**TOURISME**

LES ACTEURS SENSIBILISÉS À LA CERTIFICATION DES PRATIQUES DE TOURISME DURABLE

Favoriser l'engagement des acteurs du tourisme en faveur de la certification des pratiques de tourisme durable, en défendant les principes qui préservent l'intégrité environnementale, la viabilité socio-économique et l'authenticité culturelle tout en maximisant l'engagement touristique. Tel est l'objectif de l'atelier d'une demi-journée sur la Sustainable Tourism Certification – Blue Oasis, qui s'est tenu, jeudi, à l'Hôtel Le Labourdonnais Waterfront, à Port Louis, en présence de la ministre du Développement Industriel, des PME et des Coopératives, Naveena Ramyad. Le président du Conseil des normes du Mauritius Standards Bureau (MSB), Sanjiv Mulloo et la directrice du MSB, Loveetah Chummun-Bhujohury, étaient également présents.

Naveena Ramyad a profité de l'occasion pour féliciter le MSB pour ses efforts louables dans le développement du système de gestion du tourisme durable – Blue Oasis, bien qu'il s'agisse avant tout d'une institution technique. Soulignant l'importance de la durabilité, elle a invité tous les acteurs du secteur du tourisme à adopter des pratiques durables et à adopter la certification MS 165 comme moyen de contribuer au développement d'un tourisme responsable.

Pour sa part, Sanjiv Mulloo a souligné la nécessité d'adopter

une croissance durable au sein du secteur du tourisme, expliquant son rôle central dans l'élaboration de la trajectoire de l'industrie et la détermination de l'héritage pour les générations futures. Il a évoqué la responsabilité solennelle de veiller à ce que le tourisme s'aligne sur la nature plutôt que de l'épuiser. En outre, il a insisté sur l'engagement inébranlable du gouvernement en faveur des initiatives mondiales visant à atténuer le changement climatique et à promouvoir le développement durable, affirmant le rôle vital des efforts collectifs pour relever les défis environnementaux.

DÉCONGESTION ROUTIÈRE

LES TRAVAUX D'INFRASTRUCTURES À BAIE DU TOMBEAU DEVRONT ÊTRE ACHEVÉS EN MAI 2024

En vue d'améliorer la circulation à Baie du Tombeau, la Road Development Authority (RDA) est en train de réaligner la route B29 sur une distance de 700 mètres afin d'améliorer la visibilité, la fluidité du trafic et de minimiser les risques d'accidents. Par ailleurs, un nouveau pont de 11 mètres est en construction pour remplacer le pont existant de six mètres, comprenant deux voies de largeur de 3,5 mètres chacune et des sentiers piétonniers sur les deux côtés du pont de 2 mètres chacun afin d'améliorer la fluidité de la circulation des véhicules ainsi que celle des piétons à Baie du Tombeau. Le pont Bruniquel actuel sera alors réservé aux piétons. Les travaux ont débuté le 26 avril 2023 et ont atteint 70% et devraient s'achever en mai 2024. C'est ce qu'a indiqué le ministre de l'Infrastructure nationale et du Développement communautaire, Bobby Hurreram, à l'Assemblée nationale cette semaine.

Bobby Hurreram a rappelé que le village de Baie du Tombeau s'étend sur une superficie géographique de 7,2 km² avec environ 15 000 habitants. Cet endroit a connu divers développements résidentiels, commerciaux et industriels au cours des dernières années, conduisant à un niveau de vie plus élevé dans cette région. Selon la RDA, la circulation le long de la B29 est actuellement assez importante, avec un pourcentage énorme de véhicules, y compris des poids lourds, qui empruntent cette

route. « En effet, la route est constituée de plusieurs virages dont deux qui se situent avant et après le pont Bruniquel existant. Ces virages représentent un danger pour la sécurité des usagers de la route en raison des problèmes de visibilité et contribuent à la congestion du trafic dans la région », a soutenu le ministre.

Et de rappeler que le pont Bruniquel, d'une largeur de six mètres, a été construit en 1926 en béton armé et maçonnerie. Il s'agit d'une structure médiocre

et il y a un manque d'aménagements pour les piétons, ce qui constitue un danger potentiel pour la circulation, entravant celle des véhicules lourds dans les deux sens de la route. Selon la Traffic Management and Road Safety Unit (TMRSU), pendant les heures de pointe le matin et l'après-midi, des files d'attente sont observées le long de la B29 et de la B33 pour sortir de l'autoroute M2. Des embouteillages supplémentaires peuvent survenir en raison de pannes de véhicules, d'accidents de la route, de travaux routiers et de

plusieurs véhicules attendant de tourner à droite dans les espaces publics. De plus, il existe très peu d'itinéraires alternatifs permettant de rediriger le trafic encombré.

En outre, la TMRSU propose de mettre en œuvre des mesures pour améliorer la fluidité de la circulation à Baie du Tombeau. A commencer par l'installation d'un ensemble d'équipements de signalisation routière au cours du prochain exercice à la jonction de Baie du Tombeau B29 et de Riche

Terre B33 afin d'y améliorer la fluidité de la circulation et la sécurité routière. Ensuite, restreindre le stationnement sur rue à proximité des intersections très fréquentées et à faible visibilité pour contribuer à réduire les embouteillages ; convertir les arrêts de bus sur rue en aires de stationnement le long des tronçons de circulation encombrés, sous

réserve de disponibilité de terrains suffisants ; améliorer le service de bus publics pour encourager le transfert modal des voitures particulières vers les bus ; étendre le Programme de décongestion routière aux ronds-points de la Cocoterie et de Riche Terre à Baie du Tombeau ; et accroître la présence des agents de police pour contribuer à réduire les

embouteillages aux heures de pointe.

Interrogé sur la possibilité de construire un carrefour à niveaux différents au rond-point de la Cocoterie similaire à celui qui a été construit au quai D, Bobby Hurreeram a avancé que ce ne serait pas nécessaire à ce stade. « Baie du Tombeau pourrait avoir

besoin de quelques améliorations mineures, peut-être comme l'ajout d'une autre voie pour améliorer la circulation vers Terre Rouge où, à la fin, la circulation passera par le pont vers le nord. Alors, nous attendrons, analyserons la situation et ensuite nous déciderons en conséquence », a-t-il précisé.

8ÈME RÉUNION DES MINISTRES DE LA SANTÉ

UN FORUM RÉGIONAL SERA CRÉÉ POUR LES PIED

La 8e réunion des ministres de la Santé des petits États insulaires en développement (PEID) de la région africaine de l'OMS, s'est tenue à Victoria, aux Seychelles, du 25 au 27 mars 2024. Reconnaisant les défis sanitaires communs auxquels sont confrontés les PEID, le Bureau régional de l'OMS pour l'Afrique a approuvé la création d'un forum régional pour les PEID, réunissant le Cap-Vert, les Comores, Maurice, Sao Tomé-et-Principe et les Seychelles. Déclaration faite par le ministre de la Santé et du Bien-être, Kailesh Jagutpal, à l'Assemblée nationale, cette semaine.

Ce forum, dit-il, constitue un phare permettant aux PEID de faire face de front aux vulnérabilités sanitaires, favorisant ainsi la résilience et la durabilité. « Depuis sa création aux Seychelles en 2006, les ministres de la Santé des PEID se sont engagés à organiser des réunions biennales pour échanger des idées et suivre les progrès en matière de développement sanitaire. Des invitations ont été lancées à Madagascar et à la Guinée-Bissau pour rejoindre le réseau des PEID, avec un accent particulier sur les achats groupés », a indiqué le ministre de la Santé.

Et de poursuivre que les participants se sont engagés à collaborer pour renforcer les mesures nationales de prévention, de préparation et de réponse aux pandémies, et à approuver des positions communes sur les accords et réglementations internationaux proposés, notamment le nouveau Traité sur la pandémie et le Règlement sanitaire international (RSI). « En outre, nous restons déterminés à explorer toutes les voies permettant d'accéder aux mécanismes de financement disponibles pour faire face aux impacts du changement climatique sur la santé. Deux

pays ont exprimé un vif intérêt pour l'accueil du Secrétariat des achats groupés des PEID, à savoir Maurice et le Cap-Vert. Les délibérations étaient basées sur les rapports de mission d'évaluation, selon lesquels Maurice avait obtenu une note de 39 sur 40 points possibles, soit un score exceptionnel de 97,5% », a soutenu le ministre.

Kailesh Jagutpal a d'emblée expliqué qu'après un examen minutieux, parmi les candidatures louables du Cap-Vert et de Maurice, un système de vote fermé s'est ensuivi, aboutissant à la victoire de Maurice avec quatre voix contre trois pour le Cap-Vert. En conséquence, un consensus a été atteint pour désigner Maurice comme hôte du Secrétariat, chargé de diriger l'opérationnalisation de l'Initiative d'achats groupés dans les PEID. « Cette responsabilité cruciale témoigne de notre engagement à faciliter un accès accru à des médicaments et des fournitures médicales abordables, de qualité garantie et sûrs dans les PEID. La création du Secrétariat harmonisera les systèmes de gestion des médicaments, améliorera les performances des fournisseurs et allégera les charges d'approvisionnement. De plus, il jette les bases de principes directeurs

et d'une structure de gouvernance solide, comprenant un secrétariat et des comités techniques », a-t-il affirmé.

Et d'ajouter « J'exprime ma profonde gratitude au Cap-Vert, aux Seychelles, aux Comores, à Sao Tomé-et-Principe, à la Guinée Bissau

et à Madagascar pour avoir entériné cette décision. Je réaffirme en outre notre engagement inébranlable à remplir ce devoir avec la plus grande diligence pour le bien-être collectif de toutes les nations », a conclu le ministre de la Santé.

HOUSE OF DIGITAL ART

« TOUTES LES ÎLES SONT DES ARBRES » - UN VOYAGE DANS UN UNIVERS PALPITANT

Depuis son lancement en juillet 2023, House of Digital Art (HoDA) se dessine comme un espace unique dans le paysage mauricien, indo-océanique et africain. Mettant en avant la création artistique sous ses formes les plus hybrides, HoDA s'engage dans une démarche de régénération pour l'île, en alliant l'art, la technologie, la société et le design. C'est dans cette optique que la maison culturelle revient avec un nouveau chapitre sous le thème « Toutes les îles sont des arbres » inspiré d'une citation du poète mauricien Édouard Maunick. Lancée le mercredi 3 avril dernier, lors d'un vernissage à la Galerie du Génie à Edith à Port-Louis, cette deuxième saison s'étendra jusqu'en juillet 2024, accompagnée de rencontres régulières autour de résidences artistiques, de performances, d'ateliers et de rencontres.

La nouvelle exposition marque un temps d'arrêt pour repositionner l'homme dans son écosystème, sans pour autant prétendre fournir des réponses toutes faites. Celle-ci se positionne également comme une exploration profonde des enjeux liés à l'insularité, une réflexion sur la manière dont les solutions face aux défis contemporains peuvent être portées dans nos territoires insulaires. Elle vient fusionner les idées d'artistes, de chercheurs et de développeurs, prolongeant ainsi l'exploration des enjeux écologiques et du rapport de

l'homme à l'écosystème et aux territoires, thème introduit lors de la saison inaugurale.

« Le propos de cette exposition nous invite à considérer notre place au cœur de ce monde et à saisir cette occasion pour nous questionner sur notre interdépendance, nos racines, la mémoire, les cycles de vie, nos liens générationnels et notre rôle dans ce monde. Cette saison s'est tissée autour d'une ligne curatoriale fine, évocatrice et liminale, aux frontières d'œuvres palpitantes, d'outils, d'histoires, rejoignant des artistes locaux,

régionaux et internationaux, nous offrant de nouvelles perspectives », déclare Astrid Dalais, co-fondatrice de House of Digital Art.

Présentant les œuvres de douze artistes locaux, régionaux et internationaux, ponctuées de plusieurs grandes installations, l'exposition explorera trois fils narratifs : les arbres comme témoins de notre passé, leur résilience et intelligence et enfin, les défis que nous devons relever. Parmi ces artistes, on retrouve Max Anish Gowriah Kim Yip Tong et

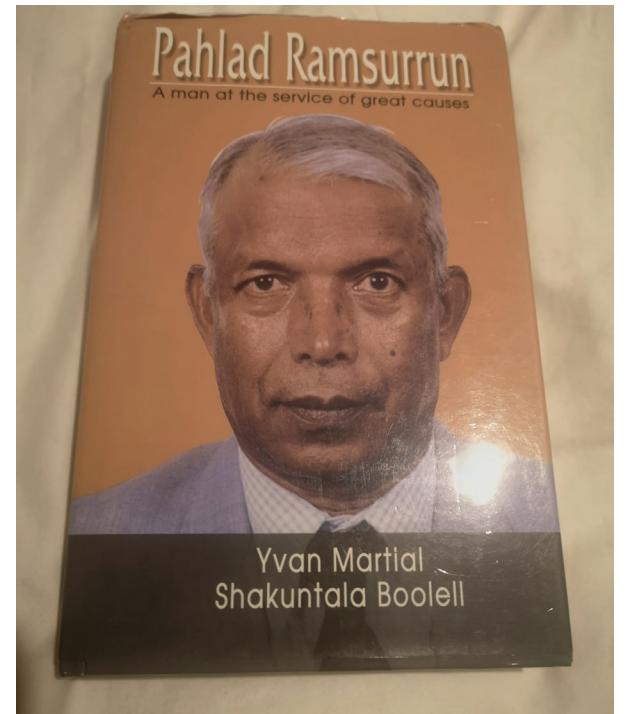

Guillaume Clarisse de Maurice, Boris Lallemand et Amandine Boyer de La Réunion, Budhaditya Chattopadhyay de l'Inde, Aa Noun de la Tanzanie, ainsi que Béatrice Lartigue, Minh Boutin, Tom Lellouche, et Gabriel Lester du continent européen. À travers ses dix œuvres numériques inédites, cinétiques, sonores, immersives et en réalité augmentée, HoDA promet d'être une fenêtre ouverte sur des possibilités infinies et un moyen de questionner nos existences tout en rêvant d'un avenir différent.

ART

LA CULTURE HONORE QUATRE ARTISTES

Ismet Ganti, plasticien, Henri Favory, dramaturge, Pahlad Ramsurrun, auteur et Jean-Claude Gaspard, chanteur, ont été honorés par le ministère de la Culture. C'est au Conference Room du ministère qu'a eu lieu la remise d'un trophée et d'un chèque de Rs 250000 aux quatre artistes.

Si les choix ne souffrent d'aucune discussion, il est à se demander pourquoi l'Etat n'a pas cru bon de les inclure dans la liste des décorés du 12 Mars dernier ? Est-ce pour réparer cet « oubli » qu'ils sont maintenant récompensés ?

Pahlad Ramsurrun est auteur de nombreux ouvrages à caractère historique, et aussi éditeur du magazine Indradhanush. Ce féru d'histoire, très pointilleux dans ses textes, publie toujours des ouvrages qui sortent de

l'ordinaire. Yvan Martial et Shakuntala Boolell avaient signé sa biographie, intitulée « Pahlad Ramsurrun, a man at the service of great causes ».

Henri Favory n'est plus à présenter, ayant laissé un héritage théâtral, d'où émerge un prix venu de Nantes, pour une pièce que sa troupe avait présenté en France. Cet ancien enseignant a aussi publié de la poésie, dans une œuvre qui s'est toujours déclinée dans sa langue natale, le créole. Un des premiers à parler de

la violence domestique, tare de notre société, dans son théâtre.

Jean-Claude Gaspard mérite lui aussi cette récompense, mais qui arrive un peu tard quand même. Car l'artiste est malade et ne peut plus chanter sur scène. Au faite de sa gloire, il ne fut pas considéré. Ce qui est dommage. Ce sont ses enfants Denis-Claude et Mary-Joyce Gaspard qui perpétuent son règne musical, tant à Maurice qu'à la Réunion. Indéniablement un digne représentant de notre folklore et fin observateur de

notre société, avec ses ségas satiriques qui égratignent ceux qu'ils croquent en trois minutes.

Nous avons été parmi ceux qui ont toujours appelé au sacre d'Ismet Ganti. Un des premiers, avec son frère Firoz, à inclure le vécu mauricien dans leurs travaux, il a exposé tant en France qu'au Japon. Il a aussi laissé libre cours à son talent de poète, en publiant ses poèmes.

Sedley Assonne

SHIKHA G AND WARREN BRADLEY BRANDON LAVILLE

“WHEN IT COMES TO MY FUTURE, I REALLY HOPE FOR A POLITICAL, SOCIAL, AND ECONOMIC ENVIRONMENT THAT IS INCLUSIVE AND SUPPORTIVE.”

Who say that youngsters do not bother about their future? They are really concerned about politics, social and economics problems. Shika G and Warren Bradley Brandon Laville tell us more about their personal views and the future that they are aspiring to.

It is often said that young people do not care about the political, social, and economic problems their countries face. Your opinion.

Shikha G: In my opinion, I don't think that it's fair to say that all young people don't care about these important issues. I believe that's just a stereotype. There are many young people out there who are passionate and actively involved in making a difference. I really think that young people have a unique perspective and fresh ideas that can bring about positive change since they're often more connected to technology and social media. The platforms allow them to be more active and aware of the issues that affect their countries and the world. It's true that not every youngster may be actively involved or engaged with political or social activism, but that doesn't necessarily mean that they don't care. Each one of them express their concerns and opinions in different ways. Some do it through art while some do it through writing. It's important to recognize the diverse ways in which they contribute and understand that passion and involvement can manifest in different forms.

Warren Bradley Brandon Laville: In my opinion, I think that it's true that some young people aren't interested in the political, social, and economic problems but there are plenty of other young people who wish to be involved in those issues as they would want to change or at least contribute to making a difference in their communities and the world. Everyone has their own unique ways of expressing their opinion. It is very important to know that most of us young people have different perspectives to make a positive impact for all individuals of our country. Some may express their opinions and views through conversations or music and sketches while some other people can express their opinions through social media.

Even small acts of kindness and compassion can make a big impact on the world. It's important to not underestimate the power of young people and their potential as they could help to shape a better future. In conclusion I think that if others stop underestimating us young people and our capacity to be involved in these issues, they will see that us to make can make a big change.

Why do you think it is high time that young people became interested in the points mentioned above?

SG: I think it's high time for young people to become interested in the points mentioned above because they have the potential and the power to bring change and shape the future. By being interested in politics, young people can have a say in the laws and regulations that affect their lives. Becoming interested in social issues allows young people to contribute to making a more inclusive and fair society. Being interested in economic issues can make young people understand how financial decisions impact their own lives and the lives of others. They could learn about investing and financial literacy or budgeting which could help them make informed choices and help them to secure a better and stable future.

WL: It's important for young people to become interested in these points because they have the power to change the world they live in. By being informed, engaged, and acting, they can make a positive impact on society and create a better future for themselves and future generations. So, in my opinion it is really high time to try to bring about this positive change. By getting involved in political, social, and economic issues, young people could bring necessary change which would allow them to contribute fresh perspectives and innovative ideas that can address complex

Shika G

Warren Bradley Brandon Laville

problems. So, to me it is not about being interested, it is about realizing the potential they must make a difference to create a better future and a better society.

Roughly speaking, what should be the role of youth within our society?

SG: Roughly speaking, the role of youth within our society

should be to provide and bring innovative ideas and solutions, clear perspectives, and energy to the table. They have the power to push for positive change and they should be encouraged to participate in decision making. By involving them, we can tap into their unique talents and skills. They have a voice that deserves to be heard. They have so much to offer and can truly make a difference.

WL: I strongly think that young people do have a big role in this society as we are the future, we are here to bring more ideas, solutions, evolution and more positive aspects to this new society we are living in and its modern problems. They have a very positive impact on this modern world and can change a lot and in doing so, they should be pushed forward and be encouraged to make more effective changes. By encouraging and showing them on how to put their especial talent into progress, they will be more invested and they will truly offer a difference.

That's why I think that young people have a good role in the society.

As a young person, what type of political, social, and economic environment do you aspire to for your future?

SG: As a young person, I aspire to a political, social, and economic environment that is fair, sustainable, and inclusive. I also believe in a political system that values diversity and where everyone's voice is heard and respected. I want to see a government that promotes fairness, transparency and protection of individual rights and freedoms. When it comes to social environment, I aspire to live in a world where diversity is celebrated and respected. I want to see a society where everyone feels safe and included regardless of their race, gender, sexual orientation, or any other aspect of their identity. It's important to foster a culture of acceptance, equality, and empathy where everyone can thrive and be their authentic selves. When it comes to Economically, I hope for an environment that promotes innovation, entrepreneurship, and sustainability. An economy that balances growth with environmental responsibility. I want to see a system that provides fair access to education, ensures a decent standard of living for all.

WL: When it comes to my future, I really hope for a political, social, and economic environment that is inclusive and supportive. It would be amazing to see a political system that prioritizes the well-being of its citizens and works towards creating a fair and just society.

Socially, I dream of a world where diversity is celebrated and where everyone feels accepted and valued. And economically, I hope for an environment that provides equal opportunities for success and where the benefits of growth are shared by all. It's all about creating a future where everyone can thrive and live their best lives. It's important to find a leadership style that aligns with the goals and values of the organization or team. When it comes to my ideal leader, I envision someone who possesses a combination of strong leadership skills and empathy. They should be able to effectively communicate their vision and goals, inspire others to work towards a common purpose, and make informed decisions. I believe a great leader should be open-minded, willing to listen to different perspectives, and value the input of their team members. They should prioritize inclusivity, diversity, and fairness in their decision-making processes.

What type of leader do you want to be?

SG: As a leader, I want to be inspiring, empathetic, and understanding. I believe in the power of empathy and taking the time to truly listen to others. By putting myself in someone else's shoes, I can better understand their needs, concerns, and aspirations to

consider the well-being and growth of everyone involved. I want to be a leader who brings out the best in others and contributes to making the world a better place. I hope to ignite a spark in others and help them discover their own strengths and talents. Leadership is a journey of continuous improvement and learning and I'm happy to embark on that journey and make a positive impact along the way.

WL: As a leader, I want to be someone who everyone can count on, somebody who is understanding and is here for his people. I believe that being a leader also means being someone who can inspire others and can contribute to better changes. I want to be the type of leader who puts himself in other shoes, understanding their needs and trying to find a solution to their problems. I want to be a leader that has a positive impact on this new world, a leader that is trusted by his people and a leader that brings out the best in others. I see leadership as something that you never stop learning from because being a leader doesn't mean being here controlling others, it means being here and helping others to move forward. Like there is a French word that I often used is understanding their "vécu". Hers is the type of leader that I want to be not a perfect one but one that is here for his community.

VENTE AUX ENCHÈRES

1.2 MILLIONS DE DOLLARS POUR SHERLOCK HOLMES

Personnage de fiction le plus emblématique du roman policier, Sherlock Holmes continue de faire fantasmer les foules. Mais seul un acquéreur fortuné pourra s'offrir le manuscrit original de l'une des plus célèbres histoires du mythique détective.

Adulé depuis plus de 130 ans, Sherlock Holmes n'est autre que l'archétype du détective privé, combinant l'ingéniosité, la pugnacité et le charme. Nous sommes en 1887, lorsque l'écrivain et médecin écossais Sir Arthur Conan Doyle publie la première enquête du personnage le plus représenté au cinéma et à la télévision. Baptisé Une étude en rouge, ce premier livre introduit les capacités de déduction et d'analyse hors norme du détective à travers les yeux du Dr Watson, meilleur ami de Sherlock Holmes et narrateur de l'essentiel de ses investigations. Ce n'est pas la première, mais la seconde aventure du génie anglais qui a récemment fait parler d'elle. Le 26 juin

prochain, le manuscrit original de Le Signe des Quatre devrait faire s'envoler les enchères chez Sotheby's à New York.

L'héritage littéraire du second roman de Sir Arthur Conan Doyle, Le Signe des Quatre, remonte à un dîner fatidique organisé à l'été 1889 entre les murs de l'hôtel Langham (Londres). Accompagné d'Oscar Wilde, l'écrivain écossais dînait avec JM Stoddart, un homme d'affaires américain et rédacteur en chef du Lippincott's Monthly Magazine. À la fin de la soirée, Stoddart avait non seulement réussi à persuader Conan Doyle d'écrire Le Signe des Quatre, en plus de convaincre Oscar Wilde d'écrire Le Portrait de

Dorian Gray. Le manuscrit né de cette nuit fatidique, ainsi que la correspondance de l'auteur du Chien des Baskerville concernant l'avancée de Le Signe des Quatre, sera mis aux enchères chez Sotheby's l'été prochain lors de sa semaine annuelle du livre.

Signé deux fois par l'écrivain, le manuscrit est rempli de modifications visant à "américaniser" le texte pour les lecteurs américains, lit-on dans Observer. Le livre relié devrait se vendre entre 800.000 et 1.2 millions de dollars, un montant exceptionnel qui fera de lui le plus précieux jamais mis aux enchères. En outre, il ne sera

pas le seul exemplaire posé sur la table des négociations. Il fait partie d'un ensemble de plus de quarante livres rares qui seront proposés lors de cette vente aux enchères exceptionnelle. La vente — qui comprend des exemplaires d'écrivains prestigieux, dont F. Scott Fitzgerald (Gatsby le Magnifique), Charles Dickens (Oliver Twist), Ernest Hemingway (Paris est une fête), Mark Twain (Les Aventures de Tom Sawyer), John Steinbeck (Les Raisins de la colère) ou encore L. Frank Baum (Le Magicien d'Oz) — couvre deux siècles d'histoire littéraire et devrait rapporter entre 4 et 6 millions de dollars.

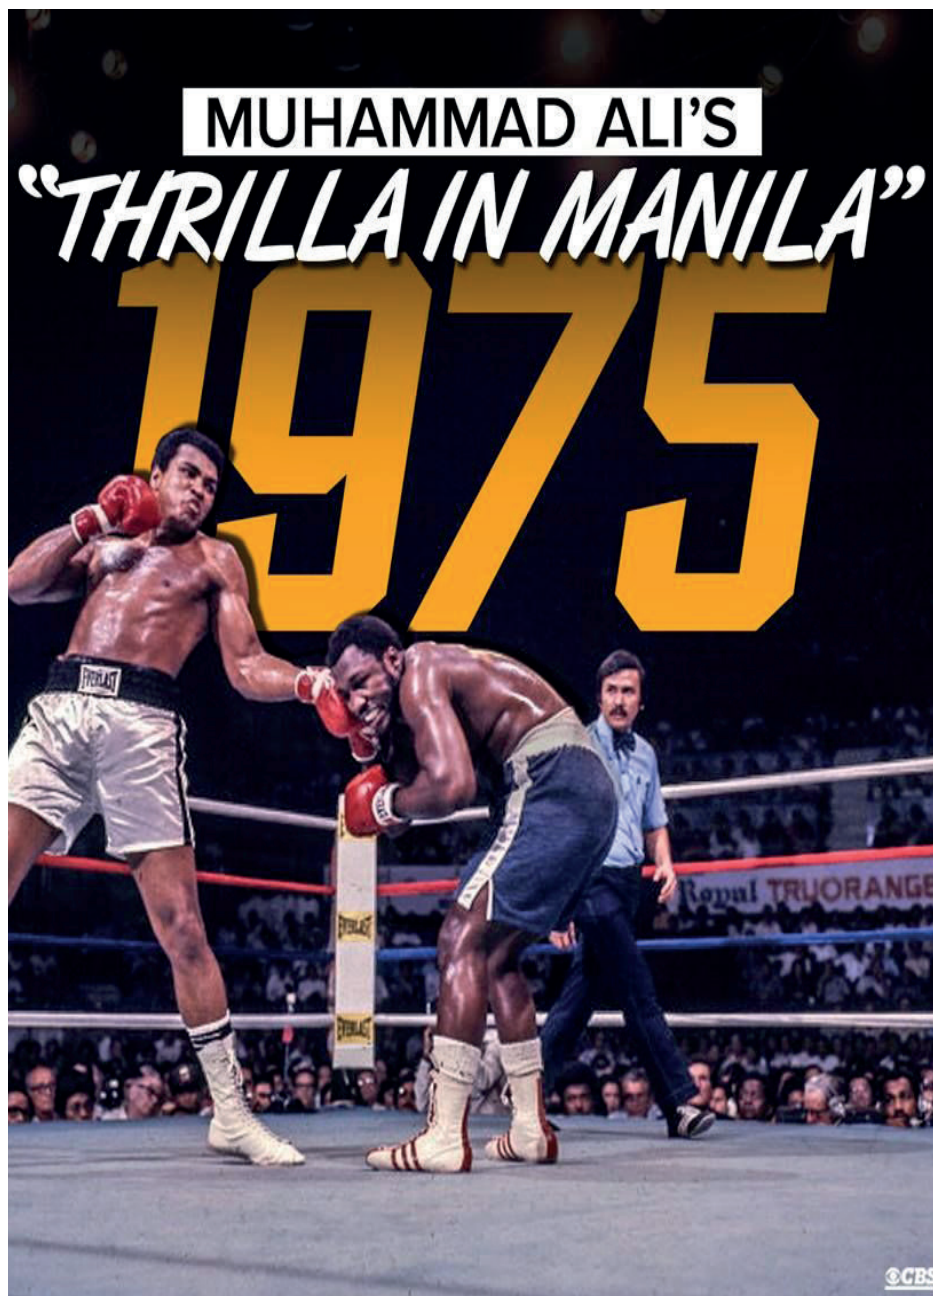

Aurélié Duhamel

PORTÉ PAR ALI

LE SHORT PORTÉ LORS DU COMBAT DE LÉGENDE "THRILLA IN MANILA" AUX ENCHÈRES

Le short porté par Mohamed Ali lors de son combat de légende contre Joe Frazier aux Philippines en 1975 pourrait se vendre pour plusieurs millions de dollars chez Sotheby's, lors d'enchères sportives où figure aussi le prodige français du basket-ball Victor Wembanyama.

Exposé à partir de vendredi dans les locaux de Sotheby's à New York, le short blanc aux bandes noires de la marque Everlast, porté par la légende de la boxe lors du "Thrilla in Manila", a déjà fait l'objet de cinq offres, dont la dernière à 3,8 millions de dollars.

Mais le site internet de Sotheby's a indiqué jeudi que le prix de réserve, le montant minimum fixé par le vendeur, n'avait pas été atteint. La maison de vente aux enchères n'a donné aucune information sur l'identité du vendeur ou sur le prix minimum.

La vente, qui a démarré le 27 mars, se déroule sur internet jusqu'au 12 avril.

Un an après l'affiche entre Mohamed Ali et Georges Foreman à Kinshasa en 1974, la "belle" de Manille entre Ali et Frazier, qui l'avaient emporté une fois chacun face à l'autre, fut un autre grand match de l'histoire de la boxe.

Dans la chaleur étouffante des Philippines, alors sous la dictature Marcos, Ali l'avait emporté au bout de 14 rounds brutaux après que l'entraîneur de Frazier eut jeté l'éponge.

"C'était comme la mort. Ce qui se rapproche le plus de la mort", avait lâché le vainqueur.

Mohamed Ali est mort en 2016, à 74 ans, laissant un héritage immense pour le

sport mais aussi la marque d'un militant infatigable pour les droits des Afro-Américains.

Le vêtement est le clou du spectacle d'une vente essentiellement consacrée au sport, un secteur sur lequel les maisons d'enchères comme Sotheby's investissent de plus en plus, en espérant attirer une clientèle plus jeune.

Sotheby's s'est notamment associée à la NBA, la ligue professionnelle nord-américaine de basket-ball, pour mettre en vente des maillots portés durant cette saison.

Parmi les lots, figurent plusieurs maillots de l'incontournable prodige français

des San Antonio Spurs Victor Wembanyama, comme la tenue qu'il portait lors du tournoi des jeunes talents en marge du All-Star Game en février, estimée entre 80.000 et 120.000 dollars par Sotheby's, ainsi que... le contenu de son vestiaire, linge, chaise et bouteilles d'eau comprises, le tout estimé entre 5.000 et 7.000 dollars.

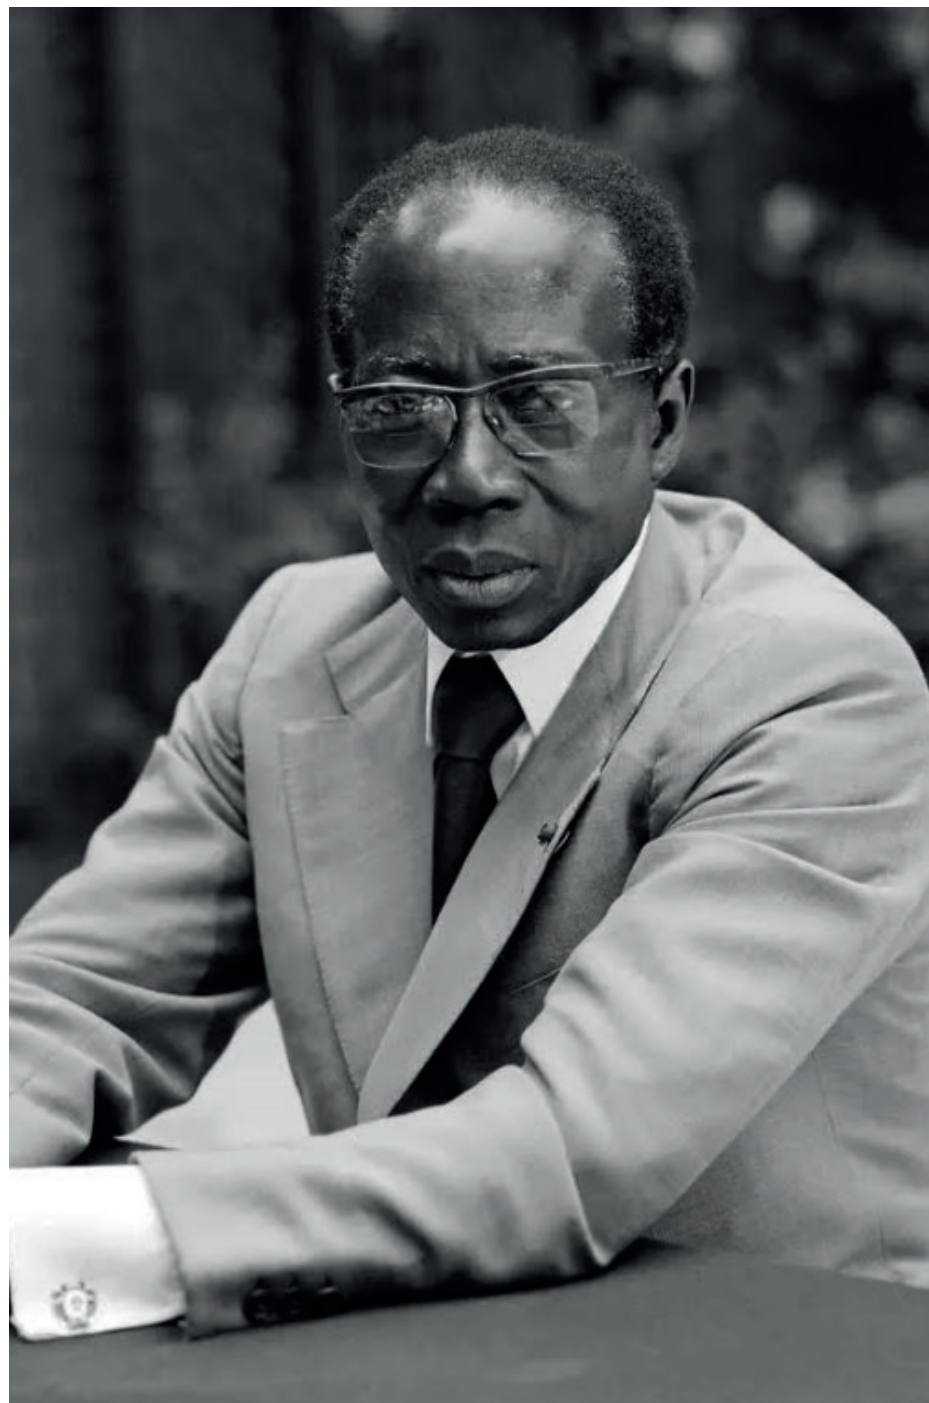

En novembre, Sotheby's avait déjà vendu 762.000 dollars, soit près de dix fois plus que l'estimation initiale (80.000 à 120.000), un maillot porté un mois plus tôt par le Français durant son tout premier match en NBA.

CULTURE

LA BIBLIOTHÈQUE LÉOPOLD SÉDAR SENGHOR EN VENTE

« En Afrique, un vieillard qui meurt, c'est une bibliothèque qui brûle », a-t-on coutume de dire. En Normandie, une bibliothèque qu'on vend, c'est un patrimoine qui est dispersé... En l'occurrence, ce sont les milliers d'ouvrages ayant appartenu à l'ex-président sénégalais Léopold Sédar Senghor qui vont être vendus aux enchères le 16 avril prochain à Caen en France.

Ce sont plus de 300 lots qui sont mis en vente, pour des sommes allant de 20 à 3 000 euros. Un trésor littéraire et patrimonial qui risque d'être éparpillé. Le groupe de recherche international Léopold Sédar Senghor (groupe de chercheurs et d'universitaire fondé en 2022) appelle, dans une lettre adressée aux nouvelles autorités de Dakar, à racheter le lot avant qu'il ne soit trop tard, comme l'avait fait le gouvernement précédent en 2023 lors de la vente d'effets personnels du « président poète » disparu en 20 décembre 2001, à l'âge canonique de 96 ans. Le poète-président sénégalais

s'est éteint dans son domicile de Verson, en Normandie, où il s'était installé avec son épouse, après avoir quitté volontairement le pouvoir en 1980.

« On a, à peu près, un millier d'ouvrages de la bibliothèque personnelle de Senghor. Il y a tous les ouvrages des amis de Senghor et du mouvement de la négritude, Aimé Césaire, qui dédie par exemple le Discours sur le colonialisme à ce vieux Léopold Sédar Senghor, explique l'universitaire Céline Labrune-Badiane, au micro de Frédéric Garat, de la rédaction Afrique.

On a aussi des livres d'Aragon qui lui sont dédiés. On a le livre de Jean Price-Mars, donc l'ethnologue haïtien, qui a été vraiment très important dans la construction de la pensée de Senghor, et beaucoup d'ouvrages d'auteurs sénégalais, ouest-africains, qui constituent un patrimoine absolument majeur de la littérature sénégalaise et ouest-africaine, qui ont contribué donc au mouvement de la négritude.

Les modalités de leur rapatriement au Sénégal ne nous appartiennent pas, néanmoins, on voudrait attirer l'attention des nouvelles autorités, du futur

ministre de la Culture, sur la nécessité, justement, de ramener ce patrimoine au Sénégal afin qu'il puisse être accessible au public. L'État du Sénégal peut très bien racheter au moins une partie de ces ouvrages. »

Rappelons que Léopold Sédar Senghor, déjà venu à Maurice lors du sommet de l'OCAM dans les années 70, était grand ami avec Sir Seewoosagur Ramgoolam et Gaëtan Duval, et vénérait aussi Malcolm de Chazal, qu'il croyait être Noir comme lui.

BY JULY

SPAIN TO RECOGNISE PALESTINIAN STATEHOOD

Spain will recognise Palestinian statehood by July, Prime Minister Pedro Sanchez told journalists during a Middle East tour, according to several reports published on Tuesday in Spanish media.

State news agency EFE and newspapers El Pais and La Vanguardia cited Sanchez as making the informal remarks to the travelling press corps late on Monday in the Jordanian capital, Amman, on the first day of visits to Jordan, Qatar and Saudi Arabia.

According to the reports, Sanchez said he expected events to unfold in the conflict ahead of the European Parliament elections in early June and highlighted ongoing debates

at the United Nations.

He expected Spain to extend recognition to the Palestinians by July, he said, adding that he believed there would soon be a "critical mass" within the European Union to push several member states to adopt the same position, according to EFE.

At a European Council meeting on March 22, Sanchez said he had agreed with the leaders of Ireland, Malta and Slovenia to "take the first steps"

towards recognising statehood declared by Palestinians in the Israeli-occupied West Bank and Gaza Strip.

At the time, he said he expected the recognition to happen during the current four-year legislature that began last year.

In response, Israel told the four countries that their plan constituted a "prize for terrorism" that would reduce the chances of a negotiated

resolution to the Gaza conflict.

Arab states and the EU had agreed at a meeting in Spain in November that a two-state solution was the answer to the Palestinian-Israeli conflict.

Since 1988, 139 out of 193 U.N. member states have recognised Palestinian statehood.

PREMIER LEAGUE

DÉFAITE INTERDITE POUR LIVERPOOL FACE À MANCHESTER UNITED

La 32e journée de Premier League nous offre le Derby of England comme menu principal ce week-end. Deux clubs historiques avec des objectifs différents. D'un côté, Manchester United lutte pour accrocher une place européenne, alors que Liverpool espère être couronné quatre ans après son dernier titre.

Fort de leur succès acquis après haute lutte à Anfield, face à la lanterne rouge Sheffield United hier soir, Liverpool reprend ses deux longueurs d'avance sur Arsenal en tête du championnat. Manchester City, troisième, pointe à trois unités du sommet. L'équipe a eu "une bonne attitude" mais "notre football n'a pas été très bon à certains moments", a résumé Jürgen Klopp auprès de la BBC. "Nous avons dû puiser au plus profond de nous-mêmes, mais c'est normal".

Alexis Mac Allister a marqué les

esprits dans ce match, avec à la clé, un magnifique but. Il confirme ainsi qu'il est l'homme en forme des Reds du moment avec trois buts et quatre passes décisives sur les six derniers matchs de championnat.

Liverpool s'est fait une spécialité de gagner sur le tard et cela a encore une fois sauvé l'entraîneur allemand qui, avant de tirer sa révérence, rêve d'être champion d'Angleterre après celui de 2020.

Manchester United, pour sa part, enchaîne les contre-performances. En effet, après le match nul face à Brentford le week-end dernier, les Red Devils ont subi un revers dans l'ultime seconde de la rencontre les opposants à Chelsea en clôture de la 31e journée. Au classement, Manchester United reste à la 6e place, à 9 points de Tottenham, 5e. Les Diabes rouges devront faire

une nouvelle fois sans quelques éléments majeurs, notamment en défense. Luke Shaw (Blessure à la jambe), Lisandro Martinez (Blessure au mollet) et Victor Lindelof (Blessure aux ischio-jambiers). Anthony Martial et Tyrell Malacia ne seront pas non plus présents. Raphaël Varane et Jonny Evans sont, quant à eux, incertains pour ce Derby.

Pas trop de changements non plus du côté du club de la Mersey avec quelques cadres blessés comme Thiago Alcantara, Joël Matip, Alisson, Diogo Jota et le jeune Bajčetić. Trent Alexander-Arnold et Wataru Endo demeurent incertains.

Les hommes d'Erik ten Hag, capables du meilleur comme du pire, devront composer leurs meilleures partitions pour vaincre des Reds gonflés à bloc en cette fin de saison.

Les Reds sont en mission notamment depuis l'annonce du départ de Jürgen Klopp. Ils ont déjà remporté l'EFL Cup face à Chelsea et ne vont sûrement pas se contenter de ça. Toujours en lice en Ligue Europa, un triplé est peut-être à portée de main. De quoi faire rêver les supporters pour la dernière de Klopp.

LIGUE DES CHAMPIONS

QUARTS DE FINALE ALLER DE LA LIGUE DES CHAMPIONS : LE CHOC REAL VS CITY COMME ATTRACTION MAJEURE

Arsenal - Bayern

L'Arsenal de Mikel Arteta a terminé en tête du groupe B avant de battre Porto, marquant ainsi la fin d'une série de sept défaites consécutives en huitièmes de finale de la Ligue des champions. Arsenal a remporté 11 de ses 14 derniers matches européens à domicile, n'en perdant qu'un seul. Le Bayern a aussi triomphé dans son groupe pour ensuite renverser un retard pris à l'aller pour battre la Lazio 3-1 sur l'ensemble des deux matches à élimination directe. Il s'agit de la 22e participation du Bayern aux quarts de finale de la Ligue des champions (record de la compétition), soit deux de plus que le Real Madrid. Selon Thomas Tuchel, l'entraîneur du Bayern, le fait d'avoir Arsenal comme adversaire en quarts de finale n'est pas vraiment un cadeau. « Arsenal est 2e de la Premier League à deux longueurs de Liverpool. Cela fait maintenant deux ou trois ans qu'ils se battent pour la première place dans le Championnat le plus difficile du monde. Une équipe très homogène et dangereuse qui marque beaucoup de buts et a accumulé beaucoup de points ces dernières années. Il s'agit donc d'un tirage très, très difficile. » a confié l'entraîneur du Bayern Munich, après le tirage au sort des quarts de finale de la Ligue des champions.

Real - City

C'est sans doute l'événement majeur de ces quarts de finale de la Ligue des champions. Le Real Madrid et Manchester City se retrouvent en quarts de finale pour la quatrième fois en cinq saisons! Une affiche loin d'être inédite dans la compétition, étant donné que les deux équipes se sont déjà rencontrées à 10 reprises

Le bilan de ces confrontations :

- 4 victoires pour Manchester City
- 3 victoires pour le Real Madrid
- 3 matches nuls

L'équipe espagnole a remporté 16 de ses 19 quarts de finale de Ligue des champions. City a pris la tête du Groupe G de la Ligue des Champions cette saison, puis a remporté une victoire convaincante 6-2 contre Copenhague en huitièmes de finale. De son côté, le Real a remporté toutes les confrontations lors de la phase de groupes, terminant avec huit points d'avance dans le Groupe C, avant de s'imposer 2-1 au total contre Leipzig en huitièmes de finale.

Un forfait de taille pour ce quart de finale aller de la Ligue des Champions a été annoncé par Manchester City et Pep Guardiola. Kyle Walker est en effet annoncé blessé par le staff médical des Citizens.

Atlético - Dortmund

Depuis 2016/17, l'Atlético n'a pas atteint le dernier carré, tandis que Dortmund n'y est plus parvenu depuis la saison 2012/13. En huitièmes de finale, l'Atlético a éliminé l'Inter, qui était finaliste la saison dernière, aux tirs au but, tandis que Dortmund a dominé le PSV. À ce jour, l'Atlético a enregistré 21 victoires, 9 nuls et 19 défaites contre des clubs allemands. Néanmoins, l'Atlético n'a jamais perdu à domicile contre un adversaire de Bundesliga en 12 matches (8 victoires, 4 nuls), sauf en 1996/97 contre ce même Dortmund. Dortmund, quant à lui, a remporté trois victoires lors de ses 12 derniers matches contre des clubs de Liga, à domicile et à l'extérieur (5 nuls, 4 défaites). Le 30 mars, Dortmund a obtenu une victoire 2-0 contre le Bayern grâce à Karim Adeyemi et Julian Ryerson, pour une première victoire en Bundesliga à Munich depuis avril 2014. On dirait que tout est prêt pour un grand match!

PSG - Barcelone

Pour la quatrième fois, Paris Saint-Germain et Barcelone s'affrontent en quarts de finale de la ligue des Champions. Le PSG a terminé deuxième du Groupe F derrière le Borussia Dortmund et a battu la Real Sociedad, en huitièmes de finale. Le Barça, quant à lui, a remporté le Groupe H et a ensuite évincé le champion d'Italie Naples au premier tour à élimination directe. Il s'agit de la huitième participation de Paris aux quarts de finale de la Ligue des Champions, où son bilan est de 3 victoires, 4 défaites. Le bilan de Barcelone lors de matches aller-retour contre des adversaires de Ligue 1 est de 5 victoires, 4 défaites. Ils n'ont gagné qu'un seul de leurs huit derniers déplacements en France. "Je connais très bien Luis Enrique, son staff et une partie de l'effectif. Nous avons l'espoir de jouer un bon quart de finale. Il est temps de rêver et de montrer que nous pouvons rivaliser avec l'une des meilleures équipes en Europe. Un moment décisif de la saison arrive." A confié Xavi Hernández, entraîneur de Barcelone.

Vendredi 5 avril 2024 - No 11

EUROPA LEAGUE

LES REDS EN FAVORI

Liverpool a remporté quatre de ses six matchs de groupe de l'Europa League pour terminer en tête du groupe E, suivi de Toulouse à la deuxième place. Le fait que Liverpool se soit qualifié en terminant premier de leur groupe leur a permis d'éviter les 16es de finale. L'équipe de Jurgen Klopp a par la suite affronté le Sparta Prague en huitièmes de finale. Simple formalité pour les Reds, Liverpool a écrasé les géants tchèques les deux manches, remportant une énorme victoire de 11-2. Les Reds affronteront l'Atalanta en quart de finale. Même si l'équipe dirigée par Gian Piero Gasperini se situe à la sixième place du classement italien, elle reste un adversaire très redoutable. Atalanta n'a perdu que trois de ses 17 derniers matchs toutes compétitions confondues (10V 4N). Coup dur pour les Italiens, Giorgio Scalvini devrait rester en convalescence pendant au moins un mois après une blessure musculaire. Il manquera donc les deux rencontres contre Liverpool. Scalvini a participé à 34 rencontres toutes compétitions confondues cette saison, marquant un but et réalisant trois passes décisives. Ce sera la première rencontre entre les deux équipes depuis la phase de groupes de la Ligue des champions en 2020/21, avec une victoire de Liverpool 5-0 à Bergame avant une défaite 2-0 à Anfield. Les demi-finales verront les vainqueurs du match de Liverpool affronter Benfica ou Marseille. Il est très probable qu'il y ait une finale avec le Bayer Leverkusen de Xabi Alonso pour les Reds!

Les autres équipes de Serie A, Milan et Rome, se retrouveront pour la première fois en compétition de l'UEFA. Après avoir éliminé Fribourg en huitièmes de finale, West Ham reprendra son chemin vers l'Allemagne après avoir été tiré au sort contre le leader de la Bundesliga, le Bayer Leverkusen. Benfica, quant à lui, affronte Marseille.

Ligue Europa Conférence

Lille sera opposé à Aston Villa en Ligue Europa Conférence, avec un match retour prévu au stade Pierre-Mauroy. Deux clubs grecs sont également en lice : le PAOK et l'Olympiakos, qui se retrouvent respectivement face au Club Brugge et aux Turcs du Fenerbahçe.

Liste des quarts de finale
Club Brugge - PAOK
Olympiacos - Fenerbahçe
Aston Villa - LOSC Lille
Viktoria Plzen - Fiorentina

KLOPP "COMPREND" LA DÉCISION DE XABI ALONSO DE RESTER À LEVERKUSEN

Interrogé sur la décision de Xabi Alonso de rester au Bayer Leverkusen la saison prochaine, Jürgen Klopp a dit "comprendre" le choix du jeune coach espagnol, lui qui était pressenti pour le remplacer sur le banc de Liverpool.

Jürgen Klopp, l'entraîneur de Liverpool, a dit "comprendre" la décision de Xabi Alonso de rester sur le banc du Bayer Leverkusen l'année prochaine.

"En tant que jeune entraîneur d'un club en pleine réussite, j'ai connu une situation similaire. J'ai fait à peu près la même chose, et je ne l'ai jamais regretté. Il fait un travail incroyable là-bas. Leverkusen a une bonne équipe et il est probable qu'il la conservera. Je comprends pourquoi il veut faire cela (rester)", a confié le technicien allemand en conférence de presse.

Xabi Alonso a vu son nom mentionné dans plusieurs rumeurs ces dernières semaines, avec trois destinations qui sont revenues avec insistance: le Real Madrid, puis Liverpool et le Bayern, à savoir les trois grands clubs où il a évolué entre 2004 et 2017.

Malgré des rumeurs, l'ex-footballeur a choisi de continuer son histoire la saison prochaine avec le club rhénan, avec lequel il est tout proche de remporter la Bundesliga cette année.

PREMIER LEAGUE

NOUVELLE RECHUTE POUR LISANDRO MARTINEZ

Les défenseurs de Manchester United Lisandro Martinez et Victor Lindelof sont indisponibles pour au moins un mois en raison de blessures musculaires.

La saison de Lisandro Martinez a été marquée par les blessures. L'ancien joueur de l'Ajax a été victime d'un pépin physique au mollet alors qu'il faisait son retour sur les terrains après une longue blessure au genou.

L'Argentin avait remplacé Victor Lindelof lors du match de Premier League contre Brentford (1-1), samedi, après que ce dernier se soit blessé aux ischio-jambiers.

Les deux défenseurs devraient être indisponibles pour au moins un mois et devraient ainsi manquer la demi-finale de la FA Cup contre Coventry, le 21 avril.

Un nouveau coup dur pour l'entraîneur Erik ten Hag qui n'a pas été épargné par les blessures lors de la saison 2023-24.

DFB POKAL

LE BAYER LEVERKUSEN REJOINT FACILEMENT KAISERSLAUTERN EN FINALE DE LA COUPE D'ALLEMAGNE

Le Bayer Leverkusen s'est facilement qualifié pour la finale de la Coupe d'Allemagne, après avoir surclassé le Fortuna Düsseldorf, 3e de la 2e division, 4 - 0, mercredi soir dans sa BayArena en demi-finale.

Les hommes de Xabi Alonso ont rapidement pris les commandes de la rencontre par Jeremie Frimpong (7e), avant qu'Amine Adli ne double la mise (20e). Florian Wirtz a inscrit un doublé (35e et 60e).

Le 25 mai, Leverkusen affrontera Kaiserslautern, actuellement seizième de la 2e division allemande, au stade olympique de Berlin.

Ce sera la cinquième finale de la Coupe d'Allemagne pour Leverkusen, la première depuis 2020 (défaite contre le Bayern

Munich 4-2). Pour Kaiserslautern, ce sera la huitième finale, la première depuis 2003 (perdue contre le Bayern).

Elle interviendra en clôture d'une saison qui peut marquer l'histoire du club fondé par le chimiste Bayer en 1904.

En 120 ans d'existence, Leverkusen n'a remporté que deux trophées: une Coupe de l'UEFA (ancêtre de la Ligue Europa) en 1988 et une Coupe d'Allemagne en 1993.

Cette saison, Leverkusen est toujours invaincu en 40 matches disputés toutes compétitions confondues.

En Bundesliga, le Werkself (le "onze de l'usine") a besoin au maximum de trois victoires lors des sept dernières journées pour assurer mathématiquement un premier titre de champion et mettre fin à onze saisons d'hégémonie du Bayern sur le championnat allemand.

En Ligue Europa, le club en périphérie de Cologne affronte West Ham en quarts de finale (match aller dans six jours à Leverkusen, match retour une semaine plus tard à Londres).

La dernière journée de Bundesliga est programmée le samedi 18 mai, la finale de la Ligue Europa le mercredi 22 mai et la finale de la Coupe le samedi 26 mai.

Pour cette fin de saison, Xabi Alonso a enregistré mercredi une bonne nouvelle, avec le retour de son attaquant nigérian Victor Boniface, après plus de trois mois d'absence pour blessure (dernier match le 20 décembre).

PREMIER LEAGUE

L'AVENIR DE THIAGO ALCÁNTARA S'ÉLOIGNE DE LIVERPOOL

Le milieu de terrain espagnol Thiago Alcántara termine son contrat avec Liverpool en 2025. Selon 'Relevo', le club de la Mersey n'a pas l'intention de renouveler le contrat du joueur en raison de ses blessures récurrentes et de la forte concurrence au milieu de terrain chez les Anglais. L'Arabie saoudite pourrait être sa destination potentielle.

Le joueur de Liverpool Thiago Alcántara n'a disputé qu'un seul match cette saison en raison de ses blessures constantes. Un tableau désolant qui a conduit Liverpool à ne pas envisager pour le moment le renouvellement du contrat du joueur, selon les informations de 'Relevo'.

Thiago termine son contrat avec les Reds en 2025 et son avenir semble loin de Liverpool. Son salaire élevé et la forte concurrence de

joueurs comme Mac Allister ou Szoboszlai ne facilitent pas la possibilité pour l'Espagnol de prolonger son séjour dans le club qui l'a recruté en provenance du Bayern Munich en 2020.

Au cours de ses 4 saisons en Angleterre, Thiago a participé à 98 matches. Il a marqué 3 buts et délivré 6 passes décisives. Ce sont des chiffres très modestes pour un joueur censé être important au milieu de terrain pour Jürgen Klopp.

'Relevo' a également révélé que l'entourage de l'ancien joueur du Barça attend une offre en provenance du football arabe. Ce qui constituerait pour Thiago un dernier grand contrat avant la retraite. D'autres destinations comme le Qatar sont également envisagées. Mais pour l'instant, le joueur n'a reçu aucune proposition concrète.

COUPE DU MONDE

LA FIFA CONFIRME QUE L'ESPAGNE CO-ORGANISERA LE MONDIAL 2030

La FIFA a informé au Conseil supérieur des sports que l'organisation de la Coupe du Monde 2030 ne présente aucun danger pour l'Espagne. Malgré les nombreux scandales liés à la RFEF, le pays accueillera une partie du tournoi, avec la tenue de plus de la moitié des matchs sur le sol espagnol.

Tranquillité. C'est le sentiment qui s'est instauré au sein du Conseil supérieur des sports concernant la Coupe du Monde 2030. Il y avait des craintes que les scandales de la Fédération espagnole de football n'interfèrent avec l'attribution, déjà résolue, de la Coupe du Monde 2030 à la candidature ibérique plus le Maroc. Cependant, il n'en sera pas ainsi.

Selon les informations de 'COPE', ce jeudi, José Manuel Uribe, président du CSD, et Mattias Grafröm, secrétaire général de la FIFA, se sont réunis. Ces deux institutions sont en contact permanent depuis les récents événements liés à la RFEF, qui pourraient éblouir l'organisation du tournoi, ce que la FIFA a exclu.

En fait, l'Espagne est assurée non seulement de sa présence en tant qu'hôte de la Coupe du Monde, mais aussi du rôle principal qui lui a été

attribué dès le départ. L'instance dirigeante du football a assuré au CSD que plus de la moitié des matchs se dérouleront sur le sol espagnol.

Ce qui n'a pas été divulgué, c'est des informations sur la finale. Le Maroc fait pression depuis un certain temps pour accueillir le match décisif pour le titre, profitant également de l'instabilité à la RFEF. À tel point qu'il construira un stade à cet effet, le El Mansouria, dont les travaux débuteront en 2025.

Pour l'instant, et logiquement, l'Espagne reste en tête des pronostics pour que la coupe se décide sur son territoire, même s'il n'y a pas de version officielle ou officieuse à ce sujet.
