EDITO

Seen to be done...

C'est le citoyen Rajen Valayden qui a, en premier, sollicité l'avis du judiciaire sur le renvoi des élections municipales. L'ont ensuite imité Linion Lepep Morisien de Dev Sunasy et Rama Valayden, le Rassemblement Mauricien, le Parti Travailleiste et le Mouvement Militant Mauricien.

Fort d'un avis émanant du Privy Council, et qui fait donc jurisprudence dans notre pays, et où les Law Lords ont estimé, le 18 Mai dernier, que l'amendement à la «Municipal Corporations Act» de Trinité-et-Tobago est anticonstitutionnel. On se serait donc attendu à ce que la Cour Suprême accorde une attention spéciale aux plaintes déposées. Car, il est non seulement question du droit de vote des citoyens de cinq villes, mais aussi de ce que pense notre instance suprême de l'avis des constitutionnalistes Britanniques.

Si le MSM n'a en rien « innové » en renvoyant les municipales, le Parti Travailleiste et le PMSD l'ayant déjà fait quand ils étaient au pouvoir, c'est surtout la manière de faire qui ne donne pas raison au gouvernement. Et on l'aura noté, aucun maire installé d'office n'a parlé de sa « vision » pour telle ville. Car, ils savent tous qu'ils ne sont que de passage, et n'avaient donc pas prévu un vrai programme de développement. Ce qui, en clair, démontre un certain mépris pour les habitants des villes.

On n'a qu'à prendre l'exemple de la mairie de Port-Louis. Où le maire Mahfouz Cadarsaib, un homme d'écoute, n'a pu aller jusqu'au bout de son projet de raser tout le béton qui recouvre le Ruisseau du Pouce. On n'a pas entendu son successeur sur ce sujet. Ce qui signifie que le danger d'inondation restera comme une épée de Damoclès sur la tête des citoyens. Pourtant, ç'aurait dû avoir été une priorité. Mais la politique prime sur tout, n'est-ce pas ?

De même, avec le projet annoncé par le ministre des Finances pour raser le Registrar Building, et transformer les lieux en une mini-forêt, le protocole aurait voulu que le gouvernement consulte d'abord la mairie de Port-Louis

avant d'annoncer une telle mesure dans son budget. Car, c'est quand même la mairie de Port-Louis qui a priorité sur toute construction, ou destruction, dans ses limites. Là encore, ç'aurait été important pour la Cour Suprême de donner son avis sur la question. De savoir si le gouvernement peut outrepasser la prérogative d'un maire sur sa ville.

Nous n'en sommes malheureusement pas là. Car, la Cour Suprême ne trouve pas urgent d'entendre les arguments de tous ceux qui ont sollicité son avis sur le renvoi des municipales. Et c'est fort dommage qu'il n'y ait pas un « couloir » d'urgence au sein du judiciaire, et qui ferait comprendre, ne serait-ce qu'à Rajen Valayden, que la Cour Suprême tient compte de ce qui se passe dans la cité.

Dans le passé aussi, cette même instance avait pris son temps pour débattre de sujets urgents concernant le pays. Invoquant un « back log ». Mais quand des habitants ne peuvent exercer leur droit, en trois fois !, il était important pour nos Juges de dire si cela était normal ou pas. D'ailleurs, ces learned judges habitent sûrement dans les villes. Et leurs opinions de simples citoyens, doublés de l'avis professionnels de juges, aurait conféré un autre aura à leur jugement. Pourquoi donc ne considèrent pas ces plaintes comme étant prioritaires, non seulement pour la « démocratie », pour ce que cela veut dire, mais aussi pour ces milliers d'habitants qui n'ont aucun recours. Et qui s'attendaient à ce que la Cour accorde de l'importance à leur bien-être.

Comme disaient les anciens, »justice must not only be done, but must be seen to be done". On ne peut que "seen" avec les yeux. Et nous ne voyons toujours pas la justice à l'écoute de ce qui se passe dans le pays. Et c'est fort dommage. Car, il s'agit là de cinq municipalités, d'autant de maires, et de plus d'une centaine de conseillers. Sans oublier le budget dévolu au développement des villes. Ce qui n'est pas rien quand même !

PREMIÈRE JOURNÉE CLASSIQUE

La PTP vers de nouveaux cieux

Si la People's Turf PLC (PTP) a connu un début de saison difficile à cause des caprices de Dame Nature, cette 14e journée de courses est l'occasion pour le nouvel organisateur de courses de frapper un grand coup ! En effet, la 14e journée est une journée classique. Et qui dit course classique dit grosse foule. C'est pourquoi toute l'équipe de la PTP a mis les petits plats dans les grands pour offrir aux turfistes des moments et des émotions que seules les courses à Maurice peuvent offrir : 10 courses aux programmes, Mrs World 2022 et une After Race Dance Party organisée par OMG Nightclub pour marquer son dixième anniversaire.

10 courses

Avec une Racecard de 10 courses, les turfistes seront gâtés. À l'exception de la course classique qui verra la participation de nouveaux chevaux, toutes les autres courses réunissent au moins sept partants par course. Avec le contrecoup économique de la Covid-19 et l'instabilité causée par le conflit russo-ukrainien, l'acquisition de nouveaux cracks devient de plus en plus difficile et chapeau bas aux propriétaires qui ont fait l'effort d'investir dans ces nouveaux chevaux et un grand bravo à la PTP pour l'organisation de cette journée classique.

Mrs World 2022

Sargam Koushal, Mrs World 2022, sera présente dans les locaux de la PTP pour cette journée classique. Elle sera accompagnée de Vimla Govinda Seenauth, Mrs Mauritius World, et

Marie Quincy Lactive, Mrs Mauritius Universe. Le public présent à la PTP pourra partager des moments privilégiés avec les reines de beauté.

After Race Dance Party

Après les émotions de la journée de courses, la People's Turf vous offre l'occasion de vous déhancher sur de la bonne musique à partir de 18 heures ce samedi 24 juin. L'événement est organisé par OMG, boîte de nuit réputée de Grand-Baie, et verra la participation des DJs Owen, Quentin et Goahead. L'entrée est gratuite. Un grand merci à Vicky Veeramootoo, patron de la discothèque OMG.

Anjalay Coopen Cup

La Anjalay Coopen Cup est la première course classique de la saison 2023 où quatre chevaux n'ayant jamais couru à Maurice croiseront le fer. C'est une course de Groupe 2 et sera courue sur 1400 mètres vers 15h15, samedi 24 juin. La Anjalay Coopen Cup est la huitième course de cette journée classique et promet d'être de toute beauté avec un certain Xavion qui est resplendissant de santé. Mais attention, comme dit le dicton 'the smaller the field the bigger the upset'.

PTP solide aux commandes

La People's Turf ne finit plus de surprendre. Avec uniquement une année d'existence, la PTP est en train de faire la leçon à ses détracteurs. La foule grandissante à chaque journée de course est un baromètre qu'on ne saurait

ignorer. Si les locaux de la PTP est prise d'assaut chaque samedi par les turfistes de l'île, le public présent dans la Plaine est le symbole du renouveau de l'industrie hippique. Tout amoureux des courses sont nostalgique des journées classiques. Mais les temps changent et l'industrie hippique doit s'adapter. People's Tote avec son Tote Guarantee, du jamais vu dans le betting à Maurice, Global Equestrian qui offre la possibilité à monsieur tout-le-monde d'être propriétaire de chevaux et le JML Equestrian centre de Petit Gamin offrant aux chevaux les services dignes des centres internationaux en sont quelques exemples du changement positif qu'a apporté la People's Turf PLC.

Et c'est là tout le mérite de la PTP qui a su garder le cap pour maintenir à flots cette industrie si chère aux cœurs des Mauriciens. C'est une claquette magistrale infligée aux maîtres-colons qui faisaient la pluie et le beau temps au MTC. En seulement une année d'existence, la PTP a surpassé le MTC, club bicentenaire, qui a dû mettre la clef sous le paillason.

Les détracteurs

Il ne se passe pas une semaine sans qu'une certaine presse ne salisse la PTP. La dernière grasse en date faite par le tandem Scooby-Doo et Sharpip est le fait que les courses seraient truquées à la PTP. Une aberration quand on sait que les journalistes Nitin Leckraj et Michael Choyen, consultants hippiques à la PTP, ont interrogé D. Moodley, l'homme fort de la Horse Racing Division, sur la course de Henry Tudor. De plus, contrairement aux années MTC, la PTP n'a pas la charge du Stiping. Cette charge très importante incombe à la HRD, PAS À LA PTP !

Les détracteurs ont la mémoire courte ou plutôt font preuve d'une mauvaise foi sans nom. Ils omettent de mentionner les cas Zip It ou encore Green Keeper. Pire, ils passent sous silence ce que Monsieur Ramnarain, connu comme le président 24 heures, avait dit sur les ondes de Radio Plus : « Ti ena ô moins enn lekours trike par journe » au temps du MTC. Les Mauriciens ne sont pas dupes et savent fort bien que c'est la People's Turf qui a sauvé les courses à Maurice. 'With the people, by the people, for the people'. La People's Turf est là pour redonner ses lettres de noblesse à l'industrie hippique à Maurice et la première journée hippique de la saison s'annonce sous les plus beaux hospices.

Venez en nombre soutenir les courses !

THE ANJALAY COOPEN CUP - G.2 (1400M)

1er classique de la saison 2023

Venez vivre la première classique de la saison 2023 avec la People's Turf PLC ce samedi 24 juin, **The Anjalay Coopen Cup**. Une course qui sera courue sur 1400 mètres qui verra la participation de 4 chevaux.

Cette 14ème journée sera également associée à OMG Nightclub qui fête ses 10 années d'existences en juillet prochain.

Sargam Koushal, détentrice du titre, Mrs World 2022, assistera à la première classique de la People's Turf. Elle sera accompagnée de Vimla Govinda Seenauth, Mrs Mauritius World et Marie Quincy Lactive, Mrs Mauritius Universe.

La People's Turf invite les turfistes à profiter de cette occasion unique pour échanger avec elles, vous inspirer de leur parcours et partager des moments privilégiés en leur compagnie.

Que cette journée soit mémorable et empreinte de magie !

Dj Owen, Dj Quentin & Dj Goahead

A vos marques, prêts, dansez !

AFFAIRES

Augmenter les liens commerciaux entre Maurice et l'Afrique

Maurice continue sur sa lancée, soit de diversifier ses marchés en touchant davantage la région africaine. C'est ce qui a été entrepris lors de l'Africa Forum 2023.

Le secteur de l'exportation semble connaître de jours meilleurs. En effet, selon les derniers chiffres, donnés par Sunil Bholah, le ministre du développement industriel, en 2022, ce secteur a engendré un chiffre d'affaires de Rs 11 milliards. La bonne nouvelle est que l'Afrique du Sud demeure le marché principal pour le secteur de l'exportation mauriciennes, avec un score de plus milliard de roupies durant cette même période. Plus encore, l'Afrique du Sud a même fait part de son envie d'implanter plusieurs entreprises à Maurice.

Pour Maurice, il est impératif de développer davantage ce lien commercial avec le continent africain. D'ailleurs, l'épisode de la pandémie a incité les nombreuses compagnies évoluant dans le secteur de l'exportation, à diversifié leurs marchés, voire vers l'Afrique.

La rencontre des CEO africains du secteur privé

Pour preuve, au début de ce mois, l'Economic Development Board (EDB) a conduit une délégation d'acteurs du secteur privé à l'Africa CEO Forum 2023, à Abidjan en Côte d'Ivoire. Cet événement, qui réunit autour de 300 à 3000 personnes, avait comme thème : "How to deliver the next generation of African Champions", a réuni des PDG, des chefs d'États et des décideurs politiques afin de discuter des défis auxquels le monde est confronté avec les multiples crises. Ce fut aussi une excellente occasion pour faire du 'networking' avec les meilleurs décideurs de la région africaine.

Il faut dire que l'Africa CEO Forum fait la promotion du fait que le secteur privé est le moteur de la croissance africaine. Cette idée a été adoptée par bien des décideurs politiques africains et cela s'est traduite par une augmentation des investissements directs étrangers. En effet, grâce à cette idée, mise en avant par l'Africa CEO Forum, les flux massifs vers plusieurs secteurs, soit les infrastructures, l'agro-indus-

trie, l'immobilier, les services financiers et bien d'autres, ont conduit à l'émergence de plus de 300 entreprises africaines, brassant des chiffres d'affaires d'un milliard de dollars.

Un forum d'affaires et de 'networking' organisé

Plus encore, l'EDB a profité de l'Africa CEO Forum pour organiser un forum d'affaires et un événement de 'networking' en collaboration avec la Chambre de Commerce et d'Industrie de Côte d'Ivoire, la Confédération Générale des Entreprises de Côte d'Ivoire et le Centre de Promotion des Investissements de Côte d'Ivoire. Cet événement a réuni des opérateurs du secteur privé de Maurice – qui participaient à l'Africa CEO Forum – et des entreprises du pays d'Afrique de l'Ouest. Cela leur a permis de discuter des possibilités de collaboration et d'alliances stratégique. Plus encore, l'EDB et le Centre de Promotion des Investissements de Côte d'Ivoire ont signé un protocole d'accord mis à jour afin d'élargir davantage la coopération entre les deux agences de promotion des investissements.

TOURISME

Près de 5000 emplois perdus en deux ans dans l'hôtellerie

Le manque de personnel dans le secteur du tourisme est suivi de près par le gouvernement. C'est surtout la situation qui prévaut dans les hôtels, où le nombre d'employés ne cesse de baisser, qui interpelle les autorités, plus particulièrement le ministère du Tourisme. Les chiffres recueillis par Statistics Mauritius au cours des trois dernières années le montrent clairement. En effet, les hôtels ont perdu près de 5000 employés, plus précisément 4627, en l'espace de deux ans. De 32 253, dont 744 ressortissants étrangers, en 2020, le nombre est passé à 27 626, incluant 1046 étrangers, en 2022. Les chiffres pour les six premiers mois de cette année ne sont pas encore disponibles, mais pourraient bien montrer que cette tendance à la baisse se poursuit.

La pandémie et son corollaire, la fermeture d'hôtels, sont passées par là, poussant ainsi de nombreux employés à se tourner vers d'autres secteurs qu'ils considèrent stables et plus porteurs pour l'avenir. Face à cette situation, le ministère du Tourisme a institué un comité composé de représentants des secteurs public et privé, présidé personnellement par le ministre de tutelle, Steeven Obeegadoo, afin de trouver des solutions au manque de main d'œuvre. Ce comité, au sein duquel siègent les représen-

tants de plusieurs catégories d'opérateurs, notamment les hôteliers, les restaurateurs, les compagnies d'aviation, les voyagistes et les tours opérateurs attache une attention particulière aux moyens à mettre en place pour éviter que les employés d'hôtels n'aillent voir si l'her-

la gestion des talents dans les établissements hôteliers. Ce sous-comité fera des recommandations sur le recrutement et la formation du personnel mais aussi sur les moyens à mettre en place pour rendre le travail d'employés d'hôtel plus attrayant afin de retenir ceux qui sont en

poste. Le sous-comité est aussi appelé à proposer un plan de carrière pour tous ceux qui se joignent à ce secteur.

Concernant les vacances dans le secteur touristique, ils varieraient entre 3590 et 3890 selon le Human Resource Development Council (HRDC). Dans les milieux du patronat on laisse entendre qu'un des moyens pour pallier le manque de main d'œuvre est le recrutement de travailleurs étrangers. Tout en reconnaissant le bien-fondé de cette demande, certains au ministère du Tourisme évoquent le sens de l'accueil et le sourire innés des employés mauriciens qu'on ne trouverait pas nécessairement chez des travailleurs étrangers ce qui pourrait impacter sur la qualité du service.

Quoi qu'il en soit, le ministère du Tourisme est en consultation avec le ministère du Travail et des Relations industrielles pour revoir la politique de recrutement des étrangers dans des secteurs en manque de personnel, politique qui est en vigueur depuis 2015.

be est plus verte ailleurs, plus particulièrement à bord des paquebots de croisière.

Un sous-comité, émanant du comité élargi, a été institué pour se pencher spécifiquement sur

ANALYSE

Le Metro Express à St Pierre : le milieu rural connecté

Le Premier ministre, Pravind Jugnaut tient son engagement : la phase 4 A du Metro Express, reliant Réduit à Saint Pierre sera complétée en octobre 2024 au coût de Rs 9,9 milliards. Les travaux débuteront sous peu et l'un des endroits que cette extension desservira est ladite 'smart city' de Moka, qui est un projet majeur de développement du gouvernement. Selon Metro Express LTD (MEL), « une évaluation des lieux dans les régions concernées a été effectuée afin de mieux planifier les travaux préliminaires sur le terrain ainsi que les tests géotechniques et l'identification des services publics. » MEL a déjà mobilisé une partie de son personnel déjà présent à Maurice et elle déploiera le nombre de travailleurs nécessaires comme cela a été fait pour les phases déjà opérationnelles.

Quatre extensions

Il faut savoir que quatre extensions sont prévues sur l'extension jusqu'à St Pierre et selon MEL, « elles ont été conçues pour faciliter la connexion avec divers projets de développement en cours dans cette partie de l'île. Une première station, qui sera surélevée, sera aménagée à proximité de Telfair Business Park qui abritera le nouveau centre d'affaires de la Smart City. Elle sera située à proximité de la clinique Welkin, des bureaux de l'ICAC et de la Moka Smart City. » La deuxième station sera aménagée près du Data Tech Park, qui accueillera des industries et des entreprises dans le domaine des technologies, des sciences et de l'innovation. Not but Least : la troisième station verra le jour à Helvetia, au cœur des investissements immobiliers du groupe ENL. La quatrième station sera située à St Pierre, à proximité du centre commercial Kendra, de la zone industrielle et du marché de St Pierre, notamment. Selon MEL, « trois stations, à savoir Helvetia, Telfair et St-Pierre, feront partie de la Smart City de Moka. Grâce au partenariat public-privé entre MEL et plusieurs installations, ces stations seront intégrées à des développements durables, avec des chemins piétonniers, des pistes cyclables, des points de prise en charge et de dépose ainsi que des parkings relais. »

Bonnes intentions et problématiques

Il va sans dire qu'au-delà des bonnes intentions et compte tenu des problématiques rencontrées durant les phases initiales de ce projet historique, la réalisation de cette extension nécessitera la mise sur pied d'une planification spatiale cohérente en collaboration avec le secteur privé très présent dans cette région et avec le Conseil de District de Moka. C'est une opportunité unique pour que l'Etat, le privé et le Conseil de District de Moka fassent de leurs capacités de travailler de concert pour un projet de bien commun. Un des aspects les plus novateurs et modernes de cette extension en zone rurale sera la prise en compte du défi environnemental dans le cadre de l'aménagement des espaces. S'il est vrai que le centre de St-Pierre, à l'exception de Kendra, a connu un développement commercial des plus hideux, il faudra repenser les autres espaces dédiés au commerce et au résidentiel avec en-tête un aménagement intégré et esthétique. Mais tout cela a un coût et qui paiera pour les projets additionnels afin que la localité offre un nouveau visage attrayant ?

Perspectives

Il ne faut pas perdre de vue que cette extension ouvre des perspectives dans le domaine des nouveaux emplois grâce à la création d'entreprises nouvelles. Cela signifie que des jobs seront offerts aux habitants des localités desservies par la nouvelle ligne du tram, mais aussi à des personnes résident ailleurs. C'est, en perspective, de nouvelles zones d'habitation et de vie qui se profile et qui intègre des normes environnementales en phase avec l'île Maurice. Mais il y a aussi le danger que se développe une vie sociale et économique à deux vitesses en raison de son opposition. D'un côté, il y a le village traditionnel construit depuis les années 60-70 et qui s'est agrandi dans l'anarchie totale sans prise en compte de planification et de l'autre côté, on verra de nouveaux espaces de vie en phase avec les défis sur l'environnement, la sécurité individuelle et collective, l'accès aux soins de santé publics et privés et aux loisirs. Il y a aussi le risque que naissent deux styles de vie qui s'opposent et donnent lieu à des conflits. Car la modernité ne doit pas enlever sur son passage les acquis d'une vie traditionnelle saine et authentique.

Zones commerciales

La tentation de tout raser pour faire émerger des zones commerciales, totalement inutiles est bien présente avec la menace sur des petits commerces de proximité dont l'une des fonctions est de souder les communautés. Dans de nombreuses régions périphériques urbaines, l'apparition des grandes surfaces et celle des galeries commerçantes dans des inter-espaces urbains ont complètement détruit le tissu communautaire et commercial qui permettait de maintenir la cohésion des communautés qui y habitent. Si bien que les petits commerces – dont les snacks ont disparu, les habitants préférant les food courts et les achats – parfois superficiels dans les galeries commerciales à multifonctions. Le gouvernement, les opérateurs publics de même que les collectivités rurales doivent veiller à ce que l'apparition du metro dans ces régions rurales ne donne pas lieu à des ruptures sociales, économiques et culturelles...

TOURISTE CHINOIS PORTÉ DISPARU

Les recherches se poursuivent dans le sud

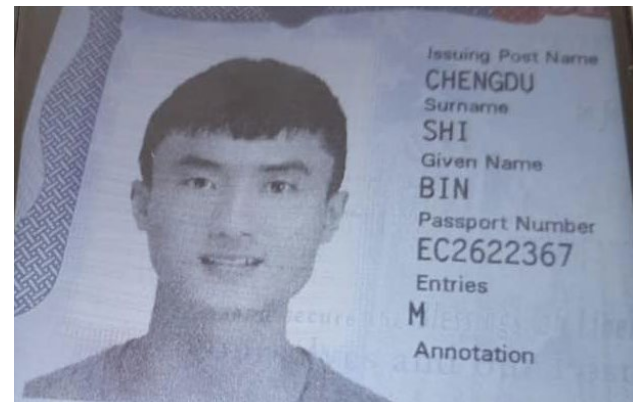

Les recherches pour retrouver le touriste chinois, porté disparu depuis le 14 juin dernier, se poursuivent. Selon les informations disponibles, les différentes unités de la police se sont mobilisées depuis le 18 juin dernier étendre les recherches jusqu'à Le Souffleur. Les recherches sont menées de front par le CI Nursimulu et son équipe de Plaine Magnien ainsi que des équipes de la Special Mobile Force (SMF), de la CID, du National Coast Guard (NCG) et du Police Dog.

Le touriste, originaire de Chine et âgé de 27 ans, est arrivé à Maurice le 13 juin dernier. Il logeait dans un hôtel au sud, l'Anantara. Le jeune homme a quitté son hôtel le lendemain de son arrivée pour se rendre à la plage de La Cambuse, selon les images des caméras du Safe City. Mais, il n'a pas donné signe de vie depuis ce jour. L'alerte a été donnée par un responsable

d'hôtel. Depuis, la police de Plaine-Magnien a démarré une enquête et a lancé une opération de recherche. La police de Plaine-Magnien, la police du tourisme, la CID, le chien de la police et des éléments de la NCG, ont d'abord effectué une fouille dans la chambre d'hôtel du jeune touriste. Ils sont tombés sur une réservation à l'hôtel Talamba de Pointe d'Esny, à son nom. Toutefois, après vérification, la police a réalisé que le touriste chinois ne s'est jamais présenté à cet hôtel. Les recherches ont été alors lancées. Dans la foulée, le Passport and Immigration Office ainsi que le ministère des Affaires Étrangères ont été informés.

Dans un premier temps, une battue a été faite sur la plage de La Cambuse et dans les alentours. Mais, aucune trace du jeune touriste chinois. Les interrogatoires n'ont aussi rien donnés. Selon les dernières informations dis-

ponibles, les recherches se poursuivent et se sont étendues jusqu'à Pont Naturel et Le Souffleur. La NCG a été appelée à effectuer des patrouilles en mer et sur la plage. Par la même occasion, un avis de recherche a été partagé sur les réseaux sociaux, en particulier sur Facebook, invitant les Mauriciens à partager toutes informations sur le disparu.

ENVIRONNEMENT

Reef Conservation lance une application pour sauver les mangroves avec le soutien financier de MOL

L'application mobile révolutionnaire « Mangrove Matter » est finalement lancée. Cette initiative revient à MOL (Mauritius) Ltd, en partenariat avec Reef Conservation. Développée avec le soutien financier de Mitsui O.S.K. Lines, Ltd (MOL), dont le siège est à Tokyo, et du MOL Mauritius International Fund au Japon, ainsi que d'AfrAsia et de la World Conservation Society (WCS), qui ont aussi contribué financièrement au développement de « Mangrove Matter », cette application innovante vise à protéger et à restaurer les forêts de mangroves.

Cette collaboration reflète l'engagement de MOL en faveur de la conservation de l'environnement et de la préservation de ces écosystèmes côtiers vitaux. L'application « Mangrove Matter », développée par Reef Conservation dans le cadre de son programme SOS Mangrove, permet aux particuliers de contribuer activement à la restauration des mangroves. En s'appuyant sur la science citoyenne, cette application permet aux utilisateurs de fournir des données précieuses qui contribueront à la recherche scientifique et éclaireront les efforts de conservation.

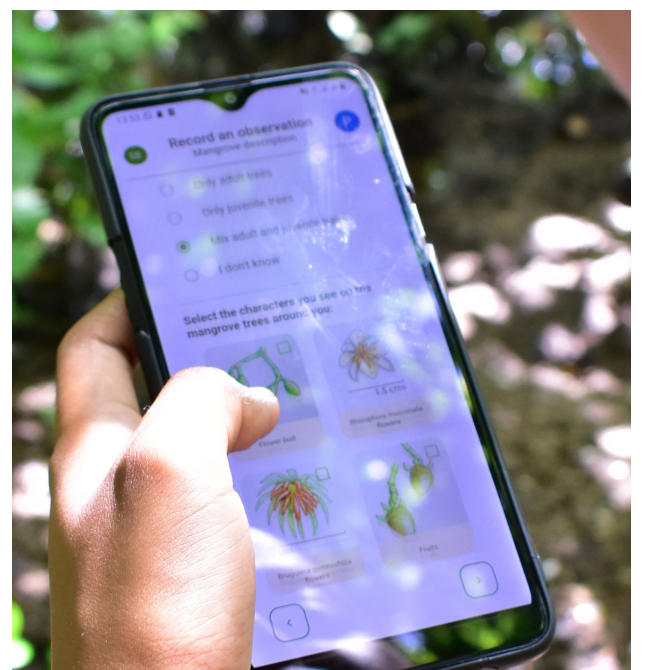

Kazuhiko Sugano, directeur général de MOL (Mauritius) Ltd et président de MOL Charitable Trust, exprime sa fierté et sa satisfaction de soutenir l'ambitieux projet de Reef Conservation pour la conservation des mangroves. « Re-

connaissant la vulnérabilité de ces écosystèmes côtiers uniques aux activités humaines, l'approche d'engagement citoyen de Reef Conservation offre un moyen efficace de sensibiliser et d'encourager la participation du public », dit-il. Reef Conservation a organisé un atelier de formation pour présenter cet outil passionnant, au cours duquel les participants ont pu assister à une démonstration en direct de l'application. L'atelier comprenait également une présentation du projet SOS Mangroves, qui a permis de comprendre l'importance de la conservation des mangroves.

Pendant la phase de test, l'équipe de Reef Conservation s'est rendue sur plusieurs sites de l'île pour évaluer l'efficacité de l'application. Les volontaires ont participé avec enthousiasme aux excursions dans les forêts de mangroves, contribuant ainsi activement à la préservation de ces précieux écosystèmes. Une soixantaine de volontaires ont participé à la phase de test de l'application et ont fourni des informations précieuses à Reef Conservation. Leur réponse massive témoigne de leur « expérience extraordinaire » : ils ont trouvé l'application éducative, interactive et agréable. De nombreux volontaires ont exprimé leur volonté de recommander l'application à leurs collègues et de participer à des tests sur le terrain. L'application « Mangrove Matter » a terminé sa phase de test et qu'elle est désormais disponible au télécharge-

ment sur le Google Play Store : <https://play.google.com/store/apps/details?id=com.reef.mangrove&hl=en&gl=US>

Cette étape importante représente un progrès crucial dans la restauration des mangroves. La collaboration entre Reef Conservation et MOL (Mauritius) Ltd, ainsi que le soutien du Fonds international de MOL Mauritius, ont rendu cette réalisation possible. Ensemble, nous pouvons avoir un impact durable sur la préservation de ces écosystèmes côtiers vitaux.

AGRO-INDUSTRIE

La campagne sur la production agricole

Une campagne nationale sur la production agricole durable mettant l'accent sur l'Integrated Pest Management (IPM) de la teigne des crucifères, a été lancée, hier. La cérémonie de lancement a eu lieu en présence de l'Attorney General, ministre de l'Agro-industrie et de la Sécurité alimentaire, Maneesh Gobin, à la Farmers Training School of the Food and Agricultural Research and Extension Institute (FAREI), à Wooton. Par la même occasion, un livret sur l'emballage pour la gestion de la teigne des crucifères a été lancé et des augmentoria ainsi que des graines de souci ont été distribués à dix planteurs.

La campagne vise à sensibiliser les planteurs à l'utilisation de l'IPM, une stratégie de lutte antiparasitaire qui combine différentes méthodes et techniques de lutte pour réduire les populations de ravageurs tout en minimisant l'utilisation de pesticides. Un package IPM a été développé par le FAREI pour minimiser les applications d'insecticides contre la teigne des crucifères. Maneesh Gobin a encouragé les planteurs à utiliser des méthodes naturelles telles que l'IPM qu'il considérait comme une alternative efficace et durable pour réduire la dépendance aux pesticides. Il a souligné que l'utilisation de méthodes durables a permis de réduire de plus de 50% l'utilisation des pesticides.

En outre, le ministre a insisté sur l'engagement du gouvernement à soutenir la production

de cultures biologiques conformément aux objectifs de développement durable. À cette fin, il a évoqué la collaboration de l'Union européenne (UE) avec le FAREI à travers l'initiative Development-Smart Innovation through Research in Agriculture (DeSIRA) pour la mise en œuvre de tels projets durables.

La directrice générale par intérim du FAREI, M. Seenevassen Pillay, a réitéré l'objectif de l'institut qui est de consolider la recherche et la capacité à relever les défis du changement climatique et le développement de pratiques intelligentes face au climat pour une production durable dans l'agriculture et les systèmes alimentaires.

Teigne des crucifères

La teigne des crucifères, connue sous le nom de *Plutella xylostella*, est un ravageur sérieux du chou et d'autres crucifères causant des dommages importants aux cultures. La teigne des crucifères étant un ravageur difficile à gérer car elle développe rapidement une résistance aux insecticides, les agriculteurs doivent utiliser excessivement des insecticides pour la contrôler.

Integrated Pest Management

L'IPM propose une approche globale et écologique de la lutte antiparasitaire qui comprend la surveillance et la lutte culturale, biologique et chimique. Un ensemble IPM comprenant l'utilisation d'un augmentorium pour la production de parasitoïdes au niveau du champ et la

plantation de plantes à fleurs telles que le souci et la moutarde indienne en bordure de champ pour servir de source d'alimentation pour les parasitoïdes adultes ainsi que l'utilisation d'IPM insecticides compatibles a été développé par le FAREI. Le paquet a été évalué sur trois stations de recherche agronomique du FAREI et dans les champs de choux de deux planteurs. La mise en place du paquet a permis de réduire les applications d'insecticides de 10 à 3-4 applications.

INITIATIVE DU ROTARY

Laissez-vous "dictée" » en janvier prochain !

La dictée est un exercice cérébral qui sied bien à l'humain. Lui permettant de tester

ses connaissances des lettres, et surtout de la langue française. Sashi Jaddoo, membre du Rotary, avait participé à un concours de dictée organisé par le Rotary International. Elle a maintenant l'idée d'organiser une version mauricienne de cet exercice, qui se tiendra en janvier prochain.

dictée en même temps que le Rotary international. De ce fait, il y aura une version mauricienne, avec le texte original, et son corrigé. Et qui tiendra compte du « français mauricien ».

Celle qui a travaillé à l'Alliance Française de Gaborone, évoque aussi la participation de tous les Rotary de la région. Notamment ceux de Djibouti, des Seychelles, des Comores et de la Réunion, dont le Gouverneur de district, Luderce Camalon, passera bientôt le flambeau à un Rotarien Mauricien. La Réunion avait d'ailleurs organisé cette dictée Rotary, l'année dernière.

Sashi Jaddoo a donc enclenché la mise en branle de ce projet à vocation éducatif, culturel et social. Et elle ne doute pas que « ce sera un succès ». « Il y a un côté ludique dans la dictée. Et puis, c'est aussi un grand défi que de faire travailler ses méninges, et rendre une bonne copie ! ».

Rendez-vous donc en janvier prochain, pour vous faire « dictée » par le Rotary !

Sedley Assonne

Trois catégories de Mauriciens seront concernés : Les scolaires de 10-14 ans, les 14-18 ans et les adultes. « Le Rotary voyait dans la dictée comme une façon de promouvoir la langue française, de combattre l'illétrisme, et aussi de mettre l'accent sur l'éducation », explique Sashi Jaddoo. Je compte solliciter l'aide des 35 Rotary qu'il y a à Maurice, et promouvoir cette activité. »

Membre du Rotary de Grand-Baie, dont elle a été la vice-présidente, la fêve de dictée souligne « qu'étant donné le décalage horaire, il ne sera pas possible d'organiser la

ACTIVITÉS SOCIO-ÉDUCATIVES

La Municipalité de la capitale accueille les élèves [HSC] du collège Sampat

Excellente initiative que celle de la municipalité de Port-Louis, sous la houlette de son nouveau Lord-Maire Yusuf Nujurally et de l'infatigable conseiller Javed Khodabux: elle a accueilli, la semaine dernière, les élèves de HSC du collège Sampat de Curepipe pour des échanges d'idées, ponctués par un survol de J. Khodabux sur les fléaux sociaux.

Les élèves menés par Eshan Murtuza, assistant-directeur du collège Sampat; journaliste et pédagogue de longue carrière, ont vécu une expérience enrichissante. J. Khodabux a tenu à souhaiter aux jeunes étudiants/es pleine de réussite dans leurs études. << Que Dieu vous protège contre les fléaux et vous transforment en de bons citoyens de demain. Nou zenés nou lavenir.>>, a conclu J. Khodabux. Celui-ci n'a pas ménagé ses remerciements à l'adresse de E. Murtuza pour que cette interaction entre la municipalité et les élèves de Sampat se matérialise.

À noter que Javed Khodabux était en course pour le fauteuil mairal, mais la riche expérience de Yusuf Nujurally a pesé de tout son poids dans la balance. Contre mauvaise fortune, Javed Khodabux a fait bon coeur. Il ne baisse pas les bras et affirme avec une grande conviction qu'il décuplera ses efforts pour que le mairat de Y. Nujurally soit un succès et aussi que le MSM réalise ses objectifs en faveur des habitants de la capitale.

NAUFRAGE EN GRÈCE

Le Mauricien Cader Hosseally organise une manifestation à Londres

Le naufrage du bateau de migrants survenu au large de la Grèce, dans la nuit du mardi 13 au mercredi 14 juin, demeure toujours un mystère. Une semaine s'est écoulée depuis ce drame, qualifié d'un des plus meurtriers qu'a connus la Mer Méditerranée et le bilan n'est toujours pas précis. Ce qui suscite la colère des sympathisants à travers le monde. Cader Hosseally, un Mauricien établi à Londres, en fait partie.

Cader Hosseally, un Mauricien établi à Londres depuis plusieurs années, a participé à une manifestation à Downing Street, Londres, le lundi 19 juin dernier. Cette manifestation a été organisée en solidarité avec les victimes du naufrage au large des côtes grecques. Dans une vidéo publiée sur sa page Facebook, il explique que selon la BBC, le système radar de l'Union Européenne indiquait l'itinéraire emprunté par le navire et que les autorités savaient que le navire s'était échoué pendant plus de huit heures. Il estime que ce naufrage a fait plus de 500 victimes car le navire transportait environ 700 personnes. « Les autorités étaient au courant de la position du navire et qu'il n'avait pas bougé de cet endroit pendant plus de huit heures. Elles savaient qu'il était question de temps et que les passagers allaient mourir. Je peux imaginer la souffrance de ces passagers qu'ils se noyaient », déplore Cader Hosseally.

Ce dernier lance un appel à toutes les personnes à travers le monde, les invitant à faire entendre leur voix contre la manière de faire des gouvernements, notamment la manière dont ils traitent les « ti dimounes ». Il faut ouvrir les frontières à tous ceux qui ont besoin d'un refuge. Ouvrez les frontières maintenant ! Les réfugiés sont les bienvenus ici », dit-il. Son appel va aussi pour les Mauriciens : « Nous avons témoigné la misère qu'ont subi les Chagossiens. Il faut faire entendre nos voix pour les victimes des autres pays également », laisse-t-il entendre.

Cader Hosseally, l'infatigable activiste socio-politique

Cader Hosseally est un nom qui résonne fort depuis des années dans le giron politique, surtout au niveau du PMSD. Il a été proche du feu Sir Gaëtan Duval et aujourd'hui de Xavier Luc Duval. Cader Hosseally est un travailleur social très connu. Au chevet de son fils de 32 ans [Saddam], desservi par un handicap depuis sa naissance, Cader se dévoue corps et âme à la cause des enfants autrement capables. Il est basé à Londres où il est engagé dans des activités socio-politiques, mais effectue régulièrement des visites à Maurice pour soutenir les actions du PMSD. Après avoir voué une fidélité inoxydable et sans bornes à feu Sir Gaëtan Duval, il prolonge avec le fils Xavier un pacte identique. Brillant observateur politique et homme de terrain, qui sait ratisser large, il est parallèlement engagé dans le social.

104 rescapés et 82 corps retrouvés

A hier, on avait toujours pas établi un bilan précis du nombre de victimes. Une semaine après le naufrage,

on compte seulement 82 victimes officielles. Or, selon les dernières informations disponibles, ce vieux bateau de pêche avait 700 exilés à bord, originaires de la Syrie, d'Égypte, du Pakistan et de la Palestine, et son naufrage a fait au moins 500 victimes. Selon le décompte des autorités grecques, le nombre de rescapés s'élevait à 104 il y a deux jours, à savoir 47 Syriens, 43 Égyptiens, 12 Pakistanais et deux Palestiniens. Pour ce qui est du nombre de morts retrouvés, 82 cadavres ont été récupérés en mer.

Les faits remontent à la nuit du mardi 13 au mercredi 14 juin. A 87 km au large des côtes de la péninsule du Péloponnèse (donc entre le continent et l'île de Crète), un vieux bateau de pêche s'est retrouvé en grande difficulté. Le bateau transportait plusieurs centaines d'hommes, de femmes et d'enfants, qui tentaient de rejoindre la Grèce et l'Europe. Mais, le navire a coulé, dans des circonstances encore floues. D'une part, les rescapés du naufrage et des ONG sur place accusent les garde-côtes d'avoir repéré le navire dès la journée du mardi, et d'avoir abandonné ses passagers à leur sort, n'intervenant que le mercredi matin. D'autre part, les autorités grecques, qui ont diligenté une enquête (tout comme les Nations-unies), assurent que les migrants ont refusé toute assistance. Les associations estiment toutefois que, dans tous les cas, il fallait impérativement intervenir, même sans l'accord des victimes.

State murder ?

Le journal anticapitaliste et révolutionnaire « Socialist Worker », publié à Londres, rapporte que l'activiste antiraciste grec, Petros Constantinou, qualifie le drame de « state murder ». Le groupe antiraciste grec Keerfa a organisé un rassemblement de protestation le jeudi 15 juin dernier. Les manifestations ont fait rage à travers la Grèce. Petros Constantinou du groupe antifasciste Keerfa a déclaré à Socialist Worker : « Les manifestations ont été massives et en moins de 24 heures. C'était incroyable à voir. À Athènes, nous avons plus de 30 000 personnes. Et il y a eu des manifestations dans 20 autres villes de Grèce, des ports près du naufrage au nord. Ce fut une journée massive d'action de solidarité envers les réfugiés et de colère contre la politique de fermeture des frontières ».

Petros a déclaré que les protestations avaient également fait rage contre la manipulation des événements par les garde-côtes grecs. « Les arguments des garde-côtes grecs sont des mensonges ouverts. Il a essayé de forcer un autre refoulement. Les survivants ont dit qu'il était responsable du naufrage. Et le bateau était endommagé depuis qu'il a quitté la Libye. Il a tourné pendant cinq jours, dérivant dans la mer. C'est un mensonge très clair qu'il voyageait en Italie. Il fallait le sauver », a-t-il dit.

« Cela a ouvert la voie aux méthodes barbares de refoulement dans la Méditerranée et le fleuve Evros. C'est très fier que seulement 5% des réfugiés entrent maintenant par rapport à 2019 », a-t-il ajouté.

Petros a expliqué comment les forces frontalières empêchent sauvagement les réfugiés d'atteindre la Grèce. « Ils prennent les réfugiés qui parviennent à atteindre les îles grecques, les mettent dans des radeaux de sauvetage et les jettent dans les vagues quand le vent souffle en direction de la Turquie », a-t-il fait ressortir.

Keerfa fait maintenant campagne pour obtenir justice pour les victimes et les survivants qui sont traités par l'immigration grecque. « Des femmes et des enfants, ainsi que des centaines de Pakistanais sont portés disparus. Ils ne se présenteront peut-être jamais car cette zone est l'une des plus profondes de la mer », a ajouté Petros.

REVUE LITTÉRAIRE SEYCHELLOISE

Sipay, plaidoyer pour plus d'humanité.

« We all make mistakes as a result of being human but should one be egoistic to the extent of destroying whole nations world, not to forget our next-door neighbours. Let us hear the cries of the needy ones. Would one die of hunger if one had to share his lunch or dinner to a hungry human being? »

Le ton est donné par Maggie Vijay Kumar, éditrice de la revue littéraire Seychelloise, qui appelle à plus d'humanité au travers du thème choisi pour cette nouvelle édition : Let us be human-Soyons humains-Annou vinn imen-Seamos humanos.

L'éditrice a invité un poète Belge, né à Namur le 15 janvier 1974. Et Gaëtan Sortet, artiste pluridisciplinaire dont la base de travail est l'image (photo, vidéo, peinture) et le langage. Auteur de deux ouvrages, « 49 définitions de la poésie à lire avant d'avoir vu Naples » et « Mes prescriptions, cactus inébranlable », il travaille au sein du duo Artemot. Pour Sipay, il livre ce poème :

Soyons humains, aimons !

L'humain est un véhicule animé

L'amour est le carburant, le cœur, le GPS

Réjouis-toi et jouis de toi, je te veux-es-père

Amour qui transpire quoi qu'il advienne.

Garder les bras ouverts et embrasser.

Du bout des doigts, toucher tes yeux

Lire tes cils, lire tes sourcils

Comprendre notre amour.

Le néant, l'énergie, le cœur

Tout si imbrique

Je mords dans notre amour.

On trouve aussi des textes d'auteurs de Malaisie, de l'Inde, des Seychelles bien sûr, avec notamment Georgette Larue, de Rodrigues avec Xtiana Perrine, de notre île avec Anoucheka Gungabissoon, du Nigéria, des Philippines, du Bhoutan, de la Russie, du Bharein, d'Italie, d'Indonésie, du Liban, de la Grèce, du Brésil, de la Turquie,

du Maroc, de France, du Portugal, de l'Argentine, du Bangladesh, des Etats-Unis, du Chili et du Pakistan.

Preuve de la vitalité de cette revue, et du sérieux de son éditrice. Maggie Vijay Kumar, fondatrice de cette passerelle littéraire, fait un rappel de ce qu'est la nature humaine : « We talk about climate change and its effects against so many other aspects of life, but do we sit down to analyse our own dislikes, malicious wishes through sugar-coated words for self-satisfaction, to wear false masks for self-satisfaction and a sense of superiority. There is no one who is above the law. Let us respect one another. Let us do with what one has. We were all born naked. Together let us become one and work in the interest of a more humanly civilized world. »

Ce poème de Georgette Larue, écrit dans cette langue créole qui est aussi universelle :

Linite i lafors imen dan sa monn

En fwa pour tou annou reini lo tapi sa monn

Aret zet kafoul koko sek dan dife

Tro bokou lafimen dan latmosfer

Akoz nou viv lo menm planet sa letan

Aksepté ki nou en sel pye dibwa

Dan leker son pye l nou zenes

Dan son bras i nou lafors travailler

Dan son rasin memwar bann fey pouri

Bos sakenn son kote pou detri son pye

Nou pou desir son brans

Nou pou degrengol son bann fey ver

Nou pou koup son rasin

La prosenn fwa ou derasin en tronk

Mazin de fwa lanmitye sa monn

Prezervation familyal i parey sa larmoni

Anver lanatir ki nou bezwen pou respire.
