PRÉSENTATION DE SON PROGRAMME ET DE SON ÉQUIPE

BRUNEAU LAURETTE : « MON COMBAT EST CONTRE LE COMMUNALISME ET L'INJUSTICE »

Les grandes lignes de l'entrée en lice du Mouvman Bruneau Laurette aux prochaines élections se déclinent en ces mots de son principal porte-parole : Un combat contre le communalisme et l'injustice. Dont les victimes sont principalement les minorités. Surtout les représentants de la Population Générale et les musulmans. A cet effet, Bruneau Laurette prévoit de donner un mot d'ordre pour les circonscriptions N0. 2 et 3, et compte même tenir un meeting pour dévoiler d'autres « surprises » dans les jours à venir.

Mais pour l'heure, c'est l'essentiel de son programme que Laurette, qui se présentera comme candidat au poste de Premier ministre, a mis en avant, de même que les membres de l'équipe qu'il présentera aux élections. Son Mouvman s'est associé à la Fédération des Citoyens Engagés, animée par Georges Ah-Yan, du Mouvement Justice et Vérité, de Renaud Balaho et de l'Union Citoyens Mauriciens. Cet ensemble politique n'exclut pas d'accueillir d'autres mouvances, avant le Nomination Day, puisque comme l'explique Bruneau, »je laisse une porte ouverte. Mais ce sera pour tous ceux qui épousent la même philosophie que moi et mes alliés. »

Aux journalistes qui le questionnaient sur de possibles accusations de « communalisme », Bruneau Laurette balaie d'emblée cela, soutenant que « le Mouvman Bruneau Laurette se compose de personnes de toutes les communautés. Et il

faut aussi savoir que General Population inclut aussi des Hindous, des Tamouls, des Chinois et des Franco-Mauriciens. ».

Il refuse également de « diaboliser » Jean-Michel Lee Shim : »C'est moi qui l'ai approché. Et il a mis tout une logistique, dont celle de Solidarité Marye Pike et les colonnes du journal Mazavaroo, à ma disposition. Quand je lui ai parlé de mon projet politique, il a trouvé que cela rejoint ce qu'il fait avec Solidarité Marye Pike, qui aide les démunis de la société. Pour moi, il est un homme d'affaires, et je ne mets pas mon nez dans ce qu'il fait. Pourquoi je dois refuser son aide ? Et pourquoi on ne pose pas ce genre de questions aux conglomérats qui aident le MMM et d'autres partis ? «

A la question du journaliste Al Khiz qui lui fait remarquer que « Lee Shim est connu pour sa proximité avec le MSM, et

aussi déclaré sur une radio qu'il avait financé le MSM », Bruneau répondra que « Lee Shim est aussi ami avec Navin Ramgoolam, et il est un ancien du MMM. De plus, il n'a donné aucun mot d'ordre concernant Laliens Lelep. Je m'en tiens donc à ça. Mais je ne comprends pas pourquoi Bruneau Laurette ne peut pas s'associer avec Lee Shim, alors que quand d'autres partis s'associaient à lui, personne ne trouvait à redire ? »

Il s'étonne que « quand Sherry Singh va s'associer avec des dirigeants politiques, personne n'est étonné. Mais quand moi je m'associe avec une personne, ena enn issue. Ce n'est pas normal. Je ne suis pas en alliance avec les deux gros blocs. C'est avec le peuple que je suis en alliance.

De même, il trouve étrange que « Bhadain peut s'associer avec Nando Bodha, mais pas avec Bruneau Laurette. C'est justement pour combattre ce genre de préjugés que je descends dans l'arène politique. Car, pendant 56 ans, on a pris les minorités for granted. Mais justement, leurs votes ne sont plus acquis. Le changement aura lieu. Il est temps que la danse entre les deux gros blocs prenne fin. Pa kapav ena enn Moris egal si kan ou vote pena egalite. Nous devons mettre fin au communalisme politique.»

Il milite donc pour une « île Maurice égale, où l'équilibre sera rétablie entre tous. Que ce soit au niveau de l'emploi, du logement, du sport, de l'art,

de l'éducation. Les minorités doivent être considérées à juste titre pour tous les combats qu'elles ont menés. D'ailleurs, tout député élu l'est sur une base ethnique. Donc, le Parlement même représente le communalisme. De ce fait, nous revendiquons une meilleure représentation au sein de l'hémicycle. »

Et de donner des exemples, »dont le rapport de la Commission Justice et Vérité, qui appelait à plus d'égalité, et qui dort dans un tiroir. »Pour Bruneau, cette égalité que nous recherchons le sera aussi pour Rodrigues et Agaléga et les Chagos. Nous voulons d'un ministre de Rodrigues à plein temps. Et nous donnons l'exemple en présentant trois candidats originaires de cette île. »

Il est aussi pour que le Premier ministre ne s'occupe que de la direction du pays. »Mais il ne peut pas aussi être ministre de l'Intérieur. Nous voulons aussi d'un ministre de la Recherche, et de la fusion d'autres ministères, dont la Sécurité Sociale et le Logement, l'Éducation et les Arts. Nous voulons corriger les anomalies et les erreurs commises durant ces 56 ans. Il faut ainsi revoir de fond en comble le système de santé et d'éducation. Fode pa nou atann enn zanfan fel pou dir li al dan Akademi. Fode de le depar donn li enn swa de metie. Cela permet l'intégration dans la société. »

Le Mouvman Bruneau Laurette est « pour le rééquilibrage des choses et le partage.

Nous ne nous battons pas pour avoir des Best Losers. Nous voulons faire élire nos candidats. »A une question de Jean-Luc Mootosamy, Bruneau dira qu'il a « refusé toute rencontre avec l'opposition parlementaire. Je suis plus proche avec le peuple. C'est ma plus grande force.»

Georges Ah-Yan s'est dit « fier d'être aux côtés de Bruneau Laurette. Si le lagon de Mahébourg est propre aujourd'hui, c'est grâce à lui. Car, il s'était beaucoup démené durant le naufrage du Wakashio. »Celui qui connaît Mahébourg comme sa poche s'inquiète « de la montée des fléaux sociaux dans la circonscription N0.12. Il n'y a pas de terrains de football. Ce sont des équipes d'ailleurs qui viennent jouer sur le seul terrain que nous avons. Et ironiquement, le ministre des Sports est issu de la circonscription. Mais il n'a rien fait pendant dix ans ! »

Les grandes lignes du programme du Mouvman Bruneau Laurette :

- Referendum sur toutes les grandes décisions prises
- Lutte contre l'inflation-Renforcer la production locale, réduction des coûts d'importation
- Revalorisation de la roupie-Renforcer la balance commerciale
- Adaptation au changement climatique et la gestion de l'eau, avec la création de bassins de rétention
- Redistribution des

richesses

- Protection de l'environnement
- Education et accès à la formation
- Égalité et inclusion (lutte contre les discriminations et parité hommes-femmes)
- Réforme démocratique et participation citoyenne
- Lutte contre la drogue-Identification des sources d'approvisionnement, par mer, air, zone portuaire et aéroport, briser les chaînes d'approvisionnement, lutte contre le marché de détail, offrir un système de traitement et de rétablissement de classe mondiale.
- Dépénalisation du cannabis médical et lucratif, sous contrôle.
- Droit de vote par procuration pour la diaspora mauricienne
- Congés publics pour la Pâques et l'Eid-Ul-Adha, deux fêtes qui mettent en valeur les familles.
- Mettre en avant l'intelligence artificielle
- Construction de deux stades homologués pour la tenue de concerts. Un One Stop Shop pour les artistes. Le tout, avec la participation de l'État.
- Réforme des collectivités locales, avec la création de police municipale, et de leurs propres casernes de pompiers. Autonomie des villes et des villages. Droit de regard de l'État, mais pas d'ingérence.

Sedley Assonne

CANDIDATE AU NO. 18 SOUS LA BANNIÈRE DU MOUVMAN BRUNEAU LAURETTE

MARIE GLORIEUSE EVENOR A À COEUR LE BIEN-ÊTRE DES FEMMES

Originnaire de l'île Rodrigues, Marie Glorieuse Evenor est très habile de ses mains et pour cause, styliste de profession, elle a appris la couture avec sa mère. Aujourd'hui, femme entrepreneur et indépendante, elle veut mettre son expérience et ses connaissances au service des femmes vulnérables qui peinent chaque jour à sortir de la misère ou encore des fléaux de la société.

Pour mener ce combat, Marie Glorieuse Evenor, âgée de 42 ans, a choisi son parti, celui de Bruneau Laurette car elle considère que sa détermination sur le terrain pour une île meilleure rejoint parfaitement son objectif. De ce fait, pour elle, le choix était vite fait, c'est aux côtés de Bruneau Laurette qu'elle veut se présenter aux prochaines élections. Candidate au No. 18, Belle-Rose / Quatre Bornes, la quadragénaire est consciente du gros travail à faire pour sensibiliser les femmes à l'entrepreneuriat. « Je suis triste de voir tant de femmes se laisser tenté par la drogue et la prostitution alors qu'elles ont d'autres alternatives », s'exprime-t-elle. En ce qui concerne le choix de son parti, pour elle c'est une évidence. « Depuis que j'ai vu Bruneau Laurette sur les réseaux, j'ai eu envie de me battre à ses côtés pour l'épanouissement des femmes dans la société », dit-elle avec conviction.

Une seconde jeunesse à l'art du crochet

Se basant sur sa propre expérience, Marie Glorieuse Evenor n'a pas fait de grandes études parce qu'elle savait ce qu'elle voulait. Fonceuse de nature, elle a eu la chance d'avoir sa mère à ses côtés pour la guider. « Ma mère faisait du crochet et donnait des cours. Inspirée par son métier, j'en ai aussi fait le mien », se remémore-t-elle. En effet, son métier de styliste elle l'a appris de sa mère et pendant des années, Marie Glorieuse Evenor a partagé sa passion pour le crochet avec de nombreuses femmes au foyer qui, à la

base, ne connaissait aucun métier. Après plus de 20 ans d'expérience, cette jeune femme ne compte pas s'arrêter en si bon chemin.

Aujourd'hui aux côtés de ses deux frères, elle dessine, confectionne et commercialise des produits artisanaux en mettant en avant une matière première connue mais pas forcément dans l'artisanat. Il s'agit des feuilles de bananier. Elle fait des sacs à main, des tableaux, des sous-plats, entre autres. Marie Glorieuse Evenor maîtrise ce matériau à la perfection. « On a l'habitude de travailler avec les feuilles de banane ce n'est donc pas compliqué de les manier », explique-t-elle. Etant une autodidacte, elle se sent prête à relever le défi, celui de partager ses connaissances et son expérience avec les femmes mauriciennes qui cherchent encore un moyen d'être indépendante financièrement. « Il y a un avenir dans l'artisanat, il faut aimer ce qu'on fait », exhorte-t-elle avant d'ajouter que « je ne dis pas que ce sera facile, mais ensemble tout est possible ! »

REMISE DE DIPLÔMES AUX AGENTS PÉNITENTIAIRES EN FORMATION

80 AGENTS PÉNITENTIAIRES STAGIAIRES CONCERNÉS

Une cérémonie de Passing out Parade, organisée par le Mauritius Prison Service (MPS), s'est tenue hier matin à la Prison Training School à Beau-Bassin, pour marquer l'enrôlement de 80 Trainee Prison Officers. Le commissaire des prisons, Jaganaden Rungadoo, le commissaire adjoint des prisons, Vishnu Hanumunthadu, et le responsable de l'école de formation pénitentiaire, M. Pentiah, étaient présents à cette occasion.

Dans son discours, M. Rungadoo a déclaré qu'une étape importante avait été franchie avec la Passing out Parade de ces 80 agents pénitentiaires stagiaires dans les rangs de l'administration pénitentiaire mauricienne. Il a félicité les officiers pour leur détermination et leur engagement tout au long de leur formation rigoureuse, qui les a préparés aux réalités de leur rôle vital dans la société. Il leur a également rappelé qu'ils ne sont pas de simples exécutants de la loi, mais des agents du changement, chargés de la réhabilitation des détenus et de la protection de la société.

S'exprimant sur leur nouveau parcours, M. Rungadoo a exhorté les nouvelles recrues à respecter trois principes directeurs, à savoir le professionnalisme, la compassion et la résilience. Le commissaire des prisons a souligné l'importance du travail d'équipe et du soutien mutuel entre les recrues, en insistant sur le fait que la collaboration est essentielle à la sécurité et à la réussite dans leur rôle. En outre, il a insisté sur la nature complète de leur formation, qui comprend une collaboration avec la police et le GIPM et qui a permis aux recrues de s'équiper physiquement et mentalement pour faire face aux défis à venir.

Au cours de la cérémonie, le commissaire des prisons a remis des prix à quatre stagiaires exceptionnels : Jangi Pravindev a été honoré en tant que meilleur agent pénitentiaire stagiaire et a reçu le bâton d'honneur, tandis que Gopaul Yanishta et Louise Emmanuel Guillaume Isaac ont été reconnus comme deuxième et troisième meilleur agent stagiaire, respectivement. Par ailleurs, Ramasawmy Perouven a reçu le titre de meilleur athlète.

L'événement comprenait également un concours canin, des démonstrations de tonfa et de techniques d'autodéfense par les officiers stagiaires, ainsi qu'une représentation de la fanfare de la prison.

GROUPE RÉFUGIÉS CHAGOS

LES CHAGOSSIENS VOTENT POUR UN MANDAT CLAIR ET OFFICIEL POUR REPRÉSENTER LEURS INTÉRÊTS

Le Groupe Réfugiés Chagos (CRG) a tenu une réunion spéciale ouverte à tous les Chagossiens résidant à Maurice, qu'ils soient membres ou non du CRG, le dimanche 13 octobre 2024. Plus de 300 personnes, dont 190 natifs, étaient présentes à cette réunion cruciale pour l'avenir de la communauté chagossienne.

Lors de cette réunion, un vote a été pris à l'unanimité pour donner au CRG, sous la présidence d'Olivier Bancoult, un mandat clair et officiel pour représenter les intérêts de l'ensemble des Chagossiens, tant les natifs que leurs descendants. L'assemblée a également exprimé son soutien aux propositions faites le 3 octobre 2024 dans le cadre de l'accord entre les gouvernements mauricien et britannique, tout en insistant sur la sauvegarde des droits des Chagossiens.

Une décision clé de cette réunion a été de faire parvenir officiellement cette position commune aux gouvernements britannique et mauricien. A cet effet, une lettre a été déposée hier à la Haut-Commissaire britannique à Maurice ainsi qu'au bureau du Premier ministre mauricien. « L'Assemblée a décidé de soutenir la proposition conjointe faite le 3 octobre 2024, reflétant l'accord des gouvernements de Maurice et du Royaume-Uni sur l'exercice de la souveraineté sur l'archipel des Chagos. Elle

l'a fait tout en restant vigilante pour garantir que les droits et les intérêts de tous les Chagossiens soient pleinement protégés dans l'accord final », a déclaré Olivier Bancoult dans une lettre adressé à l'ambassadeur britannique à Maurice.

Les points vitaux retenus :

- **Reconnaissance de la situation urgente des natifs**

Le CRG souligne l'urgence de répondre aux besoins des natifs chagossiens, en particulier compte tenu de l'âge avancé de bon nombre d'entre eux. Le plus vieux Chagossien de l'île Maurice aura 100 ans dans sept mois, et le plus jeune Chagossien, né sur l'île de Peros Banhos, a maintenant 51 ans. « Le processus de réinstallation et de rétablissement de leurs droits doit être accéléré pour garantir que les aînés vivent suffisamment pour assister à leur retour sur leur terre natale et bénéficier des réparations qui

leur sont dues. Si les descendants des Chagossiens font partie intégrante de la communauté, les natifs doivent passer avant tout. Ils sont présents et avec nous maintenant, et ils ne doivent pas être oubliés », a affirmé Olivier Bancoult.

- **Droits humains pour les natifs et les héritiers, y compris Diego Garcia**

Le CRG réitère que la lutte des Chagossiens a toujours été centrée sur la garantie des droits humains de tous les Chagossiens, y compris le droit au retour et le droit de vivre librement dans leur patrie. Il est profondément préoccupant que les propositions actuelles excluent les droits humains des Chagossiens natifs de Diego Garcia. En effet, dans la présente proposition conjointe, ils n'ont pas le droit de vivre à Diego Garcia, alors que les travailleurs étrangers des Philippines et de l'Inde sont autorisés à y vivre et à y travailler. « Nous demandons fermement que tous les Chagossiens natifs de Diego Garcia et leurs héritiers se voient accorder le droit de visiter et de vivre librement à Diego Garcia, comme c'est leur droit naturel, étant donné que les travailleurs étrangers ont actuellement ce privilège. La résolution des Nations Unies de mai 2019 exige le retrait inconditionnel de l'administration coloniale britannique et le rétablissement complet des droits des Chagossiens sans aucune entrave ni obstacle, et cela doit également s'appliquer à Diego Garcia », a soutenu le président du GRC.

- **Soutien aux natifs et à leurs héritiers**

« Nous demandons que dans le cadre des fonds à allouer aux Chagossiens comme suggéré dans la présente proposition conjointe, un paquet de soutien spécial et complet soit négocié pour les natifs et leurs héritiers. Ce paquet de soutien doit également inclure une pension à vie pour tous les Chagossiens natifs, y compris ceux qui sont décédés, car leurs héritiers continuent de porter le fardeau de la déportation. Le paquet de soutien est essentiel pour honorer les sacrifices consentis par le peuple chagossien et pour fournir une forme significative de réparation à ceux qui ont souffert directement, ainsi qu'à leurs descendants », poursuit Olivier Bancoult.

- **Participation à la rédaction de l'accord final**

Selon le président du GRC, il est impératif que les Chagossiens soient activement impliqués à chaque étape du processus de négociation à partir de maintenant, et aux dispositions pour donner effet à l'adoption urgente, à l'entrée en vigueur et à la mise en œuvre du traité entre Maurice et le Royaume-Uni. « Nous demandons que les Chagossiens, par l'intermédiaire de leurs représentants légalement élus – y compris le président du CRG – jouent un rôle décisif dans l'élaboration des arrangements à venir pour garantir que leurs droits et intérêts soient pleinement protégés », a-t-il écrit.

- **Gouvernance et autodétermination**

Les Chagossiens souhaitent être des participants centraux dans la future gouvernance de leur patrie, tout comme le peuple de Rodrigues, qui contribue activement à l'administration de leur île dans le respect de l'autonomie. « Nous appelons à une structure de gouvernance qui garantisse que les Chagossiens partagent la responsabilité de l'avenir de l'archipel des Chagos et participent à son développement, y compris à la protection de son environnement, en collaboration avec le gouvernement mauricien », a soutenu Olivier Bancoult.

- **Dialogue avec les communautés chagossiennes à Maurice et à l'étranger**

Le CRG à Maurice s'engage à travailler en dialogue avec les Chagossiens qui soutiennent la proposition conjointe du 3

octobre. Ensemble, le CRG vise à garantir que les intérêts de tous les Chagossiens, qu'ils résident à Maurice, au Royaume-Uni, aux Seychelles ou ailleurs, soient alignés et exprimés clairement dans tous les arrangements et discussions concernant la mise en œuvre de l'accord.

Et de conclure que « cette lettre représente la voix unifiée des Chagossiens vivant à Maurice. Nous gardons l'espoir que ces points critiques recevront l'attention nécessaire et que la justice sera rapidement rétablie pour notre peuple. Nous exprimons nos remerciements aux gouvernements britannique et mauricien pour leurs efforts continus, et nous nous engageons à collaborer à la recherche d'une résolution juste et équitable pour tous les Chagossiens, une résolution qui respecte pleinement toutes les obligations du droit international ».

MEURTRE DE VANESSA LAGESSE

L'ÉTAT S'OPPOSE À LA DEMANDE DE REMISE EN LIBERTÉ SOUS CAUTION DE BERNARD MAIGROT

Condamné à 15 ans de prison le 1er août 2024 par le juge Lutchmeeparsad Aujayeb, Bernard Maigrot a déposé, le 13 août dernier, une demande à la Cour Suprême pour contester le verdict de culpabilité et sa condamnation prononcée par la Cour d'assises. Une audience a eu lieu le 14 octobre devant la cheffe juge de la Cour suprême et sa demande de libération sous caution a été rejetée.

L'affaire Vanessa Lagesse se poursuit. Bernard Maigrot, reconnu coupable du meurtre de la styliste le 10 mars 2001, veut présenter des arguments pour faire annuler sa condamnation. Dans un document contenant 33 motifs d'appel, l'objectif de l'accusé est de retourner le verdict de culpabilité en sa faveur. Depuis le début du procès, Bernard Maigrot clame son innocence et ce verdict ne lui convient pas. Il affirme que tous les points de droit rejetés durant le procès seront revus et soigneusement examinés devant la Court of Criminal Appeal, estimant que ses droits constitutionnels n'ont pas été

respectés.

L'affaire renvoyée au 21 octobre 2024

Bernard Maigrot avait juré un affidavit en prison dans lequel il a mis en avant certaines difficultés rencontrées lors de sa détention, notamment les restrictions imposées quand il s'agit de faire des appels téléphoniques. A savoir que le condamné a inclus dans son panel d'avocats, un britannique, Me Mathew Sherratt, King's Counsel, qui le défendra aux côtés de Me Gavin Glover. Cependant, il estime n'avoir pas eu le temps voulu pour

préparer sa défense. Me Verna Nirsimloo, Chief State Attorney, a, de ce fait, obtenu un renvoi de l'affaire au 21 octobre 2024.

Toujours clamer son innocence

Pour rappel, depuis le début du procès, Bernard Maigrot a toujours clamé son innocence en avançant qu'il ne pouvait pas exprimer de remords car il n'est pas responsable de la mort de Vanessa Lagesse. Cette dernière avait été retrouvée morte dans sa baignoire au matin du 10 mars 2001, dans son bungalow à Grand Baie où elle vivait seule. Vanessa avait 35 ans, elle

entretenait une relation cachée avec l'homme d'affaires marié, Bernard Maigrot. Celui-ci avait été identifié comme le principal suspect, mais il a toujours nié le meurtre. Pour cause, l'accusé avait un alibi. Ce soir-là il dînait avec sa femme au restaurant, tous deux s'étaient ensuite rendus chez des amis avant de rentrer sagement à la maison. Il a fallu plusieurs expertises et contre-expertises pour établir l'heure du crime, entre une heure et deux heures du matin. Bernard Maigrot avait donc eu le temps de sortir de chez lui pour tuer sa maîtresse.

PROGRAMME XPORT ACCELERATOR DE LA MCCI

TROIS JOURS D'ATELIERS DE TRAVAIL COMPLETS AFIN DE MIEUX ÉQUIPER LES PME

Les 15 PME sélectionnées pour le programme Xport Accelerator, offert par la Chambre de Commerce et d'Industrie de Maurice (MCCI) et le Programme des Nations Unies pour le Développement (PNUD), entrent dans la prochaine étape : la compréhension du marché africain et les rouages de l'exportation à travers trois jours d'ateliers de travail. Après la première phase du programme axée sur le diagnostic et le coaching personnalisé, les participants seront maintenant immergés dans des séances de formation intensives couvrant des thématiques cruciales telles que la stratégie d'exportation, le marketing international, et la gestion des risques financiers. Le lancement officiel de cette deuxième étape a eu lieu le lundi 14 octobre 2024 au Caudan Arts Centre, à Port-Louis, avec un atelier de travail intitulé « Comprendre les accords commerciaux ».

Les représentants des 15 PME mauriciennes ainsi que trois autres des Seychelles ont ainsi eu l'occasion d'avoir un aperçu détaillé des accords commerciaux grâce aux experts de la MCCI, du département des Douanes de la Mauritius Revenue Authority et du ministère des Affaires étrangères, de la coopération régionale et du commerce international, et de découvrir le programme sur-mesure qui les attend jusqu'au 16 octobre. De multiples échanges ont également eu lieu entre les représentants des PME et les experts lors desquels les participants ont pu avoir des éclaircissements à leurs questions concernant l'exportation vers les marchés africains sous le régime de l'African Continental

Free Trade Area (AfCFTA) ainsi que les défis multidimensionnels auxquels ils ont été confrontés jusqu'à présent.

Patrice Marie, vice-Président de la MCCI, a réitéré le fait que les PME contribuent à environ 40% au PIB du pays, couvrant par conséquent 55% de l'emploi. « Cela va sans dire que les PME deviendront un pilier majeur de l'économie mauricienne. Il y a presque 120 000 PME activement engagées dans divers secteurs à travers Maurice qui ont un potentiel évident à l'expansion vers les marchés internationaux. L'exportation de services de Maurice vers le continent africain connaît une croissance rapide à travers les secteurs bancaires, médicaux, commerciaux et autres. Avec

la dynamique générée par la Zone de libre-échange continentale africaine, nous considérons le continent africain comme un continent hautement prometteur pour les secteurs de services », a-t-il déclaré.

Amanda Serumaga, Resident Representative du PNUD pour Maurice et les Seychelles a, quant à elle, souligné le potentiel du marché africain en matière d'entrepreneuriat et de promotion du commerce. « L'Afrique est un continent en pleine émergence sur la scène mondiale grâce à son esprit d'innovation et ses économies en rapide croissance. Il est nécessaire de renforcer les capacités des entrepreneurs en leur fournissant les compétences, connaissances et ressources

essentielles pour développer leurs entreprises et participer plus efficacement aux marchés internationaux. Cette initiative lancée conjointement par la MCCI et le PNUD est un pas décisif visant à soutenir ces efforts », a-t-elle avancé.

Prévus jusqu'au 16 octobre, les prochains ateliers seront axés sur la stratégie d'exportation, le marketing international, et la gestion des risques financiers sous les thématiques suivantes : la logistique, les exigences et normes internationales du commerce, le positionnement de marque, le marketing digital, les services financiers et bancaires, entre autres.

POLLUTION MARINE

L'AFD ET L'IORA SIGNENT UN MOU POUR PROMOUVOIR LE DÉVELOPPEMENT DURABLE

Une extension du Memorandum of Understanding (MoU), visant à promouvoir le développement durable et à relever les principaux défis de la région de l'océan Indien, a été signée hier, à Ebène, entre l'Indian Ocean Rim Association (IORA) et l'Agence Française de Développement (AFD). Le protocole d'accord porte sur trois domaines cruciaux, à savoir la lutte contre les débris marins, le renforcement des capacités de gestion des risques de catastrophe et le renforcement du Secrétariat de l'IORA. Il comprend une contribution volontaire renouvelée de 3 millions d'euros de la France sur les trois prochaines années, avec le soutien d'Expertise France pour stimuler la coopération régionale et internationale dans l'océan Indien.

Les signataires étaient l'Ambassadeur de la République de France à Maurice, Frédéric Bontems, la directrice de l'AFD, Laëtitia Habchi, et le Secrétaire général de l'IORA, Salman Al Farisi. A l'occasion de la cérémonie de signature, l'ambassadeur Frédéric Bontems a souligné les longues négociations qui ont conduit au protocole d'accord de la France avec l'IORA, qui impliquait un don d'un million d'euros. « Cette contribution a été destinée à soutenir la mise en œuvre du Plan d'action pour l'économie bleue de l'IORA et à renforcer les capacités opérationnelles et institutionnelles du Secrétariat de l'IORA », a-t-il déclaré. Il a en outre souligné l'importance de lutter contre la pêche illégale, non déclarée et non réglementée, notant que des

progrès récents ont été réalisés dans l'adoption de lignes directrices pour traiter ce problème crucial, partie intégrante du projet d'économie bleue.

En outre, Frédéric Bontems a expliqué que la relation bilatérale entre la France et les États membres de l'IORA transcende les préoccupations économiques et commerciales, abordant les défis communs en matière de sécurité, d'économie et de durabilité environnementale. Il a évoqué la nécessité d'unir les efforts par le biais de partenariats bilatéraux et d'initiatives multilatérales pour s'attaquer de manière collaborative à ces problèmes urgents. « En favorisant une telle coopération, la France vise à renforcer les liens avec les États membres de l'IORA et à promouvoir le dévelop-

pement durable dans la région de l'océan Indien », a-t-il ajouté.

Pour sa part, Laëtitia Habchi a abordé la question cruciale de la pollution marine, précisant ses effets importants sur la santé humaine, la biodiversité et les communautés dépendantes de la pêche et du tourisme. Elle a soutenu que ce défi nécessite une coopération entre les États et les territoires directement touchés par les déchets marins. « En tant qu'organisme multilatéral chargé de promouvoir les orientations régionales et les cadres stratégiques, le Secrétariat de l'IORA joue un rôle clé dans la traduction de ces initiatives en politiques publiques pour les États membres », a-t-elle indiqué. La directrice a assuré que l'AFD, représentant la France, continuera de soutenir

l'IORA à travers un nouveau programme de coopération pour renforcer leurs efforts de collaboration dans la lutte contre ces défis environnementaux.

Quant à Salman Al Farisi, il a rappelé que l'accord améliorera la préparation, renforcera la coopération et améliorera la résilience des États membres dans l'atténuation des risques de catastrophe. Selon lui, les efforts visant à renforcer la résilience régionale, à lutter contre les débris marins et à promouvoir l'économie bleue devraient être conçus dans un souci de durabilité environnementale à long terme. « Il est essentiel de donner la priorité aux pratiques durables pour relever efficacement les défis auxquels sont confrontés les États membres », a-t-il affirmé.

NAVIGATING UNCERTAINTY

THE UPCOMING ELECTIONS 2024 IN MAURITIUS

As Mauritius approaches its upcoming elections, the political landscape is charged with both anticipation and anxiety. The nation, known for its stability and democratic ideals, finds itself at a crossroads, grappling with issues that resonate deeply with its citizens. The elections are not just a routine exercise in democracy; they are a critical juncture that will determine the trajectory of the nation's governance, economic recovery, and social cohesion.

Climate of Discontent?

Public sentiment in Mauritius has been increasingly characterized by discontent. Economic challenges, exacerbated by the global pandemic, have left many feeling disenfranchised. Unemployment rates have surged, and the cost of living has risen sharply, leading to widespread frustration. As the electorate prepares to cast their votes, they are not just voting for a party; they are voting for hope, stability, and a better quality of life.

The current government, led by Prime Minister Pravind Jugnauth, has faced criticism over its handling of key issues, including job creation and public health. While there have been efforts to revitalize the economy, many feel these measures have been insufficient or poorly implemented. The opposition, meanwhile, is attempting to capitalize on this dissatisfaction, presenting itself as a viable alternative. However, it must articulate a clear vision

that resonates with the electorate's immediate concerns.

Role of Young Voters

One of the most significant factors in this election will be the youth vote. Young Mauritians are increasingly vocal about their aspirations and frustrations, demanding transparency, accountability, and genuine opportunities. They are more than just a demographic; they represent a growing movement for change that could reshape the political landscape. Political parties must engage with this demographic, understanding their needs and desires, if they hope to secure their support.

Issues at the Forefront

Several pressing issues are dominating the electoral discourse. Environmental concerns, particularly climate change, are of paramount importance in a nation vulnerable to rising sea levels. The promise of sustainable development and environmental stewardship will

likely influence the decision-making of many voters.

Moreover, social issues, including education reform and healthcare accessibility, are also crucial. As Mauritius strives to position itself as a leader in the Indian Ocean, addressing these internal challenges is essential for maintaining social harmony and economic progress.

Importance of Integrity

Another critical aspect of the upcoming elections is the call for integrity in politics. Allegations of corruption and mismanagement have plagued Mauritian politics, eroding public trust in institutions. Voters are increasingly demanding transparency from candidates and parties. The electoral process must be defended against any attempts at manipulation, ensuring that the will of the people is truly represented.

As the election date approaches, there is a palpable sense of urgency in the air.

The citizens of Mauritius are yearning for leadership that is responsive, responsible, and reflective of their needs. The upcoming elections present an opportunity not just for a change in leadership, but for a renewed commitment to the principles of democracy and good governance.

Political parties must rise to the occasion, engaging meaningfully with the electorate and prioritizing the issues that matter most. The future of Mauritius hangs in the balance, and it is the responsibility of every citizen to participate in this democratic process, ensuring that their voices are heard. In this moment of uncertainty, unity and a shared vision for progress are paramount for the nation's future.

TRIBUNE

STEALING A NATION

History really does repeat itself! Sadly, the great John Pilger must be rolling in his grave upon finding out that Diego Garcia is de facto being kept as a US territory in the Indian Ocean. When you are being told that Diego Garcia is a 'complex issue', it is textbook gaslighting. You are to remain unaware of what really lies behind this murky deal made behind the backs of Chagossians. So accept this is 'complex' cos they say so! They know best. They do sometimes with those back-stabbing deals and agreements that keep us entertained. Human rights is a serious matter though.

The official narrative surrounding what happened in 1965 and around this second agreement need to be challenged. Both agreements were deeply transactional. This is way beyond the quid pro quo we see every five years when they need our votes.

Depending on your imagination and sense of history, the words 'complete decolonisation' are bound to invoke some rather powerful emotions in you. We are literally and figuratively wading into dangerous territory. Four countries are fighting among themselves as they all want a piece of the Chagos. The UK, the US, India and Mauritius are all allies though. Mauritius is trying its best to get the best piece of flesh while excluding Chagossians from all negotiations.

The complexity is simply

dissonance about what they are trying to 'sell' to you and what they have actually sold. Everybody agrees that Diego Garcia became a secret American military base after 12 March 1968.

It took 56 years for Mauritius to achieve "complete decolonisation" in October 2024 though! The struggle of the Chagossians never ended and you might not have even known when it started.

Shame on Pravind Jugnauth for hijacking this real David v Goliath battle to improve his image. Never forget that politicians are not only clear as mud, they love mud baths.

What exactly is this complete decolonisation? It simply means that Mauritius is the lawful sovereign of the Chagos. This should have meant the

dismantling of an American military base where brown men were tortured after the invasion of Iraq. Well, it would appear that local politicians are not demanding that the US should be 'kicked out'. Let's not forget the Chagossians were forcefully exiled. Justice should mean the ones who occupied their land should be kicked out!

Apparently, there was a deal between the UK and the USA that should end in 2036. The deal was rather profitable to the British. Others have smelled blood in the waters of the Diego and they are exploiting current global issues to make deals.

I was taken aback by Jagdish Koonjul's letter on 14 Aug 2020 as it does not align with what 'complete decolonisation' should have meant to the Chagossians. They should be at the centre of this deal. Not relegated as

mere spectators. Koonjul has written only one line about the plights of the Chagossians. Decolonisation simply means an 'opportunity' to have a 'long-term agreement' with Mauritius.

Basically, Mauritius does not want a middle man. Mauritius wants to do business with the US as the 'sovereign' and lawful master of Diego Garcia. All under the guise of security that only a rendition base could preserve. The irony is too delicious.

Koongul does not even make an effort to hide the real agenda of Mauritius. Koonjul has the hubris to write that the Mauritian offer is "far better for the US than the current British deal." The Mauritian ruling class is aware of how valuable the base is to the USA. They want to put a price on it. Actually, the amount agreed is

'undisclosed' as it's a business deal. They sincerely believe that the optics are good when the lawful sovereign does it instead of the former colonisers.

Koonjul knows how to make an offer that cannot be refused. I sincerely hope this little brown-noser could be awarded the empire medal of 'C.H.A.M. C.H.A' to add to his other British titles.

How disgraceful to write a letter recognising and justifying the legitimacy of having an imperial military base on a land that has been cleared of its population. Whatever happened to the 'Ganga Jamuna tehzeeb' their parents brought from India?

How on earth are these highly educated men able to collaborate with imperial powers to such a degrading level? The complete decolonisation simply means that Mauritius should be given complete freedom to do business with the US without the British. Not exactly something you would be proud of unless you have a colonial mindset that loves to rule over minorities.

What an aberration to take pride in your coolie heritage while monetising others as they form a minority. I am sure Koonjul and his ilk would have heard about Kaala Pani and other colonial jails in India. How could they be willing to take rent for allowing the same thing they resented when done by the British? Why is Mauritius carrying the torch for imperial interests on its territory?

Now, if you believe that SSR was under duress when he accepted the British agreement, I have an island to sell.

Mauritius is a hustler's paradise. Hustlers are posing as decolonisers and father figures.

Now should have been the time to gain real honour after the return of the Chagos. Right now there is this huge global anti-war movement against the obscene amount of money being diverted to 'defence' to grab more territories. Mauritius could have played a very significant role by adopting a more humanitarian approach to the plights of the Chagossians. All those countries that got conned thinking Mauritius was actually fighting the British empire. The empire is gone but the symbolism cannot be ignored.

To shaft the Chagossians

for a second time is pathetic. Mauritius takes its Little India title too seriously. Cultural affinity is great but embracing Modi's ideology is not what we need. If India wants to match the Chinese arsenal, do not drag us into it. Anyway, who made it 'lawful' for Mauritius to give away Agalega to them?

All this grand talk about complete decolonisation is similar to the Indian propaganda that has become more intense under Modi. The fact that Pravind Jugnauth had to thank Modi for the agreement is rather troubling. What exactly has Modi done for the Chagossians? Nothing as we all know. Modi simply wants to become a rising global power. Mauritius seems to be very intent on accommodating India to acquire more 'interests' in the Indian Ocean.

Aligning with Modi's values and welcoming some unsavoury politicians have allowed Pravin Jugnauth to be crowned as 'decoloniser'. Modi loves grand rhetoric, he must be overjoyed to see the people lapping 4 up the title Pravin Jugnauth has given himself. Anyway, it was the only thread he could hang on to if in his rivalry with Ramgoolam the pere de la nation. Some people would still vote for Navin Ramgoolam as the son of SSR and ignore his failure as a husband.

Now, the cult of SSR is a dangerous one, like any other cult. A father does not sell his kids. He fights for them. When did SSR ever fight to restore the rights of Chagossians? Where are the houses he built after pocketing the £3m to relocate the Ilois? Enquiring minds want to know.

Somehow, Little India seems apt when you look at the way the Chagossians were treated by local politicians. The first thing they did to acquire independence was to get their own little partition which they called detachment. They never treated the Chagossians nicely. They always treat minorities as votebanks. Somehow, we did not produce real freedom fighters like India did under the British Raj. They filled the void by creating a myth around SSR.

When you look at SSR, like Gandhi, he was highly educated and the alumnus of a renowned British university. It gives both more prestige when they fight against the British. And SSR was the son of a coolie, not a coolie himself. He had a 'Sir'

before his name! He never renounced any British titles/honours. He chose to retire in a chateau. Quite the journey for the son of an indentured labourer.

SSR never really fought the British though. He was a man who had 'intellectual debates' as a member of the British branch of the Indian National Congress. He even joined the Fabian Society.

A sixth grader would find it hard to comprehend how a man with his academic background and political ambition could have been unaware of American foreign policies. What kind of 'intellectual debates' did he have if he could not grasp reality? At the time when he went to Lancaster House, SSR would have known about US imperialism after WWII. That the US was shopping around for military bases. He would have heard about apartheid in South Africa and ethnic cleansing in Palestine. Let's give him the benefit of the doubt about the 'Strategic Island Concept' that led the US to view Diego Garcia as a 'Fantasy Island'. When you look at the demands he made, you do realise that the man had enough foresight to ask for compensation over Chagos.

He knew the stake when agreeing in Lancaster House. He wanted to be the first Hindu PM. What kind of duress would make him accept £3m as compensation to relocate the Ilois? The 'under duress' should have been claimed when the 1966 secret agreement between the US and the UK was revealed to allow the US to build a military base in Diego Garcia.

SSR kept the Queen as the Head of the State after being elected. When he knew that the BIOT was created under a royal decree. He did not reject the Queen's authority.

Ramgoolam Senior appeared to have been a very shrewd businessman who knew what to ask from the British. He mentioned 'fishing rights, rights over minerals and oils'. He even asked for Mauritian labour and material to be used by the American government. In other words, he knew the British were detaching the Chagos to give it to the Americans. He did not ask that the Chagossians be kept even as workers by the Americans. No demand for the Chagossian or their rights. The agreement actually benefited those who were to join the first Mauritian government.

Did SSR apologise for not doing anything once the Chagossians were removed from their home? Ramgoolam and his team knew about the US base before independence. As the agreement was done before the detachment. Why then did they agree to have the natives removed so that the US can have a military base in the Indian Ocean? What kind of duress was that? Could it be that 'people of colour' as Koonjul do not deserve to be part of the rainbow nation?

Was the £3m and other conditions from Mauritius dictated by the need to cover the expenses of prospective members of the future government under Ramgoolam? These people have such huge expenses that they have to keep private vaults at home. Maybe SSR was under duress by his own entourage?

Anyway, an agreement under duress could easily have been voided. Why was it not voided?

The Ilois were relocated in ghettos where they would stay invisible to most. They belong to a different Ile. If they had been properly relocated would that have changed the political landscape over the years? These people are cynical and they did keep the colonial profiling of the population the same after independence.

From the very beginning, it appears that Ramgoolam and his team wanted to weaponise our Independence. This never stops.

Amidst all this brouhaha, nobody seems to have any thoughts about the 60 Sri Lankan Tamils stranded on Diego Garcia since 2021.

Somebody should maybe send a memo to Koonjul about the fate of this minority group. Maybe Mauritius needs to readjust the agreement with the USA after factoring how much the Sri Lankan Tamils might cost Mauritius. Maybe Modi could employ them on his secret Agalega base.

Interestingly, Mauritius did remain silent on the sovereignty of the Chagos for years after 1968. Even if lip service has been paid about extraordinary rendition flights to Diego Garcia, the mere thought of a former colony willing to receive payment from the US is revolting.

The fact that Mauritius has a secret agreement with India

over Agalega is very revealing. Koonjul should hang his head in shame for making such a fuss about American interests in the region. That region used to be the home of the Chagossians. He had the audacity to lecture the British about Black Lives Matter, Brexit, the refusal of the

British to agree to the return of the Chagossians - when money was given for their relocation in Mauritius. Imagine being a Chagossian and reading a letter about your resettlement by people who keep on excluding you from 'agreements' they make with your oppressors! It's quite something to read Koonju's letter. The dehumanisation is heart wrenching. To seal the deal with the USA, he was looking for ways to not upset their military operations by suggesting to 'restrict' the resettlement to other islands 100 miles from Diego Garcia. That's monstrous and he seemed to be apologising about having to send the Chagossians back where they belong.

Was there even any need to evict those who were 100 miles from Diego Garcia to enable US military expansion? Is that how Mauritius is improving its image on the world stage? By excluding Chagossians from the debate but including India

Koonjul's words imply that

Diego Garcia is to remain occupied by the USA while we chant 'complete decolonisation'. Mauritius has not acknowledged its own failures to protect the rights of Chagossians.

They are deflecting from their own atrocities by asking for compensation from the UK. Why not come clean about how the £3m was spent? Who benefited from that compensation? Surely that's a very reasonable demand.

They have concrete plans about how to maintain Indian security and American security but no plans about where and how to house the Chagossians. How will they scatter people around those tiny islands?

Unfortunately, the current global climate seems to legitimise the existence of two military bases in the Indian Ocean. All this focus on militarism by those who arrived from the land of Gandhi is frightening. We need to keep our eyes on the people, not the value of the land to an imperial power.

All the titles in the world cannot whitewash the crimes they have enabled against the Chagossians. They need to do more than brag about liberating others when they are not.

Surely we should do better than participate in this circus. It

might be entertaining to watch *Jugnauth v Ramgoolam* but they both have the same goals in life. That goal is to rule over you and keep you chained to their imaginary achievements.

Let's accept the argument that they were under duress from the British. Koonjul made several references to the 'unlawful' British administration of the islands. Yet, Diego Garcia as a military base was established under that same unlawful administration. Why should that base even exist if it was set up by an unlawful entity? Dismantle the base, resettle the Chagossians should be the goal. Not indefinite lease like Guantanamo Bay.

You might not have paid attention to the atrocities inflicted upon the Chagossians over the past five decades. It's time to wake up and see that behind the grand rhetoric Mauritius simply wants to be the 'lawful administrator' of an 'illegal' military base in exchange for 'rent'.

Try as they may to by having signs that say 'Diego Garcia, Footprint of Freedom', the US can never erase the Chagossians. Chagossians need to have their own voices heard and their demands met.

Swaleha Joomun

MONDE

D'OÙ VIENT NOTRE SUPERSTITION AUTOUR DU NOMBRE 13 ?

La superstition du nombre treize remonte à des croyances et des événements historiques profondément enracinés dans l'imaginaire collectif. Mais pourquoi ce nombre est-il si redouté et en même temps, parfois, symbole de chance ? Explications de cette superstition.

Chiffre treize : quelle signification en numéromagie ? Le nombre treize représente une fin de cycle et l'amorce d'un nouveau. Il est le résultat de l'addition du douze qui symbolise la complétude (comme les douze mois de l'année ou les douze signes du zodiaque) et d'une unité supplémentaire. Cela le place en dehors des schémas de stabilité, ce qui peut expliquer pourquoi le treize est parfois vu comme un chiffre perturbateur qui évoque à la fois la fin d'une période et le début d'une autre, souvent imprévisible. Dans certaines traditions, le treize est également lié à la mort et à la renaissance.

Dans le tarot, il est justement associé à la mort, symbolisant la destruction de l'ancien pour permettre l'émergence du nouveau.

Le vendredi treize est l'une des superstitions les plus prégnantes dans le monde occidental, souvent associé à la malchance. Pour mieux comprendre cette crainte, il faut regarder du côté des traditions religieuses et historiques. Dans la Bible, lors de la dernière Cène, Jésus-Christ était entouré de douze apôtres, soit treize personnes en tout. Judas, l'apôtre qui a trahi Jésus, est souvent associé à ce chiffre, ce qui renforce sa connotation négative. Quant au vendredi, il est traditionnellement perçu comme un jour de malheur dans la culture chrétienne. Selon les Évangiles, c'est un vendredi que Jésus Christ a été crucifié, ce qui a profondément marqué cette journée, synonyme de mauvais augure.

Le saviez-vous ? La phobie du chiffre treize est bien réelle et porte le nom de

triskaidékaphobie !

Voir fréquemment le chiffre 13, que ce soit dans les heures affichées, les numéros de rue ou encore les plaques d'immatriculation, peut être lié à ce que l'on appelle la "synchronicité", une théorie développée par le psychologue Carl Jung. Selon celui-ci, certains événements ou chiffres peuvent apparaître de manière répétée dans nos vies et nous paraître significatifs. Il ne s'agit pas nécessairement de hasard, mais plutôt de la manière dont notre cerveau filtre l'information et prête attention à des détails spécifiques. Quand nous accordons une importance particulière à un chiffre ou un nombre, à l'instar du 13, notre esprit est plus attentif à son apparition, même dans des situations où il pourrait en réalité être anodin.

Le vendredi treize est souvent

considéré comme un jour maudit, porteur de malchance. Mais il est aussi vu par certains comme un jour de chance. Par exemple, dans le domaine des jeux de hasard, de nombreuses personnes voient le vendredi treize comme une occasion porte-bonheur pour tenter leur chance. Les loteries observent souvent une hausse de la participation ce jour-là. D'autre part, certaines cultures considèrent le chiffre treize comme bénéfique. Par exemple, dans certaines traditions juives, le treize est un chiffre sacré, associé à la miséricorde de Dieu. En Italie, le vendredi 17 est jugé plus malchanceux encore que le vendredi 13... La perception de ce jour et de ce chiffre dépend donc largement des contextes culturels et historiques.
