivent comprendre une chose : Beaucoup de policiers ne savent pas enquêter ! Tout en ne mettant pas tous les policiers dans le même panier, car nous l’avons-nous-mêmes dit en plusieurs occasions qu’il y a des policiers intègres, il faut aussi accepter que quand les politiciens ont commencé à se sub-

stituer à la PSC et à la DFSC, beaucoup de « ninport » ont commencé à porter l’uniforme. Et ont continué leur sale besogne. Qui ne connaît pas ce policier, dont la maison se trouvait juste en face des Casernes Centrales, arrêté au moins deux fois avec de la drogue ? Kouma in rant gard sa ? Ne nous étonnons donc pas si les assassins de Nadine Dantier, Vanessa Lagesse, Michaela Harte et Soopramanien Kistnen courent toujours. Les vrais enquêteurs, de la trempe des Roger Marcello, Ecosse Marcel, Hector Tuyau et Daniel Monvoisin et Hurrydeo Raddhoa ne sont plus aux Casernes Centrales. Et personne n’a jamais pensé à la relève. Ce ne sont pas les frères Jokhoo qui me contrediront sur ce sujet !

Nous l’avons nous-même félicité dans un éditio : Anil Kumar Dip fut le premier Com-

missaire de police à venir dire que tout policier qui fauterait perdrait sa place. Et il avait tenu parole. Mais la magie du « pli lao » et les lobbies communaux ont eu raison de ce qu’il avait décidé. Et donc, tout policier trouvé fautif et coupable de viol, d’agression, de vol et de trafic de drogue restait toujours « suspendu » ou « transféré » dans un autre département. Et c’est ce statu-quo, plusieurs fois dénoncé par le Directeur de l’Audit, qui a occasionné le pourrissement accéléré de beaucoup d’éléments de la force policière. Dan ki travay, si ou n fane nek « sispann » ou « transfer » ou ? E ou kontigne gagn ou lapey, e kapav ou lump sum/pansion tou ?

Si Pravind Jugnauth veut vraiment combattre le trafic de drogue, qu’il rétablisse d’abord la peine de mort pour les trafiquants avérés (et non piégés) de drogue dure. Ensuite, qu’il vienne avec une motion/projet d’amendements à la Public Service Commission et la Disciplined Forces Service Commission, pour que tout policier trouvé coupable (là encore pas piégé) de malversation dans l’exercice de ses fonctions, soit IMMEDIATEMENT démis de ses fonctions, son salaire cessé et pension arrêté. Et bien entendu, l’opposition DOIT voter ces amendements, sans contestation aucune.

Parce que notre île a atteint le point de non-retour avec le trafic de drogue. Comme le dit souvent le travailleur social Ally Lazer, il n’y a jamais de pénurie de drogue dure sur le sol Mauricien. L’heure n’est plus de savoir si Vimen Sabapati est proche, ou pas, du Parti Travailleiste et de Navin Ramgoolam. Si on donne une connotation partisane à ce qu’il a dévoilé, ben le pays enfantera encore d’autres Frankenstein ! Des monstres qui seront difficiles à contrôler. Et qui pourront même dicter s’ils doivent être extradés ou pas !

Alors, assez de palabres. L’heure est à l’action. Peine de mort et remède de cheval contre tous ceux qui corrompent cette île, et tuent notre jeunesse à petit feu !

Sedley Assonne

LOIS DU TRAVAIL

Les syndicats inquiets de l'impact social de certaines mesures

Les amendements que le gouvernement se propose d'apporter aux lois du travail, notamment au Workers' Rights Act, seront suivis de près par les syndicats car si certains changements semblent être favorables aux salariés d'autres par contre font tiquer, à l'exemple de la suppression du ratio entre employés étrangers et locaux annoncée par le ministre des Finances lors de la présentation du budget 2023-2024. Dans les milieux syndicaux on déclare que certaines formules utilisées par le ministre Renganaden Padayachy donnent à réfléchir et suscitent plus de questions qu'elles ne donnent de réponses.

En effet, le ministre des Finances avait parlé, dans le discours du budget, de «réforme majeure de notre politique migratoire», de simplifier le processus de recrutement pour les entreprises et de rationaliser la procédure d'obtention d'un permis de travail afin d'améliorer le climat des affaires et d'ouvrir davantage le pays sur l'étranger. Ces initiatives répondent aux attentes des associations pour que soient assouplies les procédures afin de favoriser le recrutement d'un plus grand nombre de travailleurs étrangers notamment dans le

secteur de l'hôtellerie.

L'impact social négatif de certaines mesures

Cependant, la démarche du gouvernement et du ministre du Travail, qui proposera les amendements nécessaires au Workers' Rights Act, ne sont pas sans susciter une certaine appréhension chez les syndicats concernant l'impact social de certaines mesures. Une de ces mesures concerne la modification de la loi pour permettre à un travailleur de compléter sa semaine de travail en quatre jours afin de promouvoir des horaires plus flexibles et de lui permettre de concilier obligations familiales. Cette mesure semble positive car elle va dans le sens d'un meilleur équilibre familial mais elle aura un effet direct sur les heures supplémentaires et nécessitera sans doute le recrutement d'une main d'œuvre additionnelle, probablement des travailleurs étrangers, font remarquer des syndicalistes.

L'autre mesure qui fait tiquer est l'élaboration, par le ministère du Travail, d'un nouveau cadre pour l'emploi de travailleurs

migrants, notamment de jeunes filles pour travailler comme femmes de ménage et comme babysitter. Au niveau de la Confédération des Travailleurs du Secteur Privé (CTSP) on s'interroge sur le bien-fondé d'une telle démarche en mettant en avant le risque de trafic humain voire de prostitution.

D'aucuns font remarquer que les travailleurs étrangers sont présents dans plusieurs secteurs du travail notamment la construction, les boulangeries, les stations-service, les supermarchés et l'industrie manufacturière, entre autres, et qu'il n'est pas nécessaire d'en recruter d'autres pour effectuer des tâches ménagères car il sera difficile pour les autorités de s'assurer que les conditions figurant dans leurs contrats de travail sont vraiment respectées. Ils citent à ce propos l'exemple des émirats arabes où les travailleurs étrangers, et plus particulièrement les femmes de ménage, sont à la merci de leurs employeurs qui confisquent leur passeport, les empêchant ainsi de quitter leur emploi si les clauses de leur contrat ne sont pas respectées.

MONDE DU TRAVAIL

Une étude de Business Mauritius pour retenir les compétences au pays

Alors que l'on parle de plus des jeunes qui quittent le pays pour émigrer, non seulement en raison des meilleures perspectives d'emploi qui existent ailleurs, mais aussi découragés par l'atmosphère socio-économique délétère qui règne dans à Maurice, les secteur privé s'est lancé dans un exercice visant, à attirer les jeunes et à retenir les compétences dans le pays. Plusieurs représentants d'associations patronales avaient exprimé, lors de l'exercice de consultations pré-budgétaires, leurs craintes face à l'exode de cerveaux que connaît le pays. Ils ont décidé d'y remédier. Pour arrêter cette hémorragie, Business

Mauritius a entrepris une étude afin de connaître les vraies raisons qui poussent certains salariés à quitter leurs postes pour chercher mieux ailleurs ou pour émigrer. Cette étude, qui a débuté en mars dernier, touche pas moins de 200 entreprises opérant dans différents secteurs économiques. L'objectif est de savoir ce qui motive et ce qui décourage les salariés.

Des questionnaires ont été distribués aux employés qui sont invités à répondre, aux questions qui leur sont posées en leur donnant l'assurance que leur anonymat sera respecté et que les don-

nées recueillies seront traitées en toute confidentialité. Les questions posées ont trait à l'insuffisance des salaires, aux conditions de travail à l'empiètement du travail sur la vie familiale ou encore au sentiment de bénéficier des progrès et de l'essor de l'entreprise en un mot à tout ce qui touche au job satisfaction. Tous ces sujets seront traités de manière détaillée et le rapport qui sera publié après l'analyse des données contiendra des recommandations que les employeurs seront invités à appliquer afin, non seulement de donner satisfaction à leurs employés, mais également d'assurer la pérennité de leurs entreprises.

OPPOSITION

L'alliance Ptr-MMM-PMSD se dessine

*** Un Front bench à 3 [Navin-Paul-Xavier]**

*** Reza Uteem aux Finances dans le cabinet fantôme ?**

Le budget de vendredi dernier a provoqué au sein de l'opposition un déclic, qui est en fait le renforcement de l'assentiment que les élections générales arrivent. S'il est vrai que le sens de la démagogie, pour ne pas dire du bluff est aïgu chez P. Bérenger, lequel ressasse au moins chaque quinzaine que ce scrutin s'approche, il est aussi significatif que les trois leaders de l'opposition s'évertuent à conclure une alliance le plus rapidement possible.

Une alliance en gestation [élaboration lente] ne fait qu'accroître les doutes et les surenchères. À cet effet, plus pressé que Navin Ramgoolam et Xavier Duval, le leader du MMM a forcé le pas et ainsi a réussi à faire expédier les affaires. Valeur du jour, en apparence, presque tous les points de discorde ont été résolus, même si l'attitude hautain de PRB [qui ne cache pas cette attitude qu'il se suffit à lui-même, en terme de relations humaines] ne plait pas à XLD. Jusqu'où tiendra cette union, se demande des observateurs avertis, quoique l'esprit de compromis du leader des bleus a beaucoup contribué à aplanir des obstacles.

En effet, au niveau de la répartition des tickets, X. Duval ne s'est pas montré gourmand. En voyant de plus près, on comprendra que le fils de Sir Gaëtan n'a pas perdu en ambitions pour son parti. Mais, il a gagné en réalisme: vaut mieux

se contenter et s'entourer de peu de parlementaires, mais sincères et pas "achetables", que d'avoir une troupe plus grande, avec des risques réels que certains soient des transfuges potentiels.

Cependant, XLD a réclamé au moins deux ministères-clés et ne disconviendrait pas que la Présidence de la République soit attribué au Pmsd. De plus, il sera sans surprise sur le Front Bench, qui pour la première fois pourrait être occupé par trois leaders. Au lieu des quatre, c'est à dire le PM, un Dpm constitutionnel et un second Deputy PM élémentaire.

Quid d'un ministre musulman souvent destiné à compléter le Front bench du Parlement ? Justement, cette alliance ne se contenterait pas de placer un membre de cette communauté en première ligne, seulement pour la forme. Elle se proposerait de nommer Reza Uteem comme ministre des Finances, une première dans l'histoire. De plus, les trois partis veulent éviter une discorde en choisissant Reza au détriment de Shakeel Mohamed pour le 4ème maroquin. Les deux dans la même rangée désamorcer la bombe.

Quel sera le rôle de Bérenger dans le Cabinet? Notre source nous apprend que le chef du MMM aurait lui-même proposé de prendre le portefeuille de ministre des Affaires Étrangères. Outre d'endosser le brassard de no.2 du gouvernement.

Maintenant, qu'en serait-il de la distribution des tickets entre les trois partis? Le Ptr aurait pu faire imposer son quota de 35 tickets, contre 17 au MMM et 8 au Pmsd. Il va de soi que cette question épineuse aurait pu faire exploser l'alliance et dans cette optique et Navin et Paul devraient une fière chandelle à Xavier, cela pour les raisons mentionnées plus haut.

Toutefois, en politique rien ne devient une certitude avant l'heure fatidique de la conclusion d'une alliance, c'est à dire à la veille [quelques jours] du "Nomination day". Entretemps, les spéculations iront bon train, surtout avec les possibilités qui existent: Ptr-PMSD

Cassam dhunny

S. Mohamed et A. Boolell dans la 2ème rangée. Ils font du surplus.

OPINION

Budget 2023-2024 : Les ambitions mauriciennes en Afrique

Ce n'est pas trop : le gouvernement mauricien semble vouloir enfin intensifier ses ambitions d'investir en Afrique. À ce jour, seules des banques rendaient compte de leurs investissements en Afrique, mais leur intérêt pour le continent avait déjà valeur d'indicateur. Chaque année, les agences de notation ainsi que des cabinets de conseils partout dans le monde ne cessent de répéter que l'Afrique demeure le dernier continent ou des opportunités de commerce et de coopération existent après que les multinationales aient ratissé les autres endroits au monde.

Les ambitions d'exploiter davantage le marché africain dans le but de diversifier nos marchés d'exportation seront-elles favorisées avec la mise sur pied de zones économiques spéciales ? C'est la question qui est posée avant que le gouvernement mauricien ne précise sa démarche en mettant sur pied des fonds additionnels et des bureaux dans des pays africains où il compte développer ses intérêts. Il existe un fond africain géré par le ministère des Finances, mais on ne connaît pas grand-chose concernant son utilisation. Seules les banques présentes dans certains pays africains où le secteur minier est la principale activité économique connaissent les réalités de ces pays. Les Mauriciens, dans leur grande majorité, connaissent très mal l'Afrique, du Maghreb jusqu'à l'Afrique du Sud, en passant par les pays du centre. Il existe des idées préconçues de l'Afrique selon lesquelles, le continent serait constamment ravagé par des coups d'Etat militaire, gangrenée par la corruption, les maladies, les fléaux sociaux sans oublier les instabilités climatiques. Mais, les rapports réalisés par des cabinets de conseils montre une toute image de l'Afrique, plus nuancée, avec des pays possédant chacun leurs particularités selon leurs rapports entre eux et les ex-puissances qui les ont colonisées, mais aussi avec la Chine et l'Inde, les deux pays d'Asie très présents sur le continent depuis ces dix dernières années.

Africa CEO Forum

Le lundi 5 juin 2023 s'est ouvert le plus grand rassemblement annuel du secteur privé en Afrique, l'Africa CEO Forum, cet événement rassemblant 2000 participants, dont les principaux acteurs économiques du continent ainsi que des Chefs d'État et ministres de plusieurs pays. C'est l'Economic Development Board (EDB) qui y a représenté l'île Maurice. Durant deux jours, ils ont été conviés à échanger sur l'émergence d'une nouvelle génération de champions africains. Près d'une trentaine d'entreprises et groupes mauriciens (BPO, CIEL,

ITL, etc.) étaient représentés à cette édition 2023 de l'Africa CEO Forum, le plus grand rassemblement de décideurs du continent. Fondé en 2012, l'Africa CEO Forum est la plateforme de référence des dirigeants des plus grandes entreprises africaines et internationales, des investisseurs internationaux, des responsables de multinationales, des chefs d'État, des ministres et des représentants des principales institutions financières actives sur le continent. Incontestablement le lieu de rencontres de haut niveau, de partage d'expériences et de décryptage des tendances qui affectent le monde des affaires, l'AFRICA CEO FORUM

propose des solutions concrètes et innovantes pour faire avancer les entreprises du continent. Grâce à ses initiatives, l'AFRICA CEO FORUM accroît la représentation des femmes aux postes de décision sur le continent et soutient la transformation des entreprises familiales africaines. C'est à travers de telles plateformes que de nombreux pays africains portent un véritable intérêt à l'île Maurice depuis le milieu des années 80 où notre pays s'était fait la réputation d'une petite île sans ressource ayant réalisé un 'miracle économique' grâce à ses entrepreneurs et un écosystème qui avait créé les conditions pour son essor économique sans précédent...

Depuis ces vingt dernières années, l'île Maurice a encore élargi cette belle réputation bâtie sur une solide stabilité politique qui ne s'est jamais démentie, les alternances se faisant dans le respect des institutions. Depuis la décentralisation dans le secteur du sucre, l'île Maurice a su négocier avec succès sa recherche de nouveaux piliers

économiques, la dépendance sur la monoculture ne devenant plus viable. Mais pour y arriv-

er, notre pays a dû investir lourdement dans la formation de nouvelles compétences, notamment dans la finance, la banque, les télécommunications, le commerce et le droit des affaires, entre autres. Ce défi dans la formation, comme celui qui s'était présenté à l'île Maurice au lendemain de l'Indépendance, a été relevé et si bien que le secteur financier est devenu une filière à succès à Maurice et a montré sa résilience face à la 'disrupture' provoquée par la pandémie en 2020

Nouvelle configuration économique

Cependant, depuis la double crise économique provoquée par la Covid-19 et la guerre en Ukraine, la nouvelle configuration économique nous dicte de réévaluer nos relations avec le monde. En Afrique, cette réalité est déjà prise en ligne de compte, car au moment où la prolifération des crises à l'échelle mondiale s'accélère, la priorité du continent africain doit encore davantage se tourner vers la construction d'économies souveraines, résilientes et prospères. Il convient de savoir que les PME, les entreprises de taille intermédiaire et les grands groupes africains sont les premiers pourvoyeurs d'emplois et les relais économiques indispensables de la puissance publique. L'île Maurice peut, elle, s'enorgueillir d'avoir des grands groupes patrimoniaux, de même que des banques et compagnies d'assurance qui se sont constitués grâce à des fonds propres et que sa transition vers l'Indépendance s'est déroulée dans la paix et l'harmonie, hormis l'infecte campagne communaliste du PMSD et les bagarres raciales. Si ces bases ont été déterminantes pour relever le défi posé par le sous-développement, l'absence de richesses naturelles à Maurice de même que la crainte d'une explosion démographique, en cette année post-Covid, il importe d'affronter des défis autrement plus complexes dus à la mondialisation des échanges des biens et services.

Aussi, ce contexte nouveau dicte d'explorer de nouveaux marchés en addition à nos amis traditionnels que sont l'Europe et l'Inde. La tendance depuis ces trente dernières années est de rechercher des partenaires de proximité dans une philosophie de commerce gagnant-gagnant. Notre appartenance au continent africain conjuguée à notre réputation héritée des années de 'miracle économique', nos compétences dans différents domaines sans oublier notre bilinguisme, sont des atouts sur lesquels il nous faudra nous appuyer pour réussir ce nouveau défi de diversification.

INFLATION

Le taux maintient une tendance à la baisse

Le taux d'inflation en glissement annuel (year-on-year inflation) maintient une tendance à la baisse depuis le début de cette année. En effet, le taux a encore chuté au mois de mai, passant de 8,3% en avril à 7,9% en mai 2023. Parallèlement, l'indice des prix à la consommation (IPC), a également accusé une hausse le mois dernier, passant 131,0 en avril à 131,2 en mai 2023.

Les derniers chiffres de Statistics Mauritius rendu public, vendredi, démontrent que le taux d'inflation a accusé une légère baisse de 0,4% d'avril à mai 2023, passant de 8,3% en avril à 7,9% en mai. Pour le même mois en 2022, le taux d'inflation s'élevait à 10,7%. L'inflation globale pour les 12 mois se terminant en mai 2023 s'élève à 10,6% contre 7,7% pour les 12 mois se terminant en mai 2022. Par ailleurs, l'inflation annuelle, excluant les composants alimentaires, boissons et tabac et des intérêts hypothécaires sur les prêts au logement de l'inflation globale, s'établit à 5,3% en mai 2023, contre 11,0% en mai 2022, tandis que l'inflation annuelle, excluant les produits alimen-

l'électricité, du gaz, les autres combustibles et les articles dont les prix sont contrôlés par l'inflation globale pour les 12 mois se

« boissons alcoolisées et tabac » a accusé une hausse passant de 132,2 en avril à 132,6 en mai. La catégorie « vêtements et

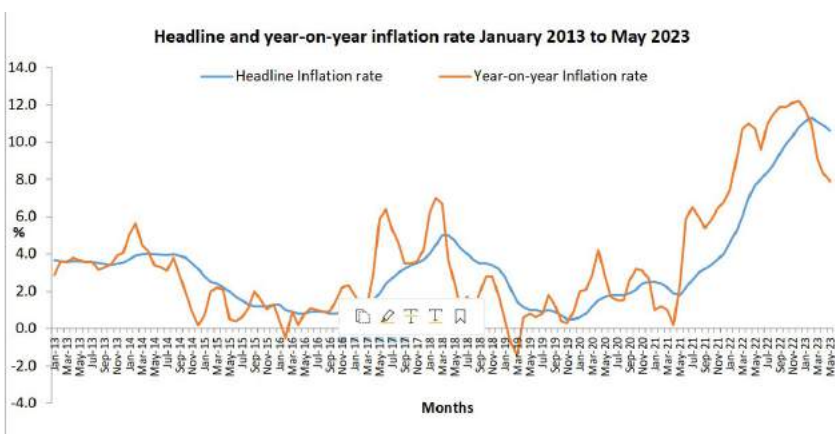

terminant en mai 2023 a accusé une légère baisse, passant à 7,3% en mai contre 7,5% de janvier à avril 2023 et contre 5,5% en mai 2022.

chaussures » a augmenté de 116,3 en avril à 116,5 en mai 2023. L'indice pour le secteur du logement, eau, électricité, gaz et autres combustibles est resté inchangé, soit de 110,4 en avril et mai 2023. En revanche, l'indice pour la catégorie « ameublement, équipement ménager et entretien ménager » a accusé une baisse passant de 135,0 en avril à 134,8 en mai.

Par ailleurs, l'indice du secteur de la santé a accusé une hausse passant de 130,9 en avril à 131,0 en mai 2023. L'indice du secteur du transport a grimpé de 142,6 en avril à 143,1 en mai 2023. L'indice pour le secteur de la communication a accusé une légère hausse, passant de 98,8 en avril à 98,9 en mai 2023. L'indice de la catégorie « récréation et culture » a accusé une baisse, passant de 117,0 en avril à 116,7 en mai 2023. L'indice du secteur de l'éducation a maintenu le même taux, soit 114,6 en avril

et mai 2023. L'indice pour les restaurants et hôtels a également augmenté, passant de 132,0 en avril à 132,1 en mai 2023. Les biens et services divers ont accusé une hausse, passant de 125,3 en avril à 126,0 en mai 2023. Par ailleurs, les sous-indices pour toutes les divisions, excluant les boissons alcoolisées et le tabac, sont passées de 130,8 en avril à 131,0 en mai 2023.

taires, les boissons et le tabac, les intérêts hypothécaires sur les prêts au logement, de l'électricité, du gaz, les autres combustibles et les articles dont les prix sont contrôlés par l'inflation globale, s'établit à 5,3% en mai 2023 contre 7,9% en mai 2022.

L'inflation excluant les composants alimentaires, boissons et tabac et des intérêts hypothécaires sur les prêts au logement de l'inflation globale pour les 12 mois se terminant en mai 2023 a accusé une baisse, passant à 9,3% en mai, contre 9,8% en avril, 9,9% en mars, 9,8% en février, 9,6% en janvier 2023, et 6,0% en mai 2022. En outre, l'inflation excluant les produits alimentaires, les boissons et le tabac, les intérêts hypothécaires sur les prêts au logement, de

En ce qui concerne les sous-indices des douze divisions des dépenses de consommation pour le mois de mai 2023, l'indice de la catégorie « nourritures et boissons

non-alcoolisées » est passé de 146,8 en avril à 147,3 en mai. L'indice pour la catégorie

coolisées et le tabac, sont passées de 130,8 en avril à 131,0 en mai 2023.

VISITE DE COURTOISIE

Le ministre d'État des Émirats arabes unis, Al Nahyan, rencontre Pravind Jugnauth

Le ministre d'État des Émirats arabes unis (EAU), Sheikh Shakhbout bin Nahyan Al Nahyan, a rendu une visite de courtoisie au Premier ministre, Pravind Jugnauth, au bâtiment du Trésor à Port-Louis, vendredi. Les discussions entre le Premier ministre et Al Nahyan ont porté sur le renforcement des relations bilatérales existantes entre Maurice et les EAU ainsi que sur les pistes de coopération possibles.

Le ministre Al Nahyan et sa délégation étaient en visite d'une journée à Maurice. Il a été nommé au gouvernement fédéral en tant que ministre d'État au ministère des Affaires étrangères en février 2021. Il a été ambassadeur des Émirats arabes unis en Arabie saoudite depuis 2017 et a également été président de la Fédération équestre des Émirats arabes unis en 2015-2016. Sheikh Shakhbout bin Nahyan Al Nahyan est titulaire d'un diplôme de troisième cycle en diplomatie et relations internationales des Émirats arabes unis de l'Académie diplomatique des Émirats en 2017. Il s'est inscrit à l'Académie royale militaire de Sandhurst en 2015-2016 et a également obtenu un baccalauréat en médias appliqués des collèges supérieurs de technologie (HCT) – Abou Dhabi en 2012.

MÉTÉO

Des averses matinales au rendez-vous

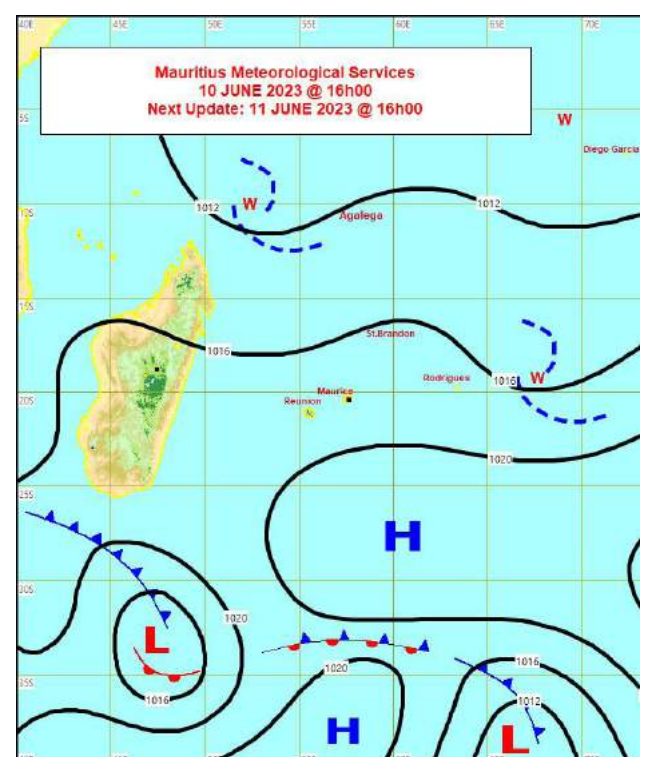

Des petites averses sont attendues dans la matinée de ce dimanche 11 juin. De plus, selon les récentes prévisions de la station météorologique de Vacoas, les averses persisteront la semaine prochaine.

Selon les Services Météorologiques de Maurice, des nuages venant de l'est ont commencé à influencer le temps local dans la nuit d'hier. Si dans un premier temps, le temps était essentiellement beau dans la soirée d'hier, le ciel est par la suite devenu mi-couvert à parfois nuageux, accompagné des ondées occasionnelles sur les hauteurs et sur moitié Est de l'île. La température minimale sera entre 16 et 18 degrés Celsius sur le plateau central et entre 20 et 23 degrés Celsius dans les régions côtières.

En ce qui concerne le temps pour ce di-

manche 11 juin, des périodes nuageuses sont attendues, avec des averses principalement sur la moitié Est de l'île et sur le plateau central. La température maximale sera entre 23 et 25 degrés Celsius sur les terrains élevés et entre 27 et 29 degrés Celsius sur le littoral. Le vent soufflera du secteur Est à environ 20 km/h. La mer sera forte au-delà des récifs avec des houles du sud-ouest de l'ordre de 2 mètres 50. Les sorties en haute mer sont déconseillées.

Lundi, les averses seront présentes dans l'après-midi et dans la soirée alors que mardi, elles seront présentes dans la matinée et dans la soirée. Ces conditions météorologiques instables perdureront jusqu'en fin de semaine. La mer restera agitée au-delà des récifs. Les précautions sont de mises.

JOURNÉE MONDIALE DE L'ENVIRONNEMENT

Le collège Islamique de Belle-Rose organise une journée commémorative

A l'occasion de la Journée mondiale de l'environnement 2023, le collège Islamique de Belle-Rose a organisé une journée d'activité le 5 juin dernier. Une sensibilisation et une campagne de nettoyage ont été organisées par les élèves aux abords de l'école à cette occasion. Cette journée, célébrée sous le thème « combattre la pollution plastique », a été marquée par la présence du ministre de l'Environnement, de la Gestion des déchets et du Changement climatique, Kavy Ramano, et du nouveau maire de la ville de Quatre-Bornes, Dooshiant Ramlukhun.

Le directeur du collège, Sheik Mamode, le recteur Sajjid Peerbux, en

collaboration avec le comité de l'environnement au sein de cet établissement secondaire, ainsi que le comité événementiel, ont fait de cette journée un succès. Les étudiants du collège Islamique de Belle-Rose ont pendant

les gardiens de la nature et de la Terre. « Au niveau de notre collège, nous faisons tout ce qui est dans notre capacité pour sensibiliser nos étudiants sur la protection de l'environnement, en particulier les bonnes pratiques à adopter. D'ailleurs, le collège Islamique de Belle-Rose est l'un des rares collèges à Maurice qui offre comme matière académique « l'agriculture » en Grade 11.

Reaaz Baureck, éducateur, membre de l'Event committee et membre de l'Environment Club and Sport Committee, a remercié le ministre qui a collaboré pleinement au parrainage des bacs; bacs à compost et plantes médicinales qui ont été distribués aux voisins, dans le cadre du projet de l'embellissement des quartiers de Sodnac. « Je

souhaite que Belle Rose puisse aussi devenir verte et que l'énergie verte soit utilisée un peu partout. C'est d'ailleurs une bonne mesure qui a été annoncée dans le budget 2023 », dit-il.

cette journée, mis en terre des arbres, nettoyé les alentours du collège et surtout sensibiliser le voisinage sur l'importance de la Journée mondiale de l'environnement.

A cette occasion, le ministre Kavy Ramano a fait ressortir que la Journée mondiale de l'environnement offre l'opportunité de rassembler des individus, des communautés, des organisations et du gouvernement. Son but, dit-il vise à sensibiliser, inspirer l'action et mobiliser des efforts collectifs en vue de construire un avenir durable.

De son côté, le recteur du collège, Sajjid Peerbux, a rapelé que les humains sont

CONSERVATION DE LA BIODIVERSITÉ MARINE

The Lux Collective, premier groupe hôtelier de luxe à s'associer à l'ONG Eco-Sud

The Lux Collective renforce son positionnement en matière de leadership durable à travers la signature d'un protocole d'accord avec l'ONG Eco-Sud le 8 juin dernier. Cette décision s'inscrit dans le cadre de la Journée mondiale de l'environnement et celle des océans, et vise à mettre en place un plan de conservation de notre biodiversité marine, à travers des pratiques respectueuses de l'environnement pour permettre à la vie marine de prospérer dans son habitat naturel. Ce partenariat a aussi pour but de sensibiliser le plus grand nombre à l'importance de nos océans et promouvoir des pratiques durables pour protéger les écosystèmes marins.

Conformément à l'objectif de développement durable #14 des Nations unies, qui consiste à conserver et à exploiter de manière durable les océans, les mers et les ressources marines, des habitats favorables aux tortues seront aménagés sur les plages des six hôtels du groupe à l'île Maurice, à savoir LUX* Grand Baie, LUX* Belle Mare, LUX* Le Morne, LUX* Grand Gaube, Tamassa Bel Ombre et SALT of

en éradiquant la pollution... De nombreuses menaces pèsent sur nos océans dont la bonne santé assure le bon équilibre de la vie sur Terre, voir la survie humaine. C'est pour toutes ces raisons que nous devons nous mobiliser. Penser ensemble à des solutions pour lutter contre la dégradation des océans. Nous tenons à remercier Eco-Sud de nous permettre d'être partie prenante à ce noble projet », avance Evita Fakun, Chief Sustainability Officer chez The Lux Collective.

De son côté, Sébastien Sauvage, CEO de Eco-Sud, affirme que cela fait plus de 23 ans que l'association est née de la volonté des habitants de Blue Bay à protéger le parc marin qui s'y trouve, les écosystèmes et la biodiversité. « Aujourd'hui, ce partenariat entre The Lux Collective et Eco-Sud démontre bien qu'il vaille la peine de se mettre debout pour notre patrimoine naturel. L'urgence de changer notre rapport avec la nature est bien réelle, l'extinction des espèces, la crise environnementale et climatique nous mettent face aux défis que nous devons relever tous ensemble et sans compromis sur nos valeurs », dit-il.

les lagons et faire part de leurs recommandations pour la mise en place de projets de carbone bleu qui auront pour objectif de rétablir la biodiversité. La communauté des pêcheurs des diverses régions où opèrent les hôtels du groupe aura aussi accès à une formation à la pêche éthique, dispensée par Eco-Sud et sera intégrée dans les chaînes d'approvisionnement des stations balnéaires. Des ateliers interactifs seront organisés pour éduquer les enfants et les faire participer à des activités de conservation marine, en créant un sentiment d'appartenance et de responsabilité à l'égard de l'environnement.

Diverses expositions seront organisées et présenteront les projets de carbone bleu susmentionnés. Tout individu aura également la possibilité de contribuer à la collecte de données lors de ses plongées autour de l'île en partageant des images et des géolocalisations avec l'ONG. Il est important de savoir que la tortue imbriquée est une espèce en danger d'extinction. Malgré l'observation de spécimens dans les eaux mauriciennes, il est difficile de confirmer l'état de leur population en raison du manque de tentatives de nidification. Jusqu'à présent, seules 20 000 femelles ont été repérées et suivies avec succès dans le monde entier ! Cette action sera mise en œuvre dans tous les hôtels du groupe à Maurice comme à l'étranger; l'objectif étant de mobiliser le plus de monde à s'engager en faveur des océans et du climat.

Palmar.

Les océans qui sont notre source de vie, produisent au moins 50% de l'oxygène que nous respirons ; sont une source importante de nourriture et de médicaments ; nous protègent du réchauffement climatique et absorbent environ 30% des émissions mondiales de CO₂ ; entre autres. En danger avec la surpêche et la pollution, nos océans doivent irrémédiablement être protégés car, sans elles, toutes les espèces s'éteindront ! The Lux Collective et Eco-Sud ont, ainsi, tenu des séances de réflexion en vue de préserver notre écosystème marin. « Nous avons de la chance d'être une destination insulaire : nos plages sont facilement accessibles, facilitant ainsi la mise en place d'initiatives visant à protéger notre écosystème marin. C'est un enjeu qui nous concerne tous. Dans les quatre coins du monde. Et chacun peut apporter sa contribution en réduisant la surconsommation,

Une série d'initiatives et d'activités adaptées à chaque hôtel sera ainsi mise en place dans le cadre de cet accord. Parmi, des campagnes de sensibilisation, des ateliers pour les étudiants, la promotion de d'écotourisme ou encore des collectes de fonds pour des projets de carbone bleu, tels que la plantation de mangroves, la création de pépinières de coraux, la mise en place de fermes ostréicoles, de prairies marines, etc.

The Lux Collective ainsi que ses hôtels accueilleront également, et sur une base régulière, divers experts en biologie marine pour étudier

13E JOURNÉE

The Gatekeeper...la passe de deux avec 62 kg une fois de plus

Cette 13e journée coïncidait avec les célébrations du premier anniversaire de l'organisateur des courses la People's Turf Plc. Il y avait une bonne foule au Champ de Mars et l'ambiance a été d'un bon niveau. Les différents vainqueurs de la journée sont repartis avec beaucoup de cadeaux offerts par les fidèles partenaires de la PTP, soit OMG, Wazza FM, Hassen Taher Seafoods et RBL Waterproofing. Une journée dominée par les favoris. Le champion The Gatekeeper a été exact alors que Donohoe a mené à la victoire Transonic et Ron's Joy. L'écurie Mahadia a aussi brillé puisque Alpine Challenge a également brillé.

The Gatekeeper, qui portait 62 kilos et qui était piloté par Rai Joorawon, a fait étalage de sa classe dans la PTP First Anniversary Cup. Il s'est imposé devant Spécial Blend, qui reste un bon élément. Sa mauvaise ligne était un problème sur ce 1500m, une course de groupe 3. Joorawon a pris la bonne décision très tôt pour suivre en retrait laissant Undercover Agent faire le boulot. The Gatekeeper avait son principal danger, Spécial Blend à son intérieur et au 400m, Joorawon va prendre l'initiative de bouger même s'il fallait le faire en three wide. Au 300m, The Gatekeeper faisait une belle impression et il va maintenir le rythme jusqu'au but. Spécial Blend a du se contenter

de prendre la 2e place encore une fois.

Captain Flynt a fait une belle course pour sa reprise et il sera à suivre avec des conditions plus en sa faveur. Royal Wulff avait définitivement besoin de cette course.

1e course: Bella Fiorino justifie sa cote de favori

Favori de la première course, Bella Fiorino n'a pas commis d'erreur en signant un premier succès qui en appellera d'autres. San Andreas a pris la 2e place dans la course. On attendait à un train sélectif avec la présence de Double Think, Bella Fiorino et African Fate dans la course. Mais contre toute attente, Brandon Ecoignard sur Af-

rican Fate n'avait aucune intention de tester son coursier pour le lead. Double Think va lui rester à l'écart jusqu'au 1000m puisqu'African Fate était à son intérieur et tournait la tête.

Dans ces circonstances, Bella Fiorino va se retrouver seul devant sur les premiers 600m avant d'être débordé par Double Think. San Andreas a suivi en retrait mais il était surveillé par High Voltage. San Andreas va commencer son effort de loin mais au 350m, Bella Fiorino va déboîter pour tomber sur Double Think. L'alezan, sous la monte de Soonaram, va bien accélérer pour l'emporter même s'il a abusé de la largeur de la piste. San Andreas est venu prendre la 2e place. African Fate est à revoir

et on devrait aussi s'attendre à ce que les commissaires s'intéressent aux instructions données à l'apprenti Ecroignard dans cette course. Les deux jockeys, soit Ecroignard (African Fate) et David (Double Think) de même que les entraîneurs de ces deux chevaux ont été convoqués pour donner des explications sur les différentes tactiques adoptées. Leurs explications ont semblé-t-il, convaincu le Board, qui mérite à notre une mention 'slack' ici.

2e course: Spotted Pearl résiste à Chestnut Cove

Le favori Charlie Squadron n'a pas été à la hauteur une nouvelle fois et le vainqueur de la course a été le gris Spotted Pearl. Ce dernier a résisté à l'arrivée tardive de Chestnut Cove. Smuts s'est montré le plus rapide pour diriger les opérations devant Charlie Squadron, qui va tirait sur les premiers mètres. Spotted Pearl, qui portait 4 kilos de moins, a évolué en one-off en attentiste en 5e position sur tout le parcours. Chestnut Cove suivait en dernière position derrière Big Smoke.

Charlie Squadron va tomber sur Smuts mais à mi-ligne droite, ces deux chevaux vont piétiner. Le gris Spotted Pearl va arriver fort sous la monte d'Ecroignard et il va dominer les deux chevaux pour se pointer en tête. Chestnut Cove, qui a du patienter longtemps dans la course, va arriver trop tard. Il aurait gagné cette course si on se base sur la manière qu'il a conclu.

3e: Hardfallingrain from start to finish

Confié à Yanish Taka, Hardfallingrain a réalisé un start to finish dans la 3e course.

Le coursier entraîné par Preetam Daby a lancé la course sur de bases élevées devant Bon Boyage et Sonnenstrahl. Lock Down a lui été repris au départ par David pour suivre sur les barres en 4e position.

La course va être courue sur de bases rapides et à la route on pensait que les chevaux de l'arrière allaient revenir. Mais Hardfallingrain n'a jamais faibli dans la ligne droite. Il a gagné avec autorité cette épreuve. Preetam Daby réalise un joli coup de poker.

4e course: Alpine Challenge reprend l'outsider Captain of the Sea

Il était sur papier le meilleur coursier de la course et il l'a démontré de fort belle manière sur 990m. Alpine Challenge imite Vartacus en gagnant d'entrée au Champ de Mars.

La bonne série continue pour Mahadia qui remporte une autre victoire avec un nouveau. Short Cut, un peu lent, a eu fort à faire car Gang Leader et Captain of the Sea avaient bien sauté. Captain Persia est boxed au départ et Donohoe n'a jamais montré un intérêt dans la course. Derreck David sur Captain of the Sea va insister pour aller devant avec Captain of the Sea. Alpine Challenge, qui avait bien sauté, a pu trouver les barres après 300m mais il a gêné la jument Imposing Angel qui est repris. Gang Leader va lui suivre en 3e position. Alpine Challenge va commencer à bouger au 400m et il va graduellement venir sur Captain of the Sea pour l'emporter.

5e course: Prince Alf résiste à Seattle Kid

Prince Alf a surpris tout le monde dans la course à l'avant. Il est parti devant et n'a jamais été rejoint. Grand Vision et Prince Alf ont mieux sauté que Shah's Akbar et Jameer Allyhosain va prendre l'initiative d'aller devant avec Prince Alf. On n'a pas trop compris la tactique de Bussunt alors qu'il aurait tenter de rester aux avants postes. Zum Zum, pris en épaisseur, va améliorer sa position entre le 2400 au 900m pour venir se positionner à l'extérieur de Grand Vision.

On va rester dans cette position jusqu'à l'entame de la ligne droite. Prince Alf, qui avait plenty in tank va repousser Grand Vision dans un premier temps et Seattle Kid qui va arriver à l'intérieur. Prince Alf offre un beau cadeau d'anniversaire à James Allyhosain.

6e course: Transonic confirme

Bien monté par Stephen Donohoe, Transonic s'est imposé avec autorité dans la 6e course. Free To Win est venu prendre la 2e place après un bon parcours sur les barres.

Transonic a été graduellement propulsé aux avants postes sans faire de gros efforts. Une fois que sa monture a trouvé les barres, Donohoe va laisser son cheval courir dans son pas. Le récent vainqueur Arizona Silk a une course difficile en montée et descente car Pop Icon lui menait la vie dure.

Transonic va prendre la dernière ligne droite avec du gaz et personne n'a été en mesure de revenir sur lui. Free To Win est venu prendre la 2e place.

8e course: Henry Tudor jamais mis en doute Avant la course, l'entraîneur Amar Sewdyl a informé les commissaires de ses intentions de ne pas insister pour le lead si Henry Tudor décide de partir. A partir de là, tous les données changent. Henry Tudor va trouver tranquillement les barres sans faire des efforts. Dans ces conditions, il était clair qu'il sera difficilement repris. Colour My Fate, qui suivait en deuxième position, va verser à l'extérieur et Emerald Band ne pouvait progresser correctement en début de ligne droite. Le coursier d'Allet est venu prendre la 2e place.

9e course: Rons Joys avec un bon Donohoe!

Ron's Joy, qui revenait dans une classe inférieure, a été exact au rendez-vous dans la dernière course.

Desert Boy a été propulsé aux avants postes par Kersley Ramsamy mais Donohoe sur Ron's Joy avait pris ses précautions en gardant la 2e position sur les barres. Partner in Crime, qui avait Derreck David sur le dos, tirait en descente alors que Flowerscape en one-off se montrait ardent lui aussi.

Donohoe va bouger sur Ron's Joy à partir de la route pour se mettre dans le striking position à l'extérieur de Desert Boy. Et dans la ligne droite, le coursier de Samraj Mahadia était visiblement trop fort dans cette classe. Best Day of My Life a bien conclu pour la deuxième place devant Crazy Charlie, qui était en dernière position à 500m de l'arrivée.

L'écurie Mahadia signe un triplé.

Temps fractionnés:

1e: 12.71, 12.24, 11.95, 11.59, 11.24, 25.60
 2e: 7.53, 13.02, 12.02, 11.92, 11.94, 11.00, 26.67
 3e: 13.99, 11.32, 11.89, 11.54, 10.65, 25.16
 4e: 11.31, 10.22, 10.28, 24.65
 5e: 20.15, 12.44, 12.60, 12.14, 10.87, 24.92
 6e: 7.13, 13.15, 12.61, 12.41, 11.73, 10.61, 24.40
 7e: 19.93, 12.18, 12.30, 11.62, 10.73, 24.89
 8e: 11.37, 10.26, 9.69, 24.19
 9e: 13.71, 11.82, 11.75, 11.86, 10.76, 25.73

Mis à l'amende:

Soonaram (Bella Fiorino): Rs 5 000 pour célébrations excessives
 Mogun (French Rebel): Rs 2 000 pour avoir perdu sa cravache
 Taka (Charlie Squadron): Rs 2 000 pour utilisation abusive de la cravache
 Taka (Zum Zum): Rs. 5 000 après qu'il s'est présenté avec un kilo de plus sur la balance après la course
 Donohoe (The It Factor): Rs 2 500 pour n'avoir respecté ses engagements
 DavidL Rs 5 000 pour utilisation abusive de la cravache

Vet Report:

HIPPISE – 13E JOURNÉE

La PTP célèbre sa première année d'existence en grande pompe

Cela fait déjà un an que la People's Turf PLC opère comme organisateur de courses. Malgré les critiques, souvent infondées, l'organisation des courses s'améliore de meeting en meeting et attire de plus en plus de Mauriciens comme atteste la foule dans les locaux de la PTP et même dans la Plaine.

L'expérience de course offerte par la PTP est unique où tout un chacun trouve son compte. Les courses ne sont pas qu'une affaire de paris et de gros sous. Ainsi la PTP offre une animation musicale au public présent dans le paddock chaque journée de course par de nouveaux artistes locaux et même inter-

nationaux. Cette semaine Daniella Résidu a mis le feu dans le paddock avec son tube 'Tialali tialala'. L'artiste se dit fière et honorée d'avoir été invitée par la PTP et de surcroît pour son premier anniversaire opérant comme organisateur de courses.

Pour marquer ce premier anniversaire, la PTP et ses sponsors ont gâté les gagnants des différentes courses avec des prix alléchants. Une corbeille ménagère d'une valeur de Rs 5000 était aussi en jeu pour le public présent dans le paddock.
