You brought two too many...

Ce qui se passe au gouvernement, avec la démission du PPS Dhaliah, me rappelle la scène d'ouverture du plus grand western de tous les temps. A savoir «Il était une fois dans l'Ouest», et où Harmonica/Charles Bronson est attendu à la gare par trois tueurs. Voyant ces derniers, Harmonica leur demande s'ils lui ont amené un cheval, pour bien comprendre leurs intentions.

Le chef de la bande lui répond alors, goguenard : «En fait, on n'en a que trois. Ça va être un peu juste.». Harmonica comprend alors qu'ils repartiront à trois, et qu'il ne figure pas dans leur plan. Et d'ailleurs, c'est le mystérieux Frank qui les a envoyés

accueillir Harmonica. Quatre coups de feu plus tard, l'affaire est réglée. Harmonica a envoyé les trois hommes ad patres, même si l'un des trois l'a frôlé d'une balle au bras.

Que ce serait-il donc passé si Pravind Jugnauth avait fait un remaniement ministériel au lendemain de sa révocation d'Ivan Collendavelloo ? Si la révocation était un signal fort, montrant qu'il allait être sans pitié dans la lutte contre la corruption, des années plus tard, on ne sait toujours pas si Collendavelloo était vraiment impliqué dans l'affaire Saint-Louis, ou s'il devait être sacrifié pour la forme ? Car, même s'il fut révoqué, le leader

du Parti Liberator restait toujours membre et partenaire de l'alliance avec le MSM et ses anciens collègues du MMM. Comment donc Pravind Jugnauth pouvait concilier cette contradiction, lutte contre la corruption et Collendavelloo prenant ses aises au sein de l'alliance au pouvoir ?

Mais visiblement, le Premier ministre aime se mettre dans l'embarras. Après Collendavelloo, il eut à gérer l'affaire Yogida Sawmynaden. Et même quand les Avengers réclamaient la démission du ministre, le PM tint bon et n'écouta pas les appels au bon sens. Il a fallu l'intervention des socioculturels, dont un des membres conseilla de « couper

la branche » qui gênait pour qu'enfin Pravind Jugnauth fit démissionner Sawmynaden.

Et puisque le dicton est toujours « jamais deux sans trois », alors que tout le monde réclamait que le ministre Gobin et le PPS Dhaliah démissionnent, leurs noms ayant été cités dans l'affaire « Stag Party », Pravind Jugnauth ne trancha pas dans le vif, comme il le fit pour Collendavelloo. Il serait faux de dire que ce dernier serait « froissé », car malgré l'humiliation de la révocation, il défend toujours la politique gouvernementale !

Mais au fait, pourquoi nous évoquons les affaires Collendavelloo, Sawmynaden, Gobin et Dhaliah ? En fait, le MSM est le seul parti qui compte le plus de députées, avec Sandra Mayotte, Teena Jutton, Subashnee Roy, Joanne Tour et Dorine Chukowry. Et si on y ajoute Tania Diolle, membre du parti Ganoo, c'est l'alliance gouvernementale qui compte le plus d'éléments féminins. Et on n'a pas cité les ministres Leela Devi Dookun et Kalpana Koonjoo-Shah. Mais, pourquoi dès l'affaire Collendavelloo, Pravind Jugnauth n'a pas donné la chance à une, ou plusieurs, de ces éléments féminins de faire leurs preuves au conseil des ministres ?

Le Premier ministre sait-il qu'il est dit que les partis politiques ne prennent des femmes en leur sein que pour faire « vase à fleurs » ? Ce qui avait même poussé Ameena Gurib-Fakim, encore une femme !, à bien préciser, lors d'un entretien avec un hebdomadaire, qu'elle n'avait pas l'intention d'être une « vase à fleurs » au Réduit ! Ces femmes qui font donc partie du MSM sont donc « too many », et juste là « pou fer boukou » ?

Si Collendavelloo, Sawmynaden, Gobin et Dhaliah (lui PPS) ont failli dans leurs tâches, pourquoi Pravind Jugnauth n'a pas donné sa chance à ses députées ? Croit-il vraiment qu'avec ce monde qui évolue à grande vitesse qu'il est

normal que des ministres gèrent deux ministères ? Peut-on vraiment manier les dossiers du Logement, quand on sait combien de Mauriciens peinent à devenir propriétaires d'un toit !, et du Tourisme, ce secteur aussi demandant un ministre à plein temps ? Peut-on aujourd'hui croire qu'un ministre peut tout aussi bien gérer les Infrastructures Publiques et les Affaires Etrangères ? Avec le mouvement BRICS, la guerre en Ukraine, la rareté du riz basmati, pour ne citer que ces quelques dossiers, il faudrait un ministre des Affaires Etrangères pour bien gérer tout cela. Et qui peut croire que Gobin a bien géré le ministère de l'Agro-industrie et le bureau de l'Attorney General ? Et là encore, Pravind Jugnauth devait nommer une avocate comme Attorney General, mais il ne l'a jamais fait !

Si le MSM a délégué, en plusieurs fois, Sandra Mayotte à des rencontres inter-parlementaires, tant en Afrique qu'aux Etats-Unis, c'est que ce parti estimait qu'elle serait capable de répondre aux attentes de ces réunions. Pourquoi donc ne pas lui avoir donné sa chance d'être ministre des Affaires Etrangères, ou ministre de la Culture, puisque le MSM sait qu'elle est aussi artiste ? S'il y a un accord entre le parti de Ganoo et le MSM, pourquoi ne pas avoir donné sa chance à Tania Diolle, en lui donnant un des ministères gérés par Ganoo ?

Bref, pourquoi Pravind Jugnauth, et le MSM at large, ne fait pas confiance à ses éléments féminins ? Joanne Tour, Subashnee Luchmun Roy, Dorine Chukowry, Teena Jutton, Sandra Mayotte et Tania Diolle ne sont là que pour « faire joli » et comme « vases à fleurs » ? Il n'était vraiment pas possible de leur donner leur chance ? Ce qui aurait soulagé le gouvernement des poids lourds représentées par les affaires Collendavelloo, Sawmynaden, Gobin et Dhaliah ?

Dans le temps, Paul Atchia créait un parti uniquement composé de

femmes. Qui ne fit malheureusement pas long feu. On s'aperçut ensuite que les femmes de notre île n'étaient pas suffisamment représentées en politique. Et il a fallu qu'on soit pointé du doigt par les responsables de la région SADC pour qu'on ait enfin une présence plus représentative des femmes dans la politique. Et donc sur les listes des partis. Mais visiblement, il y a des préjugés qui sont encore tenaces. Car, même quand les éléments masculins de son gouvernement faillissent comme ministres, Pravind Jugnauth pense que seules Leela Devi Dookun et Kalpanah Shah peuvent être ministres. Alors qu'il a toute une liste de députées à sa guise !

Les principales concernées ne montreront sûrement aucun ressentiment envers « leur » Premier ministre. Et comme ailleurs dans les autres partis, si elles étaient interrogées sur ce manquement, elles diraient sûrement toutes à l'unisson que « c'est le Premier ministre qui décide ». C'est donc ça la politique à Maurice. Attendre que le chef reconnaisse qu'il a fait des erreurs et rectifie le tir. Surtout envers les femmes. Mais entretemps, le temps a passé. Et il n'est pas sûr que ces députées MSM prennent le temps de s'habituer à un maroquin ministériel. Car, nous sommes à un jet de pierre des prochaines élections. Mais comme dans les romances, Pravind Jugnauth aurait pu faire un beau geste, et tendre la main aux éléments féminins de son parti. Et il avait même l'embarras du choix. Mais, quand on sait que le critère communal entre en jeu pour la nomination des ministres, pas sûr que le Premier ministre fasse uniquement le seul choix du genre féminin. Ce qui est dommage. Car, comme le disait Louis Aragon, la femme est l'avenir de l'homme. Et quand les hommes ont failli, le choix était clair pour Pravind Jugnauth. Mais il a trop tergiversé. Au fait, les femmes votent aussi, non ? Tiendront-elles compte de ce que nous avançons dans le secret de l'isoloir ?

Sedley Assonne

ANALYSE

Leader et leadership, c'est la formule-clé.

Devenir un leader est le désir de beaucoup mais atteindre le leadership est à la portée de très peu de personnes. C'est un fait, nous ne pouvons le nier en aucune façon. L'idée de diriger un peuple jaillit, principalement parmi ce type de jeunes qui souhaitent réellement servir leur pays d'origine de la meilleure façon possible. Je crois qu'il n'y a pas de mal à ce que les jeunes commencent à cultiver les principes et l'esprit de leadership dès leurs plus jeunes âge.

Les jeunes, en premier lieu, ne doivent pas devenir des rats de bibliothèque; ils ne devraient pas se limiter aux manuels scolaires, mais ils devraient également s'intéresser à d'autres domaines, élargissant ainsi leur champ de connaissances. Ils devraient par exemple essayer de réunir de jeunes amis en un lieu unique, d'organiser des activités intéressantes comme des débats, parler de sport; les conduit vers le trouver des solutions à leurs problèmes. Dans l'ensemble, ils devraient avoir une conscience sociale et ne jamais oublier que la véritable religion de l'homme est le service rendu à l'humanité.

Les jeunes doivent toujours être à l'affût de ce qui se passe dans leur pays, suivre la tendance politique et connaître la situation économique de leur pays. Cela les aidera, peut-être à long terme, à comprendre un peu de leurs problèmes importants et ils seront incités à exercer leurs fonctions en conséquence. Ils devraient commencer à prendre conscience de leurs responsabilités envers leur pays et à se sentir conscients de ceux-ci. Ils doivent toujours garder dans leurs mémoires la parole du président Kennedy: "Ne demandez pas ce que le pays peut faire pour vous, mais vous devez faire ce que vous pouvez faire pour votre pays". C'est parfaitement vrai. Ils devraient promouvoir l'esprit

de patriotisme, qui doit être le devoir impérieux de tous.

D'autre part, les anciens ne devraient en aucun cas exclure les jeunes de leur environnement, car si les anciens dirigeants se retiraient de leurs activités, il y aurait un tel vide qu'il serait extrêmement difficile de combler dans l'immédiat. Nul doute qu'un groupe de jeunes inexpérimentés décidera de prendre les devants en se battant entre eux, ce qui provoquera certainement de graves dégâts dans un pays. si vraiment il y aura une certaine entente mutuelle entre les deux générations, je suis assuré que la

paix et la prospérité prévaudront toujours. Nos anciens dirigeants devraient faire de leur devoir d'inviter les jeunes à les suivre, à les former de la meilleure façon possible, à inviter leurs points de vue et des idées qui peuvent parfois être meilleures que leurs.

L'attention de chacun devrait être attirée sur le fait que chacune de nos activités est menée à travers la non-violence, car la violence ne nous apportera rien d'autre que la haine et l'inimitié. Les grands leaders nous ont laissé un bras tranquille pour nous battre pour notre dû. Pourquoi ne devrions-nous pas, nous aussi, en tirer le meilleur parti? Je suis persuadé que cela nous mènera à des

réussites. Les jeunes devraient toujours s'efforcer de suivre le bon chemin indiqué par leurs pairs et de se débarrasser de toutes les erreurs qu'ils auraient pu commettre. l'un des plus désastreux est la discrimination raciale. ce mal social devrait être étouffé dans l'œuf même. Les jeunes de leur côté ne doivent pas penser que s'ils sont titulaires d'un diplôme, ils ont une bien meilleure expérience que les aînés. Ils sont peut-être bien nantis sur le plan académique, mais ils sont pratiquement inexpérimentés dans d'autres domaines. Les grands leaders étaient aussi inexpérimentés que nous. Mais la pratique constante de la persévérance, de la volonté et de la patience innée leur a apporté des résultats remarquables. De même, nous pouvons être comme ces leaders qui ont été bien connus et qui ont rendu service à leur peuple. Nous devons d'abord apprendre à préserver et à exercer le leadership dans son vrai sens.

Nous devons également garder à l'esprit que, tant que nous penserons en termes de communauté, de composition, de couleur ou de conviction, nous resterons toujours dans la détresse et le malheur.

Nous serons une nation déformée. si nous voulons être prospères et aisés, nous devrions essayer d'avoir un seul avis, d'informer un gouvernement et de ressembler à un seul peuple.

Nous devrions oublier le passé et penser au présent. Nous ne devrions pas prêter attention aux faiblesses de nos dirigeants actuels. Nous devons reconnaître leurs grandes contributions et leur ajouter les nôtres. Nous devons nous réveiller, faire respecter notre présence partout et œuvrer pour le bien-être général et l'amélioration de notre cher pays et en faire un véritable perle de l'océan Indien.

L'ALLIANCE PTR-MMM-PMSD

Tassement au niveau du Front Bench et du positionnement des candidats

Alors que démarrent les discussions entre les formations politiques extra parlementaires, celles de l'alliance PTR-MMM-PMSD se poursuivent lentement mais sûrement. La stratégie des trois partis c'est d'avancer sur plusieurs plans en même temps celui de la préparation du programme électoral, du positionnement des candidats dans les différentes circonscriptions de la répartition des fonctions ministérielles en cas de victoire sans négliger pour autant l'occupation du terrain par des congrès et des meetings publics.

Si au niveau du programme gouvernemental et du travail sur le terrain, cela se passe bien, les choses semblent se tasser quelque peu pour ce qui est du partage des responsabilités ministérielles et du posting des futurs candidats. Ce qui est tout à fait normal, fait-on remarquer dans les milieux de l'alliance rouge-mauve-bleue, car c'est la partie la plus délicate des discussions «mais nous sommes condamnés à nous entendre car il faut à tout prix faire partir ce gouvernement», ajoute-t-on, comme pour faire comprendre que les trois partenaires finiront bien par s'entendre.

Certains points sont déjà acquis, comme, par exemple, le fait que le Parti Travailleuse obtiendra 35 tickets et que tous les élus de la présente législature seront de nouveau candidats mais

des permutations sont toujours possibles dans certaines circonscriptions. Dans d'autres comme, par exemple, au No 3 (Port-Louis Est/Port-Louis Central), qui comprend la région de Plaine Verte, représentée au Parlement par deux députés travaillistes, Shakeel Mohamed et Eshan Juman et par un élu MMM, Adil Ameer Meeah. Le parti mauve souhaite y présenter un deuxième candidat et fait un forcing en faveur d'Aslam Hossenally, ancien maire de Port-Louis, qui s'était classé en sixième position dans cette circonscription aux dernières élections générales.

Les exigences du PTR

Fort de son rôle, voire de son statut, de locomotive au sein de cette alliance, le PTR se croit autorisé à avoir certaines exigences, comme par exemple, le portefeuille de ministre des Finances, que lorgne également le MMM pour Reza Uteem. Il en va de même pour la hiérarchie au sein de l'équipe gouvernementale. Le PTR est d'avis que la quatrième place sur le «Front Bench» devrait revenir à Shakeel Mohamed alors que le MMM souhaite que cette place soit occupée par Reza Uteem. Les deux autres sièges du front bench, après celui du Premier ministre, reviendront à Paul Bérenger, comme ministre des Affaires étrangères, et à

Xavier-Luc Duval comme ministre du Tourisme respectivement. Les trois partenaires se sont entendus sur ce dernier point tout comme sur la présidence de la république qui reviendra au PMSD qui obtiendra également trois ministères au sein d'un éventuel gouvernement rouge-mauve-bleu.

En termes de ministères, le Ptr souhaite avoir celui de l'Agro-industrie, compte tenu du poids politique que représente la communauté des planteurs. Un autre ministère clé, celui de l'Education, devrait revenir au pédagogue Mahen Gungabisoon. Fabrice David pourrait se voir confier le ministère de l'Environnement, qui est tout à fait dans ses cordes, étant ingénieur en environnement de profession. Osman Mahomed se verra lui confier le ministère de l'Energie, portefeuille que lorgne également Patrick Assirvaden.

Au niveau du MMM on parle de Rajesh Bhagwan aux Administrations régionales, ministère qu'il a déjà occupé dans le passé, et Ariane Navarre-Marie à celui de l'Egalité des genres, qu'elle connaît déjà, alors que Franco Quirin se verrait confier celui de la Jeunesse et des Sports. D'autres noms seront connus au fur et à mesure mais les leaders évitent d'en parler afin de ne froisser personne.

TOURISME

Coopération tous azimuts entre les secteurs public et privé

L'avenir du secteur du tourisme, principal source de devises étrangères pour le pays, interpelle les autorités tant sur le plan local qu'international. La Banque mondiale, qui suit de près l'évolution du développement économique du pays, prépare en ce moment un Livre Blanc qui définira la stratégie de l'industrie pour les dix prochaines années. L'Association des Hôtels et Restaurants de l'Île Maurice (AHRIM) ainsi que les autres opérateurs de ce secteur attendent beaucoup de ce document qui leur servira de boussole afin de savoir quelle orientation donner à l'industrie au cours des dix prochaines années. En attendant, ce document, les organismes publics chargés du tourisme, en l'occurrence la Mauritius Tourism Authority (MTPA) et la Tourism Authority, travaillent de concert avec les représentants du secteur privé sur différents dossiers conformément au souhait exprimé par le Premier ministre adjoint et ministre du Tourisme, Steven Obeegadoo. C'est ainsi que quatre sous-comités, chacun co-présidé par un représentant du secteur public et un du secteur privé, ont été institués pour travailler sur le marketing de la destination mauricienne, sur le produit qui est proposé aux touristes, sur la connectivité aérienne et sur le talent management.

Tout en reconnaissant que l'industrie a retrouvé sa vitesse de croisière depuis la réouverture des frontières et que la barre du million de touristes a été allègrement franchie, les acteurs de ce secteur ne veulent pas dormir sur leurs lauriers. Un dossier qui leur tient particulièrement à cœur est la corrélation entre la capacité d'accueil et le nombre de sièges disponibles sur les avions. Ce qui pose la question d'une plus grande ouverture du ciel mauricien en accueillant de nouvelles compagnies aériennes tout en ne compromettant pas l'avenir d'Air Mauritius.

Regroupement des partis extra parlementaires

Troisième force politique ou panier à crabes ?

Pour bénéfique qu'il puisse être pour la santé démocratique du pays, le regroupement des forces d'opposition extra parlementaires n'en pose pas moins un certain nombre de problèmes. Tout d'abord au niveau du nombre de partenaires souhaitant former une nouvelle alliance. A force de vouloir ratisser large afin de prendre tout le monde «on board», pour reprendre un terme cher à Paul Bérenger, cette alliance en gestation finira par ressembler à un panier à crabes tant les intérêts et les aspirations des uns et des autres sont disparates. Leur seul point commun c'est leur désir de voir partir Pravind Jugnauth et son gouvernement. Ce qui est également le cas de l'alliance PTr-MMM-PMSD et où existe quand même un semblant de cohésion.

Faisons le décompte. Linion Pep Morisien de Rama Valayden, Dev Sunnassy et José Moirt, le Rassemblement Mauricien de Nando Bodha, le Reform Party de Roshi Bhadain, Rezistans et Alternative d'Ashok Subron, One Moris de Sherry Singh, En Avant Moris de Partick Belcourt, Idéal Démocrate de Géraldine Hennequin et Les Verts Fraternelles de Sylvio Michel, soit neuf formations politiques et organisations citoyennes aspirant à former une troisième force politique. Avouez que ça fait un peu beaucoup, comme dirait l'autre.

Des kamikazes politiques

Comment trouver une certaine cohésion quand on est une dizaine de partenaires ? Comment faire cohabiter toutes ces formations et tous ces dirigeants de partis sans froisser les susceptibilités des uns et des autres. Il importe de préciser que certaines de ces organisations n'ont aucune structure et que c'est l'affaire d'une seule personne qui est à la fois, le leader, le président et le secrétaire général. Dire qu'on reproche aux leaders des partis mainstream d'agir comme s'ils

étaient les propriétaires de leurs partis. Pas étonnant que certaines voix s'élèvent déjà au sein de ce regroupement pour exprimer les craintes d'une situation ingérable à long terme. S'il est vrai que l'union fait la force elle peut aussi être source d'incompatibilité quand cette union est composée d'éléments ayant une vision des choses et une approche différentes. Sans compter l'ego surdimensionné de certains. Il y a au sein de ce regroupement des forces extra parlementaires, de véritables kamikazes politiques

Si la plupart de ceux qui souhaitent former une troisième force politique disent ne vouloir ni de Pravind ni de Navin encore faut-il qu'ils puissent s'entendre entre eux pour barrer la route aux deux à la fois. Ce qui ne sera pas une mince affaire. Le système politique de «first past the post» l'a prouvé plus d'une fois celui qui recueille le plus de suffrages aux élections remporte la mise et laisse le perdant dans une situation de sous représentativité en termes de sièges à l'Assemblée nationale.

La division des voix au sein de l'opposition ne peut que jouer en faveur de Pravind Jugnauth et du Mouvement Socialiste Militant qui dispose, en sus d'une base électorale, d'une puissante machine de guerre et d'énormes moyens financiers à nul autre pareil. L'alliance PTr-MMM-PMSD sait qu'elle peut compter, elle aussi, sur une base électorale qui lui est restée fidèle quand les trois partis étaient au creux de la vague. Elle compte exploiter le sentiment anti-gouvernement des flottants pour faire la nique au MSM. Dans ces conditions, on peut s'interroger sur les chances de ce regroupement de forces extra parlementaires de remporter une majorité de sièges qui lui permettront de prendre le pouvoir et de diriger le pays.

BILAN DÉMOGRAPHIQUE

Une baisse de 0,12% enregistrée de juillet 2022 à juillet 2023

Pour les six premiers mois de l'année en cours, quelque 6 508 naissances vivantes ont été enregistrées en République de Maurice, contre 6 079 pour la période correspondante de 2022. Pour l'ensemble de l'année 2023, le nombre de naissances vivantes est prévu à 12 810, soit un taux brut de natalité (c'est-à-dire naissances vivantes pour 1 000 habitants en milieu d'année) de 10,2, contre 9,6 en 2022. Les prévisions pour l'île Maurice sont de 12 100 naissances vivantes (taux de 10,0) et celles de Rodrigues sont de 710 (taux de 15,8).

Décès

Le nombre de décès enregistrés au cours du premier semestre 2023 en République de Maurice était de 5 738, contre 6 519 pour la période correspondante de 2022. Les prévisions pour 2023 sont de 12 090 décès, soit un taux brut de mortalité de 9,6 pour 1 000 habitants en milieu d'année. Le nombre de décès attendu pour l'île Maurice pour 2023 est de 11 800 (taux de 9,7) et celui de Rodrigues est de 290 (taux de 6,5).

Mortalité infantile

Au cours du premier trimestre 2023, 91 décès de nourrissons ont été enregistrés en République de Maurice, contre 75 pour la même période en 2022. Environ 175 décès de nourrissons devraient survenir en République de Maurice en 2023, soit un taux de mortalité infantile de 13,7 pour 1 000 naissances vivantes contre 14,2 en 2022. Le nombre de décès infantiles prévu pour les îles Maurice et Rodrigues est respectivement de 160 (taux de 13,2) et 15 (taux de 21,1).

Mortinaissances

Au cours des six premiers mois de 2023, quelque 56 mort-nés ont été enregistrés en République de Maurice, contre 61 pour la même période en 2022, soit une baisse de 8,2%. Le nombre attendu de mortinaissances pour la République de Maurice pour 2023 est de 104, soit un taux de mortinatalité de 8,1 pour 1 000 naissances totales contre 9,1 en 2022. Les prévisions de mortinaissances pour les îles de Maurice et Rodrigues pour l'année 2023 sont de 100 (taux de 8,2) et 4 (taux de 5,6) respectivement.

Mariages

Au total, 4 101 mariages ont été enregistrés en République de Maurice au cours du premier semestre 2023, soit une baisse de 9,8% par rapport au nombre enregistré (4 547) au cours de la même période en 2022. Le nombre attendu de mariages pour 2023 est de 9 400, soit un taux brut de nuptialité de 14,9 pour 1 000 habitants en milieu d'année contre 15,1 en 2022. Le nombre de mariages attendu pour 2023 pour l'île Maurice est de 9 200 (taux de 15,1) et pour l'île de Rodrigues est de 200 (taux de 8,9).

| Republic of Mauritius | 4,547 | 9,558 | 4,101 | 9,400 | 15.1 | 14.9 |

La population de la République de Maurice a accusé une baisse de 0,12% au premier trimestre de cette année. Selon Statistics Mauritius, la population

s'élevait à 1 261 041 au 1er juillet 2023, contre 1 262 523 au 1er juillet 2022. De plus, le nombre de naissances vivantes enregistrées au premier semestre 2023 était de 6 508 alors que 5 738 décès ont été enregistrés au cours des six premiers mois de 2023. Le nombre de mariages enregistrés au premier semestre 2023 était de 4 101.

Au 1er juillet 2023, la population de la République de Maurice était estimée à 1 261 041 habitants, dont 622 991 hommes et 638 050 femmes, contre 1 262 523 à la même période de l'année dernière. Selon le dernier recensement effectué, il y avait 97,6 hommes pour 100 femmes. La population des îles Maurice et Rodrigues était estimée respectivement à 1 215 822 et 44 945 habitants. Dans les deux îles, les femmes étaient plus nombreuses que les hommes.

Agalega et St. Brandon avaient une population estimée à 274 habitants, avec 74 hommes de plus que les femmes. De plus, la République de Maurice avait une densité de population de 628 personnes par kilomètre carré à mi-2023 pour une superficie totale de 2 007,2 km². Les densités de population de l'île Maurice et de l'île Rodrigues étaient respectivement de 651 et 408 habitants.

Croissance démographique

Selon Statistics Mauritius, la population de la République de Maurice a diminué de 1 482 (-0,12%) entre mi-2022 et mi-2023. La population de Maurice a diminué de 1 766 habitants entre mi-2022 et mi-2023 tandis que pour la même période, la population de Rodrigues a augmenté de 0,64%. Au cours du premier semestre 2023, la population a enregistré un accroissement naturel de 770 habitants, résultat d'un ajout de 6 508 naissances vivantes et d'une soustraction de 5 738 décès. Pour la même période, le solde migratoire international des résidents a été estimé à -925.

Naissances

LOGEMENTS SOCIAUX

La construction de 200 unités débute à Pointe aux Piments

« Offrir un logement décent aux plus vulnérables est un projet majeur que le gouvernement soutient pleinement car il s'inscrit dans notre vision de placer les personnes au cœur du développement et d'améliorer leur qualité de vie ». Déclaration du Premier ministre, Pravind Jugnauth, à la cérémonie de pose de première pierre pour la construction de 200 logements par la New Social Living Development Ltd (NSLD) et le ministère du Logement et de l'Aménagement du territoire, à Pointe Aux Piments, lundi.

Le projet de logements à Pointe aux Piments est construit sur une superficie d'environ 10 arpents au coût de Rs 548 millions. Il comprendra des logements de 60 mètres carrés avec une cour de 56 mètres carrés, une salle polyvalente, un marché, une aire de jeux pour enfants, un magasin, une piste de jogging, des éclairages publics solaires, des poubelles écologiques et des infrastructures routières. 10% de ces logements sont réservés aux familles les plus vulnérables inscrites au ministère de l'Intégration sociale, de la Sécurité sociale et de la Solidarité nationale et huit logements seront mis à la disposition des personnes en situation d'handicap.

Selon Pravind Jugnauth, le gouvernement est déterminé à accélérer ses efforts pour piloter les projets de développement de logements sociaux destinés aux familles vulnérables. Il rappelle que des logements sociaux sont actuellement en construction dans différentes régions du pays dans le but de faciliter l'intégration sociale et de promouvoir l'inclusion. « Des projets de logement similaires sont en cours dans d'autres régions notamment Souillac, La Brasserie, Bel Rivière Sèche, L'Espérance Trébuchet et Pointe aux Sables », précise-t-il.

Le Premier ministre réitère l'objectif principal du gouvernement de garantir à chaque famille une maison décente, sûre, durable et conforme aux aspirations de la population. Et de rappeler que le gouvernement entreprend actuellement la construction de 12 000 logements pour les familles vulnérables qui seront mis en œuvre en deux phases. « Les première et deuxième phases comprennent respectivement la construction de 8 000 et 4 000 logements. C'est devenu une priorité pour chacun d'avoir un logement personnel, mais je comprends qu'il n'est pas facile pour les familles de milieu modeste et vulnérable d'économiser de l'argent, d'acheter un terrain et de construire une maison », dit-il. Et d'ajouter que cela demande beaucoup d'efforts et de sacrifices. « En tant que gouvernement attentionné, nous pensons que le logement est une nécessité fondamentale pour tous », ajoute le chef du gouvernement.

Par ailleurs, il affirme qu'il était important que le gouvernement met sur pied le NSLD en 2019 pour prévoir la construction de logements nouveaux et modernes, qui répondent aux attentes de la population. « Le gouvernement a la tâche difficile de trouver des terrains pour la construction de maisons offrant un accès facile à de nombreuses installations et commodités. Je salue la collaboration des entrepreneurs locaux pour la construction des logements dans cette situation difficile où les prix

des matériaux de construction ont augmenté en raison de l'inflation provoquée par des facteurs externes », déclare Pravind Jugnauth. D'emblée, il indique que le gouvernement redoublera ses efforts pour la construction de plus de logements. « Le NSLD bénéficiera d'un prêt du Saudi Fund for Development pour la construction de 1050 logements supplémentaires », souligne le Premier ministre.

Pour sa part, le vice-Premier ministre, ministre du Logement et de l'Aménagement du territoire, et ministre du Tourisme, Steven Obeegadoo explique qu'il s'agit d'un projet moderne en harmonie avec la nature, doté d'infrastructures et d'équipements modernes. « Le projet bénéficiera aux habitants de la région. Des projets de logement similaires sont en cours de réalisation à travers le pays pour garantir que chaque famille de différentes couches sociales ait accès à un logement décent », dit-il. Et d'ajouter que la National Housing Development Co. Ltd a déjà achevé la construction de 2 500 logements et est déterminée à poursuivre la construction d'autres logements, conformément à la vision du gouvernement.

TRANSPORT INCLUSIF

Les malvoyants et personnes en situation d'handicap initiés à l'utilisation du Metro Express

Ganoo a rappelé que les gares sont conçues pour être 100% inclusives et que MEL a pris en compte les besoins de mobilité des personnes handicapées dans sa politique des transports. « Toutes les gares sont équipées de trottoirs tactiles pour garantir l'accès aux différentes zones de la gare telles que les quais, la billetterie, les points d'embarquement et les escaliers. Les gares sont également équipées d'installations telles que des rampes, des ascenseurs, des escaliers mécaniques et des repères de voie pour faciliter les déplacements », a-t-il indiqué.

Pour sa part, le Dr Das Mootanah a expliqué que le Métro Express est un mode de transport moderne et innovant qui prône avant tout l'inclusion absolue des personnes en situation d'handicap, qu'elles soient aveugles ou ayant d'autres handicaps. « Le concept même de ce projet et le système que nous avons mis en place prennent en considération toutes les composantes de notre société diversifiée », a-t-il précisé. Le CEO de MEL a en outre

Métro Express Ltée (MEL) a organisé une séance d'initiation et de familiarisation pour sensibiliser les membres de la Blind and Visually Impaired Association (BAVIA) à l'utilisation des services du métro léger au dépôt de Richelieu, hier. L'exercice a eu lieu en présence du ministre des Transports terrestres et du Métro léger, Alan Ganoo ; du CEO de MEL, Dr Das Mootanah ; et des représentants du ministère de l'Intégration Sociale, de la Sécurité Sociale et de la Solidarité Nationale.

Une présentation a eu lieu sur les différentes installations et commodités destinées aux personnes malvoyantes et en situation d'handicap physique. Les différentes fonctionnalités et services d'accessibilité à bord du Métro Express et sur la plateforme ont été communiqués aux membres du BAVIA, à savoir le son d'arrivée et de départ du train, la cloche, le bouton poussoir en braille, l'ouverture et la fermeture des portes pour alerter les passagers, 10 sièges prioritaires dans le Light Rail Vehicle (LRV), l'interphone à chaque porte pour communiquer avec le Chef de Train en cas d'urgence et les annonces sur le LRV.

À l'issue de cet exercice, Alan Ganoo a félicité le MEL pour ce projet innovant qui vise à faciliter l'accès aux différentes composantes de la population. « Ces incitations et fonctionnalités innovantes de pointe que MEL offre à tous les citoyens sont également celles proposées par les pays avancés », a-t-il déclaré. Il a également souligné que ce projet du MEL s'inscrit dans la vision du

Gis

indiqué que le personnel formé est toujours disponible dans les principales gares pour répondre aux différents besoins et exigences des personnes en situation d'handicap avant le voyage, dans les gares, à bord des LRV et après le voyage. Par ailleurs, l'extension des services du Metro Express a aussi été abordée. Selon le Dr Das Motanah, l'UNESCO avait donné son approbation pour l'extension du métro express près de l'Apravasi Ghat. Par conséquent, des études seront réalisées en premier lieu, suivies de la conception et des tests avant la construction de la ligne. « Le Metro Express sera étendu au nord, au sud et à l'est de Maurice. Cela apportera beaucoup de développement physique et social aux régions », a-t-il dit.

Également présent à l'exercice, le secrétaire adjoint de BAVIA, Roobensing Baboolall, s'est réjoui que le Metro Express soit doté de fonctionnalités innovantes qui offrent un accès équitable à tous, quelle que soit leur situation. Selon lui, le Métro Express est un mode de transport sûr et sécurisé qui peut être utilisé par les personnes malvoyantes et en situation d'handicap physique. Un voyage spécial a également été organisé du dépôt à la station Coromandel, au cours duquel une familiarisation sur le terrain avec les commodités de la station a eu lieu, suivie d'un voyage gratuit à la station Beau Bassin. Des brochures en braille en anglais et en français sur les aspects de sûreté et de sécurité à adopter sur le Métro Express ont également été distribuées.

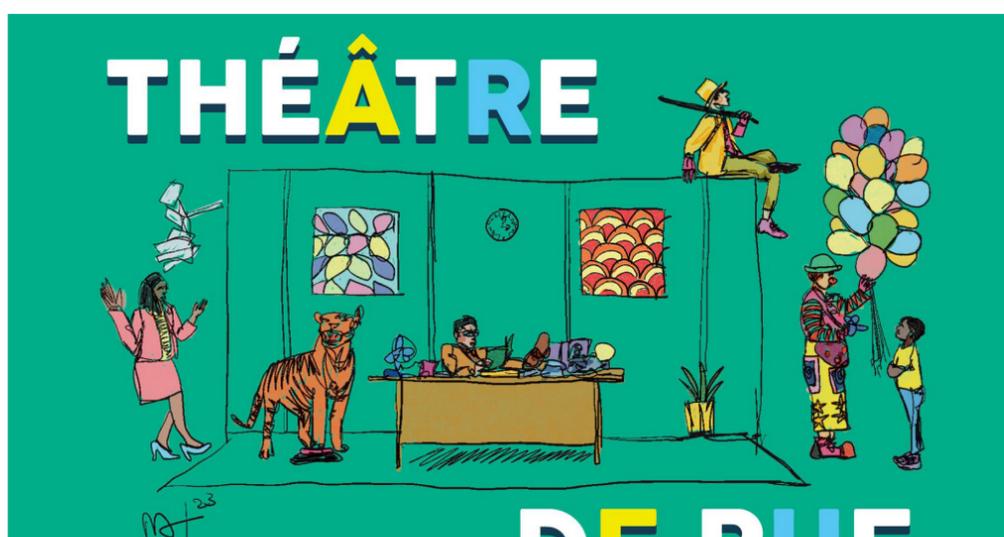

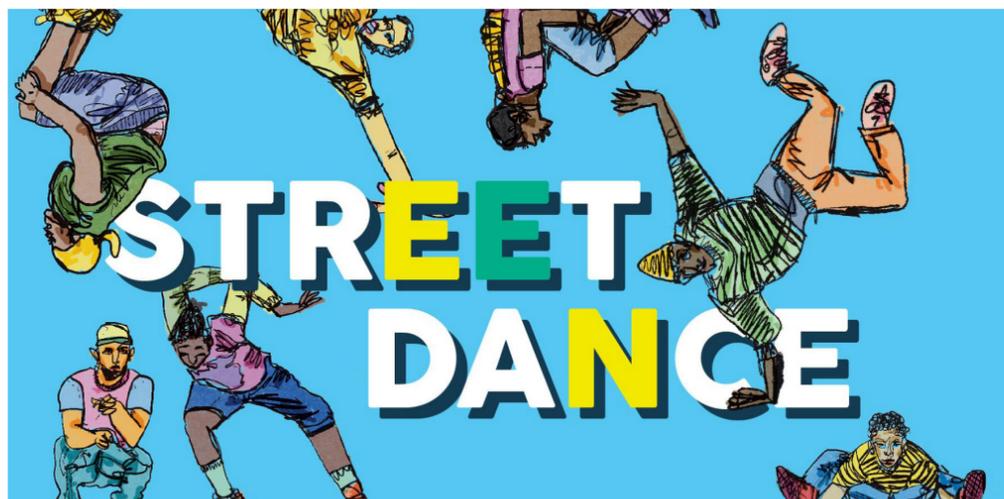

gouvernement de promouvoir l'inclusion, la justice, l'équité et la justesse. En outre, le ministre Alan

également été distribuées.

REZIDAN SAISON 2

Appels à candidature pour les résidences artistiques à Moka

« Explore, inspire, kre ». C'est sous ce thème que Rezidan assure un retour pour une deuxième saison. Cet événement vise à offrir aux talents artistiques émergents et confirmés une opportunité unique de développer leur créativité et de collaborer avec d'autres artistes. Cette année, l'objectif est de développer « lar piblik » au cœur de l'île et d'accueillir d'autres talents au sein de trois résidences : street dance, théâtre de rue et Émergence (2ème édition).

Initié en 2022, Rezidan mettait l'accent, pour sa première saison, sur les arts visuels tels que la peinture, le street art ou encore la photographie. Poursuivant son engagement à soutenir et à encourager les artistes émergents, cette deuxième édition prend désormais une nouvelle dimension avec l'introduction des arts de la scène avec le street dance et le théâtre de rue. L'ambition étant de transformer la ville de Moka à travers les arts, Rezidan promet d'offrir aux artistes toutes les ressources nécessaires pour développer leur créativité, collaborer avec d'autres artistes et faire découvrir leurs œuvres au grand public.

« 3 programmes de résidences, 9 artistes en résidence, 8 fresques grand format, 2 expositions, 4 art talks, 4 ateliers, 3 studios réaménagés et 1 projet universitaire... La première édition fut remplie de belles aventures et découvertes artistiques que nous souhaitons rééditer cette année. La deuxième saison de Rezidan est une évolution naturelle de ce projet, reflétant notre engagement continu envers la production des arts et de la culture au sein de la ville », explique Mathieu Pigeot, Arts and Culture Manager de la Smart City de Moka.

Cette année, Rezidan accueille les candidatures pour trois résidences artistiques :

- Street dance

Dans le cadre de cette résidence, cinq artistes seront sélectionnés pour collaborer avec Emmanuel Chellen, également connu sous le nom de « Numa », danseur et chorégraphe avec une approche unique du mouvement. Pendant les 12 sessions qui leur seront consacrées, ces street dancers seront amenés à créer leur propres chorégraphies et à se produire dans les rues de Telfair. Date limite pour les inscriptions : 1er septembre 2023.

- Théâtre de rue

C'est une première à Moka ! Cette résidence théâtrale, dirigée par Sandrine Raghoonauth, actrice et metteuse en scène, invite les comédiens à collaborer lors de 12 sessions de création, afin de développer des performances spécialement conçues pour l'espace public, avec des représentations prévues à Telfair. Date limite pour les inscriptions : 9 septembre 2023.

- Émergence 2

Après le succès de sa première saison, Émergence revient pour permettre aux artistes dans le domaine des arts plastiques et de l'art contemporain de se développer. Cet incubateur artistique invite les artistes sélectionnés à participer à une résidence où ils auront l'opportunité d'approfondir leur démarche artistique. Quatre nouveaux artistes seront retenus et pourront présenter leurs projets de résidences au côté de Charlotte D'Hotman, la directrice de la galerie d'art Imaaya. Date limite pour les inscriptions : Les appels à candidatures seront lancés en septembre. Les artistes intéressés sont invités à s'inscrire sur le site rezidan.mu.

Rezidan

Lancé courant 2022, Rezidan vient remettre les arts sur le devant de la scène mokassienne ! À travers ce projet à long terme, la Smart City de Moka souhaite célébrer le patrimoine et enrichir le programme culturel de la ville, mais aussi renforcer le sentiment d'appartenance et inspirer des valeurs positives aux habitants de la localité. Outre les commandes d'œuvres artistiques, Rezidan permet à la Smart City de Moka de proposer aussi un programme de résidences pour accueillir des artistes – confirmés ou émergents – dans des espaces dédiés, comme les ateliers des Kocottes. Idéal pour mener à bien un projet artistique tout en bénéficiant d'un espace équipé et de divers outils, tels que le mentorat.

RED BULL CAR PARK DRIFT 2023

Démonstrations du champion Abdo Feghali le 2 septembre

Compétition de drift à 19h après une journée d'exposition de supercars, karts, voitures de rallye et tunées, motos, et de démonstrations de voitures télécommandées.

La 10e édition du Red Bull Car Park Drift mauricien se fera de nuit le 2 septembre, à partir de 19h au stade Anjalay Coopen, avec une vingtaine de pilotes au départ de la compétition. Le vainqueur ira piloter contre ceux d'une quinzaine d'autres pays au cours de la compétition internationale au Qatar à la fin de cette année. Le titre 2022 pour Maurice avait été remporté par Shehzad Soorabally (quintuple champion de cette compétition).

Cette édition mauricienne 2023 verra aussi des démonstrations de drift par le multiple champion de rallye et de drift libanais, Abdo Feghali qui détenait aussi le record du monde du plus long drift en 2013, avec une distance de 11 km. Abdo Feghali est un athlète officiel Red Bull, et est la cheville ouvrière de la formation en drift pour les événements Red Bull dans la région du Moyen-Orient et d'Afrique. C'est lui qui avait initié et formé les pilotes locaux en amont de l'organisation de la première édition du Red Bull Car Park Drift à Maurice en 2014. Le Sud-Africain Brian Capper sera aussi présent pour des démonstrations de moto trial. Également athlète officiel Red Bull, il a collectionné les titres en moto trial et moto enduro au cours de sa carrière.

Pour cette édition spéciale des dix ans, les organisateurs ont voulu donner une dimension spéciale à l'événement. Le public aura non seulement

droit à une compétition spectaculaire de nuit avec des jeux de lumière, ainsi qu'à des démonstrations de champions internationaux, il pourra profiter d'une exposition et d'autres démonstrations en journée. Des exposants et des associations seront présentes au stade Anjalay Coopen, afin d'accueillir le public qui souhaite découvrir d'autres aspects du domaine automobile : exposition de supercars, de voitures de rallye, de karts, de motos trial et enduro, de voitures tunées, démonstrations de voitures radiocommandées, entre autres.

L'accès à l'exposition sera ainsi ouvert dès 10h, pour toute la journée jusqu'à 18h30, en préambule à la compétition de drift. Le tarif pour l'exposition et à la compétition de drift sera de Rs 50 par personne à partir de 16 ans (entrée gratuite pour les enfants et adolescents jusqu'à 15 ans). Les billets seront disponibles sur place. Chaque ticket permet d'accéder à l'espace d'exposition, d'en sortir et de revenir par la suite pour la compétition de drift - donc sans achat supplémentaire de ticket en cas de sortie. Plusieurs partenaires se sont associés à cet événement, notamment Varta, Dunlop, Liqui Moly by Axess, LCM, Powersure, Alliance Media, Multibox.

Cette fête du sport mécanique et de l'automobile sera donc un préambule au grand rendez-vous du Red Bull Car Park Drift mauricien sur le circuit dessiné dans le parking principal du stade. Les meilleurs pilotes locaux seront en chasse du titre national de King of Drift. La compétition mauricienne du Red Bull Car Park Drift retrouvera la configuration de sa première édition, en 2014 : course de nuit

dans le grand parking de ce stade, avec l'ambiance particulière des lumières en mouvement, des rugissements des moteurs, des grincements des pneus lors des dérapages contrôlés, et des panaches de fumée dans la pénombre... Le succès du Red Bull Car Park Drift fut immédiat, avec plus de 15 000 spectateurs dès la première édition. Le premier champion mauricien fut Emmanuel d'Hotman, couronné en 2015 et 2016 aussi. Par la suite, Shehzad Soorabally remporta le Red Bull Car Park Drift mauricien cinq fois (la dernière fois en 2022), et Xavier Lachkar une fois. Ces deux derniers font partie des concurrents de l'édition 2023.

Le drift de compétition, alliant puissance, précision et sens du spectacle, est une spécialité très technique. Elle a été introduite à Maurice par Red Bull en 2014. Chaque concurrent réalise un passage en étant seul sur le circuit. Les meilleurs sont qualifiés pour la finale, qui se joue selon les mêmes critères. Les performances sont jugées notamment par la précision du pilotage dans des manœuvres en glisse, et par le caractère spectaculaire du passage de chaque voiture. Un temps maximum est imposé pour compléter le circuit, mais la rapidité n'est pas un critère de performance comptabilisé par les juges.

Le Red Bull Car Park Drift (Mauritius) est organisé par Red Bull selon les normes techniques et les normes de sécurité du concours international, avec le soutien de Robert Chung (consultant mauricien de sport automobile) et de son équipe.
